Lumbago and Pains in the Back

MR. THOMAS A. EMBREE, general merchant,

"As the result of a severe cold settling on the kidneys, I contracted kidney disease, which lingered for years, causing me much suffering from terrible pains in the back. For some time I was entirely un-able to work, and though I tried several physicians I could only obtain slight temporary relief. "Having heard of the

merits of Dr. Chase's Kidney-Liver Pills in many similar cases, I began to use them, and after using seven boxes was completely cured. The cure is due entirely to the use of this grand

medicine, which has since cured several persons to whom I recommended them."

Dr. Chase's Kidney-Liver Pills, one pill a dose, 25 cents a box, all dealers, or Edmanson, Bates and Co., Toronto. To protect you against imitations the portrait and signature of Dr. A. W. Chase, the famous receipt book outbor, are on every box of his remedies.

During the '45 Oliphant of Gask, who was a staunch Jacobite, but | who was not 'out,' adopted an ingenious mode of keeping on terms with the powers that were. Gask had a son named Charles. The boy sat next his father every day at dinner, and after the cloth was removed the old man filled a bumper, and turning to his son cried out, with a tap on the shoulder-'Charles, the king's health!'

Dear Sirs,—I was for seven years a sufferer from Bronchial trouble, and would be so hoarse at times that I could hardly speak about a whisper. I got no relief from anything till I tried your MINARD'S HONEY BALSAM. Two bottles gave relief and six bottles made a complete cure. I would heartly recommend it to anyone suffering from throat or lung trouble.

We heard a man say the other morning that the abbreviation for February—Feb. means Freeze Every Body, and that man looked frozen in his ulster. It was apparent that he needed the kind of warmth that stays, the warmth that reaches from head to foot, all over the body. We could have told him from personal knowledge that Hood's Sarsaparilla gives permanent warmth, it invigorates the blood and speeds it along through artery and veins, and really fits men and women, boys and girls, to enjoy cold weather and resist the attacks of disease. It gives the right kind of warmth, stimulates and strengthens at the same time, and all its benefits are lasting There may be a suggestion in this for you.

The doctors believe another epidemic of Grippe is here, and already many are suffering. The medical men are not afraid of Grippe since Catarrhozoue was introduced, and claim that no one will ever catch his disease who inhales the fraga few times daily. Catarrhozone kills the Grippe germ and prevents it spreading through the system. "Last winter I had an attack of Grippe" writes OP Mackinnson of St. John's. "I bought Catarrhozone and got relief in short time. I found Catarrhozone better than anything else and was cured by using it." Catarrhozone prevents and cures rippe, colds and catarrhozone.
