

THE TWO BIG STORES!

It is not strange that Good Old Santa Claus was one of our first Customers and has continued to be our Very Best One for 49 long years. He always pays Cash and buys in large lots. Some time ago we advertised that we would like to hear from our first Customers of the Good Old Days of 1855. We have received Very Many Answers from Old Friends and take this opportunity of wishing them all, as well as our Younger Host of Buyers of Dry Goods, a Very Merry Christmas and Happy New Year and hope the pleasant relations hitherto existing between us may continue for many years.

On Saturday we received a Letter from Santa Claus, who is now in the Yukon. The following is a Copy of his Note:—

HUGH HAY & SON, Woodstock, N. B.,

DEAR SIRS,—

It makes me feel old when after seeing your Ad. in the SENTINEL, I am sure I was one of your first Customers, if I remember right, in 1855. I bought many things from you at that time and as your Prices were right I have traded with you ever since. Of course as Woodstock this year will be my Base of Operations for the Upper River Counties I will require more Goods in your Line than formerly. Give my love to the Children. I am now on my way to Woodstock. My team is doing well. Have now 49 deer. Strange just the number of years you have been in Business.

Yours for happiness,

(Signed,)
