### SAD ACCIDENT.

Michael Gallagher, jr., of Newburg, son of Michael Gallagher, sr., received injuries which shortly afterwards terminated fatally, on Monday afternoon, at the freight station here. He had taken a load of furniture to the station, and left his horse standing at the door while he stepped inside to bill the shipment. The team became frightened and started to run. Mr. Gallagher ran out to stop them. He fell under the forward wheels of the heavily loaded wagon, and was run over, receiving such severe injuries to his head and side that he was at once taken to the hospital, where he passed away in a few hours. Deceased was a fine young man, about 27 years old, and highly respected.

The funeral took place on Wednesday morning at 10 o'clock from his late residence. Rev. Fr. Bradley celebrated mass, after which the body was interred in its early grave. The pall bearers were his four cousins Frank L. Ryan, Frank L. Gallagher, Frank K. Gallagher, and Frank P. Gallagher. Undertaker Kelly conducted the funeral, which was one of the largest ever witnessed in this section, reaching half way from his home to the church, a distance of 10 miles.

His sister, Mrs. Alfred Culbert, arrived from Lowell, Mass., and his other-in-law, James Brown, from Montague, Me., to attend the funeral. He leaves to mourn his sad and early demise, a father, mother, three brothers and three sisters.

### E. H. Phillips Promoted.

E. H. Phillips, for the past year chief clerk in the C. P. R. accountant's office here, has been transferred to Winnipeg, where he will assume larger responsibilities and receive greater remuneration. Mr. Phillips left on Wednesday for the west. Just previous to his departure he was waited upon by a delegation of leading citizens and presented with an address and an expensive pipe. He was highly popular in social and literary circles, and will be much missed. Frank Smith succeeds him here. Arthur Smith has been appointed billing clerk. These promotions are popular as well.

### PICKPOCKETS ABROAD.

Several petty thefts occurred during the carnival. Perhaps the most daring was that by which Prof. Morrell was relieved of some small bills and silver. When the professor gave his second performance he left his street clothes on the roof in charge of no one in particular. While he was performing in midair some bright light fingered artist went through the pockets of his clothing and appropriated all the money. Luckily Prof. Morrell was fortunate enough to lose only a comparatively small amount.

For a club of only five subscribers at our regular rates we will give any smart boy a watch warranted to keep good time for a year.

## SUMMER CARNIVAL A GREAT SUCCESS

### Thousands of Visitors Enjoyed the Proceedings.

Whatever doubt may have existed as to the advisability of holding a carnival this year must have been dispelled early on Tuesday morning when hundreds of visitors from the surrounding country came pouring into town by almost every known mode of conveyance. As the day wore along and the hundreds ran into thousands, it was felt that the fifth to the men who were backing the Carnival was not wrongly placed. From Edmundston, Grand Falls, Presque Isle, Fort Fairfield, Caribou, and Houlton, special excursion trains brought countless visitors, while every town and hamlet in Carleton County was fully represented. St. John, Fredericton and the Border towns sent their quota, and the huge multitude found difficulty in securing sleeping accommodation.

The delightful weather, in fact almost too warm, was a great factor in the success of the event. At half past ten o'clock the magnificent street procession formed at Elm Street, and marched down Main, across to Broadway and returned by the route already published. There perhaps have been a greater number of floats seen in some former parades, but for general excellence those of the present year have never been surpassed. Right here it must be acknowledged that the man to whom the honor must go in connection with the success of the parade, is the very efficient chairman of the committee, Harry D. Baird, who spared neither time nor labor in the effort to make a creditable showing. The procession, a mile long, lined up as follows:

Big Policemen, William Courtney. Town Council. Fire Dept. No. 1 and 2 Cos. 67th Regt Band in uniform. Float Fair Canada, Bessie Porter, representing Canada, Mariel Smith, Mary Balaiah, George Harrison, Madge Connel, Ida Hayden, Georgie Balmain, Glenna McQuarrie, Jessie Davies, Vera Brewer, Clara Dickinson, Helen Dickinson, Laura Balmain, Minnie Parker, Millie Tibbitts, Faye Camber, Mary Burpee, Jean Garden, Beatrice Williams, Lucy McLean, Marguerite Lamb, Edith Dalling, Hattie Gabel, Margaret Dibble, Jessie Porter, Mabel Nicholson, Sarah Nicholson. Imperial Packing Co., 2 wagons. Small & Fisher Co., 3 wagons. Hunting Scene, Stone and Jackson. Band Wagon. Ferris Wheel, Charlie Camp and others.

On the Water Wagon, Gordon Loane, Sunny Buck and Fred Buck. Decorated Bicycle, Frank Currie. Rough Rider, Franklin Rankin. Bride and Groom, A. White and B. Hay.

Castle, Dolph McLean. Frank Atherton, Horse Goods. A Henderson Furniture Co., Display. Summer Yachting Party, Wm Hill, H. Dunbar and others. J. M. Frapp, mill products. Snows Laundry. "Old Oaken Bucket," H. D. Baird, L. Milmore, Jas. McDougall, Norm Macintyre, Ralph Chapman, Arthur Taylor, Geo Greer.

The floats were all good, indeed many were excellent. The Small & Fisher Co. put in three splendid floats, showing products of their well known foundry. The A. Henderson Furniture Co. had a good display, and so did the Imperial Packing Co., one prominent feature being a young porker on the dissecting table with Mr. Wilnot Hay standing behind, cleaver in hand. The firemen decorated their wagons in good shape and made a very presentable turnout. The Ferris Wheel was good, and so was the Carrie Nation exhibit. Some of the juniors deserve great credit. Burpee Hay, Avard White, Franklin Rankin, Frank Currie and Dolph McLean, the latter especially, whose cardboard castle was a real wonder, all made worthy exhibits. The Yacht was fine, and so was the hunting scene, as well as the Band Wagon. J. M. Frapp, Snow's Laundry and Frank Atherton all made worthy contributions. The Old Oaken Bucket was a fine production; Harry Baird and his associates know all about such business, and put in a splendid float. Perhaps most of the lookers-on were attracted principally by the "Fair Canada" float, a large boat containing twenty eight

charming young ladies dressed in white. This was applauded all along the route.

It is a matter of regret that those entering the parade did not send in their names to the committee, as requested. The omission renders it impossible to give the names of many that should appear. Chairman Harry D. Baird is to be congratulated on the great success of the procession. His hard work is responsible for the success of the Parade and sports.

Prof. E. J. Morrell, the acknowledged king of the air, gave his first thrilling performance at noon. The marvellous feat of walking a tight rope at the dizzy height of seventy feet, was accomplished with as much ease apparently as if he were walking a five foot sidewalk instead of a slender cord. Not only did he make two trips across the rope, but several gymnastics feats were performed on his lofty station. In the racing at the park, a new track record was made by that speedy wonder, McGinty.

#### TUESDAY'S TROT.

The trot in the park, in the afternoon, under the management of Gallagher Bros, was attended by about 2000 spectators. The affair was well managed, and the heats closely contested. While the Woodstock horses did not capture any first money, considering the fast company they did fairly well—Shamrock got second money, Gertie Glen a second, and Joe Hal a third. Tom Phair and McGinty evidently had too much speed for the other horses in their respective classes, but they were closely pressed in each heat. The judges were Ed Teedstarter, Dr. N. R. Colter, Andrew Williams; timers, Thomas Colter, J. T. A. Dibble, B. B. Manzer; Warren Lindow, clerk. The following is a summary:

220 Class Trot of Paces. McGinty, b.g., Allen Woods, Bangor, 1:11. Gertie Glen, b.m., James W. Gallagher, Woodstock, 1:12. Joe Hal, b.g., C.W. Duggan, Woodstock, 1:22. Path M. b.m., Palmer Bros, Patten, 1:30. Fairview Chimes, b.g., J. M. Johnston, 1:33. Nellie P.M. Crose, Chatham, 1:44. Time—2:24, 2:17, 2:20.

228 Pace, 225 Trot. Tom Phair, b.g., J. M. Johnston, Chatham, 3:11. Shamrock, b.g., Frank L. Thompson, 3:43. Gladys, b.g., J. B. Burnham, Houlton, 4:22. Princess, b.m., Palmer Bros, Patten, 4:24. Rola, b.m., T. H. Phair, Presque Isle, 5:45. Dewey Dumas, W. H. Rich, Millbridge, 5:45. Time—2:24, 2:23, 2:20.

At eight o'clock the fine local band gave a splendid concert on the square, and Prof. Morrell again performed his aerial wonders. At ten o'clock a grand illumination and band concert was put on at the head of the island. The fireworks were splendid, the music delightful, while the local boatmen outdid all previous efforts in the happy manner in which they assisted in the demonstration. Huge bonfires burned brightly on the water front, and altogether a splendid showing was made. Weary of sightseeing, the multitudes sought shelter for the night, filling every hotel and lodging house in the town, as well as numbers of private residences. The only noticeable thing which caused any regret was the fact that the wind on Tuesday evening was so severe that canoes dare not take part in the water sports. Over twenty were ready had the water been smooth.

This ended the first day's proceedings.

#### WEDNESDAY'S EVENTS.

A NINTH INNINGS VICTORY. The Fort Fairfield team of the Northern Maine League played the Colts at the park on Wednesday morning. A good sized crowd witnessed the struggle, which was close from start to finish. The Colts made a lively rally in the last two innings, and batted out their first victory of the season. James Sullivan made a satisfactory umpire. The summary:

Colts. A. B. R. H. P. O. A. E. Pickett, r.f., 5 1 1 0 0 0 0. Melroe, l.b., 5 1 2 5 0 0 0. Donnelly, c., 4 0 3 0 2 0 0. McKinley, p., 4 1 1 2 2 2 2. Milmore, p., 4 0 2 2 0 0 0. Courtney, 2.b., 4 0 0 0 0 1 1. Guy McLaughlan, c.f., 4 0 0 2 2 1 1. Roy McLaughlan, l.f., 4 0 2 3 2 1 1. 38 4 12 27 8 6

#### Fort Fairfield.

A. B. R. H. P. O. A. E. Bernard, 1 1 2 2 2 2 2. Osburn, 5 0 0 2 0 0 0. McCormick, 4 1 2 1 1 1 1. Rollins, 4 1 1 13 1 1 1. Manning, 4 0 1 4 0 2 2. Mercer, 4 0 2 0 0 0 0. Burns, 4 0 2 1 0 0 0. Ervine, 4 0 2 0 0 0 0. Bridges, 4 0 2 2 1 1 1. 37 3 15 25 11 7

#### Score by Innings.

Colts, 1 0 0 0 0 0 2 1-4. Fort Fairfield, 0 0 2 0 0 1 0 0-3.

Prof. Morrell gave two performances on Wednesday, despite the bad weather. The postponement of the races was regretted by many who were unable to stay over. The band gave a fine concert on the square on the evening of the second day, and a good torchlight procession, headed by the band and the various fire wagons, delighted the big crowd. Chairman Harry Baird and his assistant William Hill deserve great credit for getting up such a successful procession.

The only cause for regret by the sports committee is the fact that on Tuesday night the heavy wind made it impossible for the canoe fleet to put on their illuminated display. The owners had gone to considerable expense in buying Chinese lanterns and feel keenly disappointed on account of the bad weather.

#### The Term "Blackleg".

The term blackleg, which has come to mean one who systematically tries to win money by cheating in connection with races or with cards, billiards or other games of skill or chance and is used as synonymous with a swindler, a welsher, is of uncertain origin. Some authorities connect it with the black legs of a game cock, so much used by the sporting fraternity for betting purposes.

According to another and more probable view, the expression had no disgraceful sense attached to it at first, but was applied to turf and sporting men because they were often in the habit of wearing black top boots. When blackleg had thus become a current phrase for professional sporting men, it probably passed into use as applied more particularly to those who took an unfair advantage of their opportunities to cheat the unwary.

The derivation of this term was once solemnly argued before the full court of queen's bench upon a motion for a new trial for libel, but that learned tribunal was unable to decide its origin.
