

A Man is Only as Old as He Feels.

Some people are always young—in spirit and vigor. The man who feels his age is the man who neglects his stomach and liver. As the years pile up the delicate organisms grow weaker.

Abbey's Effervescent Salt

strengthens the system to resist the added strain. A perfect laxative—it removes all poison from the system. Purifies and enriches the blood. It keeps the liver and kidneys active. Abbey's possesses the rare quality of being a bowel and stomach tonic, without any re-actionary effects.

Pains in the Back for Twenty Years
Could not turn over in bed—Kidneys and bladder affected—experienced great suffering.

Old people learn to trust in Dr. Chase's Kidney-Liver Pills, for when all other treatments fail this great medicine seems to go directly to the diseased part, and promptly affords relief and cure.

Mr. DAVID MISENER, farmer, Port Robinson, Welland County, Ontario, writes:—"I wish to state to you that I had a pain in my back and left side for over twenty years. At times I could not turn over in bed, I was so badly used up. I had cramps in my feet and legs, and my hands were so entirely useless that I could scarcely lift anything."

"Kidney disease was, no doubt, the cause of all my suffering, and sometimes the urinary trouble would be so bad that I would have to get up five or six times during the night. Fortunately, I began using Dr. Chase's Kidney-Liver Pills, and they cured me completely. I am 79 years old, and quite well now, but still occasionally use these pills to keep my system in good order. Several persons to whom I have recommended Dr. Chase's Kidney-Liver Pills have been equally benefited."

Dr. Chase's Kidney-Liver Pills, the comfort of old age, one pill a dose, 25 cents a box, at all dealers. Portrait and signature of Dr. A. W. Chase on every box.

THE "KICKED OUT" ONE.
"We want no repetition of the Africaner Bund in Canada with its sowing of seed the harvest of which is blood. Canada is and must ever remain an integral portion of the British Empire; and the man who goes about stirring up race feeling against the Empire because the majority happens to be of another race than those appealed to is not only a traitor but a very despicable traitor. The French-Canadians to whom these seditious appeals have been made have every right that any other kind of British subjects have, and have no just grievance against the Empire whose flag protects them. The appeals are therefore made for purely treasonable purposes, and should be so regarded and treated. And, first of all, Tarte must be kicked out of the Government,—not allowed to resign; but kicked out."

Halifax Herald, Feb. 22, 1900.

In due course of time Sir Wilfrid Laurier acted upon advice tendered by the Halifax Tory Organ, and lo! the result. Tarte was at once received with open arms by those who had been loudest in his denunciation. Nothing is now too good for "the despicable traitor" of 1900, even the highest place in the party may be his for the asking. J Israel has never been overly unassuming, and may be depended upon to gently urge his claims. The people of Carleton County will be called upon in the next election to choose either Laurier or Tarte. Does any person doubt which will be chosen?

Balanced Ration.—Collection of different grains grown by exhibitor, and exhibited separately in different vessels. Each kind of grain must represent a definite amount, so that when the whole be mixed together, it will constitute a balanced ration suitable to be fed with hay and roots as roughage. Each exhibit must be conspicuously placarded, stating for what purpose the ration is intended, and the approximate amount which would be most satisfactory to feed for the purpose specified.

BEST WAY TO REAR HEALTHY CHILDREN.

Develop their strength with Ferrozone which makes rich blood, hardy muscles, steady nerves.

Children brought up on Ferrozone are known by their strong, rugged frames, their chubby cheeks and healthy appearance. Mothers find it an indispensable tonic and body builder, and in thousands of homes no other remedy is used.

Mrs E Montgomery, of Pittsburg, writes: "A little niece came to visit me, and noticing her pale looks and haggard looks, I started her on a course of Ferrozone. The change that girl underwent in a few weeks was marvellous. Her appetite chirped up, she had more spirit and strength and a rosy color came into her cheeks."

Every Child that I never saw there before. I weighed my niece about the time she started to pick up, and in seven weeks she gained almost eight pounds, and just looked the picture of health. I think this should be an example to many mothers and I hope that others will try Ferrozone for their little boys and girls. I am thoroughly convinced that it's the most strengthening tonic."

The reason Ferrozone works so beneficially with children is that it acts directly on their blood, freeing it of all unhealthy matter, at the same time giving it an additional supply of iron. This at once results in more strength, new spirit and renewed vitality. Just one tablet at meal time works wonders.

You must be sure to get Ferrozone. Refuse to accept any article the druggist may say is just as good. Get what you ask for, Ferrozone, and the result we guarantee will be satisfactory. Price 50c per box or six boxes for \$2.50. By mail from N C Polson & Co., Kingston, Ont., and Hartford, Conn., U. S. A.

All Stuffed Up

That's the condition of many sufferers from catarrh, especially in the morning. Great difficulty is experienced in clearing the head and throat.

No wonder catarrh causes headache, impairs the taste, smell and hearing, pollutes the breath, deranges the stomach and affects the appetite.

To cure catarrh, treatment must be constitutional—alterative and tonic.

"I was ill for four months with catarrh in the head and throat. Had a bad cough and raised blood. I had become discouraged when my husband bought a bottle of Hood's Sarsaparilla and persuaded me to try it. I advise all to take it. It has cured and built me up." Mrs. Hiram K. Rolan, West Liscomb, N. S.

Hood's Sarsaparilla
Cures catarrh—it soothes and strengthens the mucous membrane and builds up the whole system.

Humors
Come to the surface in the spring as in no other season. It's a pity they don't run themselves all out that way; but in spite of plumes and other eruptions, they mostly remain in the system. That's bad.

Hood's Sarsaparilla removes them and cures all the painful and disgusting troubles they cause. Nothing else cleanses the system and clears the complexion like Hood's.

Letter.
The electors of Northampton parish will remember at the parish election in Grafton Hall last Oct., Mr J Rankin Brown stated in his address that upon entering upon his duties as councillor in 1902 he found the parish indebted to the county in the sum of something like \$169, but at the end of his term it did not owe one cent. This statement was loudly cheered. The auditor's report shows the correct figures for Jan 14, 1902, to be \$3.83. This is a better showing than at the end of his term when he taxed the people to get a surplus of \$15.64. I expect this statement will be the means of causing Mr Brown to apologize to the rate-payers.

FARM FOR SALE.

WE have one of the best Farms in Aroostook County for sale, located on the Woodland Centre road, about 4 or 5 miles from Carleton place, containing 29 acres, with about 175 acres cleared and in good condition for crops, the remainder of which is a good hardwood ridge. The buildings on this farm are commodious and modern, being supplied with water from a large cistern on a hill a short distance from the buildings, which is continually filled with water by a large wind mill, from one of the best wells in the country. The elevation of the cistern is such that there is sufficient force to throw water clear over the top of the buildings. One barn is 42x60 and is clapped and painted, the other barn is smaller in size, being only 36x60. There is a large young orchard on this farm just beginning to bear. This farm is located on R. F. D. Route No. 4, and is only 1 mile from a public school. Owing to the fact that taxes are very low in the town of Woodland, and that Carleton is one of the best markets in the County, this farm is one of the most desirable. There is no question but what any shrewd farmer can not \$3000.00 a year from the products of this farm. Farms of the above description, for sale, are very scarce, and it behooves those who wish to purchase this to attend to it at once, for it undoubtedly will remain on the list but a short time.
