Messrs A Bradley, C Connolly and J L Thornton filed papers for election to the County Council. Mr Connolly's papers were carefully prepared. Those of Mr Thornton consisted only of his declaration, no nomination paper and hence ruled out. Mr Bradley's papers for both nomination and declaration are all O K with one exception, the nomination was not signed while the declaration on same page was signed. The matter is referred to the Sec-Treas and if he decides it an actual oversight and pardonable all right, if otherwise then an election will follow to elect one candidate to the office, as Mr Connolly is elected already.

Complaints are frequently made against certain persons because of their use publicly of profane and indecent language and against boys who jeer aged persons and some who are not altogether *compus mentis*, and the throwing of stones and decayed fruit, thereby frequently

frightening horses, many of which are driven by females. The decision is that this conduct must cease or if not, use will be found for our lockup and county jail, as well as the land in the pocket to find sufficient lumber to pay fines.

His wife and one daughter have gone to Boston to spend the winter with a married daughter, another daughter is attending the Normal School and son, cashier in the bank, is boarding, while friend Ed bears the aspect of a wanderer or of one who is lost. HEBERT-BAIRD.

"Willow-Well," Grafton, the residence of Col John D Baird was on Tuesday afternoon the scene of an event in which many were and are interested—the marriage of Helen Baird, the third daughter of our respected fellow townsman, and Frederick B Hebert of Winnipeg, Manitoba.

The happy groom is a native of Ontario but has spent most of his life in the West, and is now conducting a prosperous real estate business in the Prairie City. It was here that he met and wooed the lady to whom he has just been wedded, she having been a resident of Winnipeg for the past two years. The young bride is widely and favorably known in this her native town and her large and influential circle of friends send after her best wishes for her future happiness and prosperity.

Everything connected with the wedding program and ceremonies passed off pleasantly. The spacious ground-floor rooms at Willow-Well were tastefully decorated for the occasion in white and green. White astors and carnations and white crepe tissue intertwined with smilax

asparagus moss and berries gave to the dining room and parlor an appropriately festive appearance. An especially pretty feature was a beautifully designed floral altar which was set across the west corner of the parlor for the immediate purposes of the ceremony.

At two o'clock the bride entering on the arm of her father to the strains of Mendelssohn's Wedding March, joined the groom at the altar, behind which stood the officiating clergymen. She was handsomely attired in white, a beautiful gown of eyel embroidered chiffon over white silk made in train. She wore the bridal veil and carried white roses. Margaret S Baird attended her sister gowned in cream voile and carrying cream roses. Mr Hebert was supported by J Harris Baird of Winnipeg, brother of the bride. The young couple gave clear responses to the marriage service which made them one, the officiating clergymen being Rev Geo A Ross and Rev Kenneth McKay.

The hours remaining between the ceremony and the arrival of the train on which the happy couple were to depart were spent informally but pleasantly by all. The guests present represented chiefly the relatives of the bride's family, some of them from a distance. There were beside, a few intimate girl friends of the bride. One thing which gave an added interest to the occasion was the fact that their daughter's wedding day was also the anniversary of the wedding day of Col. and Mrs Baird. There were two couples to receive congratulations and they received them.

The presents were beautiful. Beside the many which the bride received from her large circle of relatives and friends, the bridesmaid and the groomsmen were suitably

remembered by the groom. Mrs Baird also was the recipient of a beautiful present from her new son-in-law. Mr Hebert's present to his bride was a diamond set gold watch with chain.

A dainty wedding luncheon was served at four o'clock presided over by the bride's mother and Mrs H Paxton Baird, after which the wedding party drove to the Queen Street station to catch the 5.30 express. A large number of friends were waiting at the station to extend congratulations. Amid showers of rice, confetti and old shoes Mr and Mrs Hebert took their departure for the West. They will make an extended trip going home by way of Boston, New York, Chicago and San Francisco.
