

ITS MERIT IS PROVED

RECORD OF A GREAT MEDICINE

A Prominent Montreal Woman Tells How Lydia E. Pinkham's Vegetable Compound Completely Cured Her.

The great good Lydia E. Pinkham's Vegetable Compound is doing among the women of America is attracting the attention of many leading scientists, and thinking people generally.

The following letter is only one of many thousands which are on file in the Pinkham office, and go to prove beyond question that Lydia E. Pinkham's Vegetable Compound must be a remedy of great merit, otherwise it could not produce such marvellous results among sick and ailing women:

Dear Mrs. Pinkham:
"Soon after my marriage my health began to decline. My appetite failed me; I was unable to sleep, and I became very nervous and had shooting pains through the abdomen and pelvic organs, with bearing-down pains and constant headaches, causing me much misery. The monthly periods became more and more painful, and I became a burden and expense to my family instead of a help and pleasure. Lydia E. Pinkham's Vegetable Compound cured me within three months. Soon after I began using it I felt a change for the better, and at the time of my next period I noticed a great difference, and the pain gradually diminished until I was well. I am stronger and look better than I did before I was married, and there is great rejoicing in the house over the wonders your medicine works."—Mrs. M. A. C. Letellier, 722 Cadieux St., Montreal, Quebec.

A BIG LOAD.

To the Editor of Carleton Sentinel:

If you will allow me space in a little corner of your valued paper I would like to say just a few words in favor of one of Knoxford's good pulling teams. The team referred to is owned by Thomas Longstaff who hauled 6,190 lbs to Brown's Siding, the heaviest load that has ever been hauled to the siding by two horses.

Come on boys, beat this if you can. Now if you want to know who I am, I'll tell you. H. H. Coughle, the man who took the tally of the load.

J. K. Flemming M.P.P. replied to Premier Tweedie's budget speech. Mr. Flemming went over the well beaten track as usual and made use of much stale criticism.

H. J. Gilman was here recently in the interests of the Hoegg concern. His firm has gone out of the fruit and vegetable business but will continue in the fish and lobster trade on the north shore.

We extend our thanks to those who so kindly sent us copies of this paper of the date Dec. 23rd.

We should be greatly obliged to receive half a dozen numbers of the issue of Mar. 17th, 1905.

Escaped an Operation
Mr. Alex. M. Finn, Inverness, N. B., writes:—"I have used Dr. Chase's Kidney-Liver Pills for derangements of the kidneys and liver and stomach troubles, and can certify that they did me a good deal of good. I can heartily recommend them to anyone suffering as I did."

Mr. Benjamin Franklin Smith M.P.P. has evinced a marked inclination to ask questions of the government. There is an old adage which covers the case. It will suggest itself.

IN THE NURSERY.

Every mother should be able to treat the minor ailments of her little ones. Prompt action may prevent serious illness—perhaps save a child's life. A simple remedy in the home is therefore an absolute necessity, and for this purpose there is nothing else so good as Baby's Own Tablets. These Tablets promptly cure all stomach and bowel troubles, break up colds, allay fevers, destroy worms, aid teething, and make little ones healthy and cheerful. Guaranteed to contain opiate or poisonous soothing stuff. Mrs. John N. Pringle, Forest Falls, Ont., says:—"I think I can thank Baby's life. He was badly constipated, but after giving him the Tablets he was relieved at once. I also find them good when he is at all restless, and feel I cannot say too much in their favor." Sold by all druggists or sent by mail at 25 cents a box by writing the Dr. Williams Medicine Co., Brockville, Ont.

Rev W. C. Matthews, a Methodist clergyman who had been ill for about a year, died at his home in St. John on Thursday night. His last charge was Exmouth Street church, St. John, which he gave up about a year ago.

THEY KNOW IT.

Thousands of people throughout the country know that the ordinary remedies for piles—ointments, suppositories and applications—will not cure.

The best of them only bring passing relief.

Dr. Leonard's Hem-Roid is a tablet taken internally that removes the cause of piles, hence the cure is permanent. Every package sold carries a guarantee with it.

It is perfectly harmless to the most delicate constitution. A month's treatment in each package. Sold at \$1.00. At any drug store, or The Wilson-Pyle Co., Limited, Niagara Falls, Ont.

Acknowledgement.

I hereby acknowledge the receipt in full of \$114.60, said amount being the entire sum due me by the Metropolitan Life Insurance Company of New York City, N. Y. in payment of a death claim held by my late husband against said company. I desire also to express my appreciation of the promptness and the kindness and courtesies shown me personally by the officers and agents of this company.

Mrs. W. E. EMBLETON.

When Mr. Flemming made his budget speech he said he was ready to run a fair election in this county with any government candidate. Mr. Flemming will get all the fight he cares for at the first opportunity. We do not wish to divulge any names but when the proper time comes Mr. Flemming and his two opposition colleagues, Mr. Smith and of course Mr. Simms, will find themselves lined up against the most formidable combination a tory ticket ever faced in Carleton. The county will be fully redeemed. Mark these words.

On Thursday of last week there was a fearful collision on the Carleton Branch of the C. P. R. near Bay Shore a couple of miles from Fairville. Two engines collided. William Rogers and Oliver Carrier were killed. Allan Worden and Murray Campbell received serious and very painful injuries.

A well dressed colored man arrived in St. John one night last week. He was journeying from Boston to Digby. He had plenty of money but could not secure hotel accommodation at the Winter Port. And this is the Twentieth Century! The brotherhood of man is not recognized in all places.

We have received from W. L. Creighton, advertising agent of the I. O. R., copies of five finely illustrated booklets descriptive of the people's railway and the country it traverses. We believe Mr. Creighton, whose address is Moncton N. B., would be pleased to send a copy of these to any person on request. The International is in the front rank to-day and with able men such as Mr. Creighton in charge will continue to show the way to all others.

Had Not Strength To Do His Work

Was laid up for a month and suffered greatly but cure came with the use of Dr. Chase's Remedies.

While Dr. Chase's Nerve Food is extraordinary as a system builder it is only slightly laxative and persons inclined to constipation and liver or kidney disorders obtain the best results by using Dr. Chase's Kidney-Liver Pills at the same time, taking one pill at a dose as often as is required to keep the bowels active.

MR. FREDERICK WHITTAKER, 906 Queen's Avenue, London, Ont., writes:—"I used nine boxes of Dr. Chase's Nerve Food and six boxes of his Kidney-Liver Pills for a run-down system and now feel like a new man in every way. Before beginning this treatment I had been laid up for a month, as I had not the strength to stand up at my work as machinist and suffered much from headaches, stomach troubles and pains in my legs."

"If I ever get run down in health again I shall not be long in trying these medicines, for I have proven their excellence." Dr. Chase's Nerve Food, 50 cents a box. Dr. Chase's Kidney-Liver Pills, 25 cents a box, at all dealers. The portrait and signature of Dr. A. W. Chase, the famous receipt book author, are on every box.

W. B. Belyea put in his shop window last Friday a magnificent Ficus Elastica, or as it is commonly termed, Rubber Plant. The plant has been greatly admired and is one of the most effective advertising schemes we have yet seen.

THE FAST PACE

that we lead in this present generation, wears out many a heart in comparatively short time. Hence that we use for racing purposes we treat with care and concern, machinery and other mechanical devices that we use continually we oil and keep in good condition, but the heart that must pump a whole lifetime, we neglect, overwork and abuse and only give it thought when it becomes weak and irregular and can no longer properly distribute our blood to all parts of our body. If we are living a fast life—dissipating or working hard, you must give your heart some treatment so that it can stand the strain.

DR. AGNEW'S HEART CURE is the best heart food. It will make your heart strong and healthy. It builds up the walls and tissues of the heart and enables it to distribute pure, clear blood to all parts of the body.

Mrs. J. Calcott, Stratford, Ont., says:—"I have used Dr. Agnew's Heart Cure with the best possible results. Before I secured it I suffered greatly with chronic Heart Disease and from nervousness and sleeplessness which it had induced. This remedy gave relief in 3 minutes and has brought back my usual health."

Dr. Agnew's Ointment and Liver Pills will relieve any case of piles in two or three nights.
