### GREAT HOCKEY.

Tuesday evening was a memorable one in the annals of hockey. In Ottawa the Rat Portage boys put it all over the champions of the world in the first match for the Stanley cup, and not to be behind the times or lacking in interest the Woodstock Groceriesmen and the 67th Regt. Band team alias Windjammers met in a fierce contest on the icy plain at the Century Rink. The result is yet in doubt. Both sides claim victory, but the referee, Mr. Loggie, seems to think the Windjammers got the verdict. The teams lined up like this:

WINDJAMMERS.	GROCERYMEN.
Keech goal	Holyoke
Rogers point	Stevens
C Brewer cover	Hall
Smith forwards	Clarke
Doak " "	O Sullivan
R Brewer " "	Jas Sullivan
Stone " "	True

James Sullivan, the star of the grocerymen, got leg weary somewhat early in the game and retired. E. Clarke took his place. Marvin Smith played like a professional. Stevens was a very able dealer. Once the referee tried to send James Sullivan to the bench for offside play, but the lashing James didn't want to go to the bleachers and feigned deafness. Doak put up a great game and so did Stone. Most people got the idea into their heads that after playing overtime the band boys won, 4 to 3. The other side claim a fair count would make the score read 5-3 in their favor. The spring is yet young. Will some captain of industry donate a cup or suitable trophy for another match? A long-suffering public demands a second opportunity of witnessing hockey as it should be played.

### Burglars.

Sunday night the stores of G. W. Vanwart and Fred D. Snider were entered by burglars. The thieves were evidently not out for dry goods, as nothing was taken from Vanwart's. Snider's place of business was not so fortunate. He keeps a line of jewelry and the midnight visitors helped themselves to some watches and other articles to the value of perhaps \$75 or \$80. The police are keeping their eyes peeled but it seems hard to get any clue to the guilty party or parties.

### Presentation to Donald Munro.

The members of the Fire Company invited Donald Munro, lately superintendent of water works, into the recreation room on Monday evening. When that gentleman entered he found himself face to face with members of the department and a few outsiders. Chief Tattersall on behalf of his men, presented Mr. Munro with two fine pipes in token of the friendly feeling that has always existed between the former superintendent and the company. The recipient made a happy and fitting response. Eulogistic addresses were made by Messrs Macleod, Baird, McKenzie, Sprague, Lindsay and others. All the speakers took occasion to voice the general regret at the loss of Mr. Munro's services. There seemed to be a feeling that the town for which he had done so much would be honoring itself in doing honor to him at some future occasion.

### Annual Meeting of Golf Club.

The annual meeting of the Woodstock Golf Club was held on Monday evening at the office of A. B. Connell, president. Reports were received from the various committees, and considerable business transacted. Officers for the ensuing year were elected as follows:—

President, Hon. Wendell P. Jones.

Vice-Pres., N. Foster Thorne.

Sec.-Treas., J. S. Creighton.

Additional members of General Executive:—A. B. Connell, George Mitchell, A. F. Garden, H. P. Baird, Mrs. J. S. Creighton, J. S. Rankin and Miss B. K. Dibblee.

Greens Committee, B. M. Macleod, H. P. Baird, N. F. Thorne.

House Committee, Dr. R. E. Guy Smith, Clarence Sprague and Miss J. Denison.

Several applications for membership were received and referred to the general committee. The sum of \$100 was voted to the Greens Committee as a first instalment. It was decided to build a fence around the club house. The secretary was instructed to get estimates on the cost of procuring water from the stand pipe. The members seemed to think connection with the town water service is quite essential. The matter of dates for outside matches was discussed. The majority were in favor of inviting the St. John golfers here for the 24th of May so that the return match will not be so late in the season. A recommendation of the greens committee to the effect that the location of Sunset Green be changed, was unanimously ordered carried out. The intention is to have the green a little nearer the brook. A somewhat useless bunch of copse near the tee on Elm Tree was ordered removed. Prospects for a fine golfing season are bright. Matches with St. John, St. Stephen and perhaps Fredericton are expected. A few have even talked of journeying to Charlottetown in July or August. It is expected that at least six would be willing to make the trip.

### The Knights of Pythias.

A few years ago Woodstock could boast of one of the finest K. of P. lodges in existence. Owing to removals and other causes local interest in the order has somewhat declined lately. There is no reason for the Woodstock lodge to lie dormant. This fine society has a splendid ritual, and there is plenty of good material in the membership. A strong effort will be made to set the lodge on its feet.

The Mite Society met last Tuesday evening at the residence of H Paxton Baird. Mrs Holyoke gave a solo, Miss Watts read and a quartette composed of Messrs Ross, Lockwood, Mrs Holyoke and Mrs Gibson rendered some fine selections.
