

Then please read : - When we say we employ a "Checking System" we mean that every ingredient entering a prescription is carefully checked by two competent persons and labelled with the initial of person dispensing and checking same.-Now this is not all bluff, but a method in actual operation and one we religiously observe and the fact that this is the only drug store in the county employing two registered druggists should carry some weight with you. See that your prescription bears our "check label" and you can rest assured you are getting the ideal service. All we ask is a trial.

ANNUAL SEED FAIR.

The third Annual Seed Fair at Woodstock was held in the Opera House on March 7th and was reasonally successful. There were not so many entries as last year owing to the busy season, as nearly all the armers had not been able to get their hauling done in the early part of the winter and are now rushing in their hay, oats, potatoes and wood | the Solicitor General's reply. as fast as possible.

The seed shown was, on the whole, of a superior character and proved that previous events of this nature had had a beneficial influence upon the quality of seed sown by farmers who had taken an interest in these shows.

The Wellington Athletic Club held their annual dinner at the Royal Cafe on Wednesday night The spread was a good one. After doing more than justice to Terry's delicacies, the flood gates of oratory were opened. Speeches were made by Pres Munro, Sec-Treas Wallace, Asst Sec Cole, Manager Townsend and Messrs Waite, Dalling, McKendrick, Lingley and others. Coun J S Leighton who was guest of honor made a witty and instructive address. The boys had a fine time.

## HEALTHY HORSES

The horse has but one stomach, and has but one chance at his food, so it is absolutely necessary to extract the largest amount of good from the food in its rapid passage through the stomach. As a rule, horses are either overworked or underworked, and it suffers much from impaired either overworked or underworked, and it suffers much from impaired digestion. This is followed by stagnation of the blood and a whole host of diseases. No trouble should be too great, to get and keep him in good shape for his every day work. Clydesdale Stock Food, with his ordinary feed, regulates his whole system by aiding the digestion, regulating the bowels, stimulating and correcting the action of the liver, loosening the hide, giving sleekness to the coat, and your horse will do more work and on less feed. It can be stopped at any time without bad results. Mr. D. B. McEachern, Harriston, Ont., says: "I have used your Clydesdale Stock Food for the last six months in my stable, and I find it is the best tonic I have ever used, and it is the only tonic that when clydesdale Stock Food for the last six months in my stable, and I find it is the best tonic I have ever used, and it is the only tonic that when using, I can stop at any time without bad results, and my horses will not lose in flesh like they will with other Stock Foods. No better remedies on the market than Clydesdale Heave Cure, Colic Cure, Worm Powder, Gall Cure, Embrocation Liniment and Tar Foot Remedy; they should be kept handy. You never can tell when they may be needed. If the above preparations are not found satisfactory your money will be refunded cheerfully by our dealers in your district, namely:
