## Drugging Children.

The mother who gives her little one "soothing" stuff when it cries surely does not realize that she is simply drugging it into temporary insensibility with a poisonous opiate. But that is just what she is doing. All the so-called "soothing" medicines contain poisonous opiates; they are all harmful—some of them dangerous, and should never be given to children. Baby's Own Tablets are sold under a positive guarantee that they contain no opiate or harmful drug. The Tablets speedily cure all stomach troubles, constipation, diarrhoea, and simple fevers; they break up colds, prevent croup, ease the pain of teething, and give healthy, natural sleep. When little ones are cross, peevish and ailing, give them Baby's Own Tablets, and you will find there's a smile in every dose. You can get the Tablets from any medicine dealer or by mail at 25 cents a box by writing the Dr. Williams' Medicine Co., Brockville, Ont.

**For Backache and Kidney Disease**  
Dr. Chase's Kidney-Liver Pills are the most prompt and effective treatment obtainable.

While this statement is strong and definite it is positively correct and is backed up by the evidence of cured ones in every part of the country. Mr. E. T. BEDARD, Lacarus Sables, Portneuf Co., Que., states:—"For two years I tried a number of different remedies for backache and kidney disease without obtaining any relief. Since having used Dr. Chase's Kidney-Liver Pills, however, I am happy to say that they have proven of wonderful benefit to me. I can certify that for me these are the best pills I have ever come across and we always keep them in the house. It will be a pleasure for me to reply to any who care to write me for further particulars of my case."

Dr. Chase's Kidney-Liver Pills, one pill a dose, 25 cents a box. To protect you against imitations the portrait and signature of Dr. A. W. Chase, the famous receipt book author, are in every box of his remedies.
