Hamilton's Hair Tonic.

This splendid preparation is put up by W. Hamilton, the Emerald Street Barber. It is a tonic and also a dandruff eradicator which stops the hair from falling out, promotes the growth, and keeps the scalp perfectly clean. It cures eczema and all scalp diseases. Read what a well known Woodstock man says of it:

Woodstock, N. B., Jan. 20, 1905.
This is to certify that I have used Hamilton's Hair Tonic and find it just what I claim to be. For fifteen years I have used various hair tonics, but none did me any good until I tried Hamilton's. It is the best. I would advise all to use it.

WM. SHEEHAN,
Head, Walter Carleton Hotel.
This valuable dressing is used by Mr. Hamilton at his parlors on Emerald street, next to Gallagher's Stable.—414

News from the Country.

East Florenceville.

At the weekly meeting of the Kismet Club on Monday evening the debate, "Regarding the advisability of moving the railway depot away from the business centre of the village," was carried out for a period of two hours. Wilcox, Bronsley and Powsett urging the transfer; Craning, Loveless and Milliken defending the present position. The arguments of both parties were well taken and placed needing a conscientious judge to ascertain the position most favorable. It was unanimously agreed that the "Stickney Brook" party were the fortunate ones. The business transacted was of not much importance. The following honorary members were proposed and accepted: G. F. Claremont, Morse, Gordon and Loe Chiderose. After the usual closing exercises a short program was rendered by various members which was greatly enjoyed by all present. Those selections most worthy of mention were: monologue, "A trip out west," C. M. Craning; banjo solo, "Twinkum, twinkum, twang," F. Loveless; recitation, "After a January thaw," M. Wilcox; quartette, "Don't you want to be a

member of the Kismet Club," Powsett, Milliken, Bronsley and Craning. The recitation "January thaw" was especially enjoyed by Mr. Wilcox responding to an encore. Many personal and written applications for admission have been received and the club has seen it advisable to issue the following conditions for admission—"All intending members must be 18 years of age, of good personal address and labelled 'This side up with care'. In all cases bill of lading must accompany goods and if of nervous disposition plainly marked 'Glass.' In no case can a member be accepted unless adapted to heat and cold, weighing 127 pounds to the bushel and standing the nerve test of listening one hour to the Club Quartette."

Royalton.

This is a busy place. Many of the people are busy hauling wood and hay.

The revival meetings are closed at Tracy Mills; much good has been done in the surrounding vicinity. Mrs. Zeph Mills had the misfortune to scald her hand. We are glad to hear that it is improving.

Our school is being taught by Miss Glenna White. She is much liked by all.

Clarence Cronkite of Presque Isle has been visiting at his home for a few days.

Miss Jessie Carmichael of Bridge-water has been visiting Miss Annie Wheeler the past week.

Miss Clara Tompkins and Miss Cecile Burr were the guests of Miss Lena Wade a short time ago.

Zera Kronkrite has moved in the house lately occupied by Mr. H. Weade.

A certain young man finds Lower Royalton very attractive of late. I wonder why?

Mrs. Fred Tracy and Mrs. Henry Cronkite were the guests of Mrs. Willard Tompkins on Tuesday.

We are sorry to hear that one of our young ladies is troubled with Pitz. MOSQUITO

In choosing apples be guided by the weight; the heaviest are the best, and those should always be selected which, on being pressed by the thumb, yield to it with a slight cracking noise. Prefer large apples to small, for waste is saved in peeling and coring them.

The Carleton Sentinel, New Brunswick's oldest paper, is a favorite visitor in the homes of all. Try it.

Always keep a bottle of it in the house. We have been saying this for 60 years, and so have the doctors.
