

# H.B.K. BRAND BIG SHIRT

Made big enough for a big man to work in with comfort. Has more material in it than any other brand of shirt in Canada. Made on the H.B.K. scale it requires 39 1/2 to 42 yards per dozen, whereas common shirts have only 32 to 33 yards.

That's the reason why the H.B.K. "Big" Shirt never chafes, the armpits, is never tight at the neck or wristbands, is always loose, full and comfortable and wears well.

Each shirt bears a tiny book that tells the whole history of the "Big" Shirt, and also contains a notarial declaration that the H.B.K. "Big" Shirt contains 39 1/2 to 42 yards of material per dozen.

Sold at all dealers but only with this brand:—

"Are you fond of music?" asked a stranger of the young man at the concert, who was applauding vigorously after a pretty girl had sung a song in a very painful way. "Not particularly," replied the young man, frankly, "but I am extremely fond of the musician."

"When you divided those five apples with your little sister did you give her three?" "No, ma. I thought they wouldn't divide even, so I ate one before I began to divide."

"So you really imagine that smoking benefits you, eh?" Jones—"I know it does. My mother-in-law leaves the room the minute I light my pipe."

### AN EMPTY COT.

By Winifred Armstrong. When the sun sets in the cold grey sky, And I call the children to rest, And tuck each one with a kiss, and a sigh, In their cosy little nest.

As I whisper soft in their sleepy ear—"God keep you safe all night," I find my eyes are full of tears "Though I try to keep them bright."

For away in a corner I seem to see In a quiet, darkened spot— A little form that is gone from me, And a little empty cot.

I pray God lesson the endless pain, To comfort the one, whose lot It has been to know the loneliness Of a little, empty cot.—Jan. Canadian Magazine
