

Red Rose Tea Uniformity

A TEA that is good to-day and poor to-morrow is unreliable.

Have you ever noticed variations in the quality of the tea you use? One package good, the next bitter, herby, perhaps weak and insipid.

A lack of expert knowledge by the tasters and blenders of that tea produced that result. There was a failure at a vital point, an ignorance of combining qualities in teas, poor judgment in the blending of that maker's teas, a weakness which invariably gives just such results as your poor tea.

Every chest of Red Rose Tea is tested at the gardens, again by the Eastern Red Rose shippers, then at the Red Rose warehouse upon its arrival before blending; after that an experimental blend is tested, and the final or actual blend is also tested before being packed.

Nothing is left to chance.

That is why that "rich fruity flavor" is always present in Red Rose Tea.

Why Red Rose Tea is always uniform, why

is good Tea

Frost Fences
Are Strong All Around

The laterals of a Frost Fence are High Carbon No. 8 Hard Steel Coiled Wire, thoroughly galvanized—that can't be broken until the strain reaches from 1500 to 2200 pounds.

The stays are No. 7 on this same No. 8 wire.

And the two wires are locked with the Frost Locks.

That makes the fence in all directions—up down and diagonally.

We are so sure that Frost Fences are the strongest and best that we guarantee to repair, free of charge, any fence that goes wrong. That's fair, isn't it?

Will the opposition please call a convention? They think an election is near.

AN END TO BILIOUS HEADACHE.—Biliousness, which is caused by excessive bile in the stomach, has a marked effect upon the nerves, and often manifests itself by severe headache. This is the most distressing headache one can have. There are headaches from cold, from fever, and from other causes, but the most excruciating of all is the bilious headache. Parmelee's Vegetable Pills will cure it—cure it almost immediately. It will disappear as soon as the pills operate. There is nothing surer in the treatment of bilious headache.

The legislature has still two more sessions to run. Is there any need for bringing on the contest this year?

Nervous Dyspepsia.—Mr. George Bowen, Spry, Bruce Co. writes: "I was troubled with nervous dyspepsia for some years, and after using nine boxes of Dr. Chase's Nerve Food I felt better than I had for years. Dr. Chase's Nerve Food is certainly the best medicine I ever used, and I say so because I want to give full credit where it is due."

Carleton will be redeemed! Messrs. Smith and Fleming's political funeral will be the next attraction.

Clark's Meats Save Coal and trouble. For something extra dainty try Clark's sliced Smoked Beef. Fine Beef thinly sliced and ready to serve.

The York County conservative organ made a great effort to dig up political capital from the banquet.

Nothing looks more ugly than to see a person whose hands are covered over with warts. Why have these disfigurements on your person when a sure remover of all warts, corns, etc., can be found in Hollo-way's Corn Cure.

Road Superintendents, we have on hand a large supply of Tax Notices. We can also supply School Secretaries.

Are you satisfied with the kind of oil you are getting, or do you want something better? If you want the best American oil just patronize the grocers who keep Electric Light Oil. This oil is not sold out of tank waggon.—tf-36.

The Gleaner has been sore on Mr. Carvell ever since he so effectually polished off the member for York in the railway debate.

Friends of "good government"! "Wouldn't that frost your test?" Better say friends of Langevin, Connolly, McGreevy et al.

THEY ARE NOT VIOLENT IN ACTION.—Some persons, when they wish to cleanse the stomach, resort to Epsom and other purgative salts. These are speedy in their action, but serve no permanent good. Their use produces incipient chills, and if persisted in they injure the stomach. Nor do they act upon the intestines in a beneficial way. Parmelee's Vegetable Pills answer all purposes in this respect, and have no superior.

There is no more likelihood of a local election this year than there is of an earthquake. Our opposition friends are surely premature.

Was Cured of Asthma.—"I first used Dr. Chase's Syrup of Linseed and Turpentine with my daughter who suffered from a severe form of asthma. The least exposure to cold would lay her up and she would nearly suffocate for want of breath. I must say I found it to be a most satisfactory treatment and it has entirely cured her." MRS. A. A. VANBUREK, Robinson Street, Moncton, N.E.

Mr. Hazen clever man that he is, must surely realize what an up-hill fight he has on his hands. Ten to thirty six is a fearful handicap.

If your children moan and are restless during sleep, coupled, when awake, with a loss of appetite, pale countenance, picking of the nose, etc., you may depend upon it that the primary cause of the trouble is worms. Mother Graves' Worm Expeller effectually removes these pests, at once relieving the little sufferers.

We do not wish to make any rash predictions, but we will venture the assertion that all signs point to a notable government victory in Carleton.

Those who carefully read Mr. Carvell's great speech on the Railway Question are wondering why the Gleaner is making such a fuss about what he said.

Minard's Liniment Cures Dandruff.

Always a Good Friend.—In health and happiness we need no friends but when pain and prostration come we look for friendly aid from sympathetic hands. These hands can serve us no better than in rubbing in Dr. Thomas' Electric Oil, for when the Oil is in the pain is out. It has brought relief to thousands who without it would be indeed friendless.

C. M. Sherwood, Centreville, wants Unwashed Wool and Smoked Hams. He offers Manitoba hard wheat for seed—price \$1.50. This variety, "White Fife", succeeds much better here than in Manitoba. When reproduced here the kernels are plump and much larger.

The T. H. Phair farm, Presque Isle, has been purchased by Asa A. Bishop and brother-in-law, George McKinney of Ft. Fairfield, the price reported being \$25,000. The farm is unusually fine and large, and contains many excellent buildings.

Cholera and all summer complaints are so quick in their action that the cold hand of death is upon the victims before they are aware that danger is near. If attacked do not delay in getting the proper medicine. Try a dose of Dr. J. D. Kellogg's Dysentery Cordial, and you will get immediate relief. It acts with wonderful rapidity and never fails to effect a cure.

Mr. Hazen told his hearers at the banquet that his experience taught him the government would bring on an election before the next session. Mr. Hazen's political experience has in the main been rather unsatisfactory to himself. We incline to the view that he is quite astray in his prediction.

Jeffries Out of Boxing.

New York, April 24.—The following telegrams were exchanged last night:

James J. Jeffries, Los Angeles: Every man has his price. What do you want to box Jack O'Brien twenty rounds for, at Tuxedo Club, Essington, Penn?

Tom O'Rourke, Los Angeles, April 23. Tom O'Rourke, New York:

Every man has his price, and every man has his day, too. I was in the boxing business once, but went out of it, and I do not intend to go back again. I'm a farmer, and am in the business for good. There's no chance that I will box Jack O'Brien, or anybody else at the Tuxedo Club, or elsewhere.

James J. Jeffries.

By Regulating the Food System

NEARLY ALL THE MOST COMMON ILLS OF HUMANITY ARE PREVENTED AND CURED BY

DR. CHASE'S KIDNEY-LIVER PILLS.

"When our food is properly digested and assimilated, the waste matter promptly excreted and all the organs working in harmony we are well. When any derangements of these functions occur we are sick."

If we wait to consider for a moment what a large proportion of such derangements arise from constipation of the bowels, torpidity of the liver and sluggish action of the kidneys it is not difficult to understand the far-reaching effects of Dr. Chase's Kidney-Liver Pills as a means of preventing and curing disease.

One of the results of our artificial modern life, and more especially that of winter, is too much eating and too little exercise. The liver and kidneys are overworked in their effort to remove the excess of waste matter, and when they fail in this work disorders of some kind are bound to arise.

It is usually with the liver that trouble begins. The bile which should be poured into the intestines to aid digestion and insure healthful action of the bowels is left in the blood to poison the system.

Headache, biliousness, liver complaint and constipation are followed by uric acid poisoning, kidney disease and rheumatism when the kidneys play out.

Dr. Chase's Kidney-Liver Pills begin by enlivening the action of the liver and bowels, and thereby effecting a thorough cleansing of the whole filtering and excretory systems. By this means constipation, biliousness, indigestion and all their accompanying symptoms are removed.

Then by their direct action on the kidneys they purify the blood of uric acid poison, which is the cause of rheumatism, backache, lumbago and all the dreadfully painful and fatal diseases of the kidneys.

In the newspapers have appeared from time to time thousands of letters from persons who have been cured by Dr. Chase's Kidney-Liver Pills. In the majority of the homes of Canada this great family medicine is constantly kept on hand as a preventive and cure for these common ills of life. One pill a dose; 25 cents a box; at all dealers or Edmondson, Bates & Co., Toronto.
