

# Sunshine Furnace

The "Sunshine" furnace and "sunny" ways are synonymous.

The cold, dreary winter days can be made cheery and warm with a pure, healthful heat if you have a "Sunshine" furnace.

Is easier to operate, cleaner, uses less fuel and "shines" in many other ways over common furnaces.

Two shakers are used to shake the heavy, triangular-shaped grates. This just cuts the work of shaking-down in half, besides being easier on the furnace than the old one-shaker style.

Sold by enterprising dealers everywhere.

Booklet free.

## ALFONDLY 0149

Two-year-old record 2.25; Three-year-old race record 2.12, on half-mile track. Trial on half-mile track in 2.07.

UNDOUBTEDLY THE FASTEST AND SOUNDEST STALLION IN THIS SECTION.

One-quarter the blood of famous old Blue Bull 75; one-quarter the blood of George Wilkes 519. Fine crosses of American Eclipse and Mambrino Chief 11.

ALFONDLY will be at **MARS HILL, Me.**, every **TUESDAY**, and at **WOODSTOCK**, Boyer's Stable, every **THURSDAY** and **FRIDAY**, until 3 p. m. The remainder of the time he will stand at owner's stable, **CENTREVILLE**. Season will start May 1st and end August 1st.

To place his service within the reach of every one the terms will be—\$10.00 for the season, \$5.00 to be paid at time of first service, note for balance, payable 1st of September. \$15 to warrant mare with foal, \$3 to be paid at time of first service, in every case balance when mare proves with foal. Mares sent from a distance will be carefully looked after. All mares at owner's risk. Mares disposed of on order with foal. Mare and colt holden for service of horse. For further information extended pedigree write or telephone.

F. D. TWEEDIE, Centreville, N. B.

Two-year-old race record 2.25; three-year-old race record 2.12. As a two-year-old he started in seven races, winning six of them. As a three-year-old he started in twelve races, winning eleven of them and getting third place in the other against all ages. Alfondly has a full sister, "Faustina Smith," with a three-year-old race record of 2.18.

Alfondly's colts are all good size, and those from well bred mares are showing exceptional speed. The one advantage claimed for Alfondly over all other standard-bred stallions in this section is, that bred to ordinary mares he produces good sized, well made general purpose colts.

Alfondly will be at John Mallory's, Jacksonville, Wednesday night, and at William Davis', Waterville, Friday night during the season.

Alfondly is an exceptionally fine individual, and his breeding is perfect. Always bred to the best.

### News from the Country.

#### Knoxford.

A few young folks from Tracy Mills spent a very pleasant evening at the home of James Toms.

I wonder why the young man stopped at Orchard Corner the night of the candy party.

Chas McGrath intends to build this spring. I see he has purchased the frame.

Boys look out for the white face horse this summer; the new house may be very tempting.

We are glad to see that Ernest Carlisle has bought a new sawing machine.

The young lady that left the primary class we are glad to see is learning to Reid.

Boys never mind the warden but look out for the dear that the yankee let go there will be duty to pay now.

Charles Margison intends building a new house this spring.

We would advise the young masons to hurry and complete their trade.

We are sorry to see that one of our young men is getting feeble; we see he carries a Cain.

I wonder who put one of our young men in boss. I see he is hiring his men for the drive.

Boys did you ever hear tell of a gray bird getting left before?

We think that Mack Fulton intends to keep poultry; we see that he has got the frame for the coop.

Theodore Cain has returned from a visit to St John.

Lenord Bastley has purchased a driving horse.

I wonder where the young man who wears glasses was Sunday?

#### CRIPPLING SCIATICA

A Sure and Certain Way to Cure this Terrible Torture.

There is just one sure, scientific cure for sciatica, rheumatism, lumbago, neuralgia, headaches—you must drive the pain from your blood and nerves with Dr Williams' Pink Pills. Liniments never cure nerve and blood diseases. Dr Williams' Pink Pills strike straight at the cause because they actually make new blood. Through the blood they conquer the painful poison, soothe the nerves, loosen the muscles and banish every ache and pain. Mr Thos J Etsell, Walkerton, Ont, says: "When I began using Dr Williams' Pink Pills I had been off work for three months. The cords of my right leg were all drawn up and I could only limp along with the aid of a stick. The pain I suffered was terrible. Only those who have been afflicted with sciatica can understand the misery I was in both day and night. I took six boxes of Dr Williams' Pink Pills before they helped me, but after that every day saw an improvement, and by the time I had used fifteen boxes, every vestige of the pain had disappeared. I have no hesitation in pronouncing Dr Williams' Pink Pills the best medicine in the world for sciatica."

Every dose of Dr Williams' Pink Pills makes rich, pure, health-giving blood. That is why they cure headaches and backaches, indigestion, kidney and liver troubles, anaemia, heart palpitation, and the ills that afflict woman only. But be sure you get the genuine pills with the full name, "Dr Williams' Pink Pills for Pale People," on the wrapper around each box. Imitations are worthless—often dangerous. All medicine dealers sell these pills or your can get them by mail at 50 cents a box or six boxes for \$2.50 by writing The Dr Williams' Medicine Co, Brockville, Ont.

#### Tracey Mills.

What has become of our illustrious correspondent who signed his name Corn Stalk? History it seems has been repeating itself. It bloomed and flourished for a time, then dried up and passed away, perhaps to the neighbouring Republic.

On Wednesday the 18th, Miss Lottie Sloat left for Worcester, Mass, where her sister is engaged as nurse in the City Hospital.

James Toms and family of Knoxford were surprised on Friday evening by a double sled load of young people from this place. All express themselves much pleased with the evening's entertainment.

We are glad to learn that Miss Bertie Sinnett has recently recovered from a severe attack of la grippe.

Hedley Sloat is at present in the employ of B F Smith, Florenceville.

Mrs J W Page is visiting her daughter, Mrs H G Perry of Fredericton.

On Monday the 16th, several of the young people of Royalton spent a very enjoyable evening at the home of H G Miller. A midnight lunch was served, followed by games and music.

G W Dixon and daughter intend spending the summer at Fort Kent.

D Winfield Carrier and Ester A Hartley have gone to Lawrence, Mass, where they are engaged in carpenter work.

Wm Trafford is about to add a bent to his residence.

#### STATE OF OHIO CITY OF TOLEDO, Lucas County.

Frank J Cheney makes oath that he is senior partner of the firm of F J Cheney & Co, doing business in the City of Toledo, County and State aforesaid, and that said firm will pay the sum of ONE HUNDRED DOLLARS for each and every case of Catarrh that cannot be cured by the use of Hall's Catarrh Cure. FRANK J CHENEY Sworn to before me and subscribed in my presence, this 6th day of December, A D 1886. (SEAL) A W GLEASON, Notary Public.

Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces of the system. Send for testimonials free.

F J CHENEY, & CO. Toledo, O. Take Hall's Family Pills for constipation.

#### Pembroke.

As we have not seen any items from this place we thought a few would not come amiss.

The snow is all gone and the roads are in a bad condition.

George Cogswell of Fort Fairfield is spending a few days with friends in this place.

The many friends of Mrs Ziba Gray are glad to learn that she is able to be out again.

Mr and Mrs Ruben Robinson of Lower Brighton were the guest of Mr and Mrs Melville Gray on Sunday.

Mrs C W Betts and Miss Sadie Shaw were visiting Miss Beulah Shaw of Lansdowne.

Verdy Betts of St John was the guest of Miss Sadie Shaw last week.

Mrs Ziba Gray and Miss Ida Robinson were the guests of Mrs Rigby Shaw on Monday.

Fraser Robinson of Newburg Junction made a flying trip to Pembroke on Saturday.

E Robinson of Northampton made a flying trip to Pembroke one day last week; his mother, Mrs Robinson, returned home with him after spending a few weeks with her brother, Elisha Gray.

Mrs Fred Kent has returned to her home in Bath.

Thomas Bragdon lost a very valuable horse last week.

#### Oakville.

Times are gay in town just now and parties are the order of the day.

Spurgeon Carpenter has had his house plastered and it is about ready for the finishing. When completed Mr Carpenter will have the most commodious house in this part of the country.

The Methodist people are busy finishing the new horse shed at their church here. The good work was started by Rev Mr Ives, but seems to be moving slowly since his departure.

What young man lost both "birds" on Sunday night?

Rev W Taylor held appropriate Easter services in the church here, and the music was excellent being much admired by the large congregation in attendance.

The carpenters are busy on the interior of the new Church of England and when finished the congregation will have a building of which they may be justly proud—one of the prettiest country churches in the province.

We understand that E L Carter has rented his farm to Thos Gartley for the year and intends going to Uncle Sam's for the summer.

R W Wolhaupter has returned after an absence of six months in the woods of Maine. From his appearance he has been well used—his many friends are glad to see him back.

#### Brookville.

Some of the girls are wearing long faces, as the roads refuse to dry up, and they are beginning to fear that those long-promised drives will never take place.

Mrs Deborah Jones of Hartland is the guest of her daughter, Mrs W B Jones.

It isn't every Friday night that two young ladies, attended by their escorts, pass down "Lovers Lane" to the yellow house. No wonder the owl whooped!

Douglas Tracy and little son, Joe, of Tracy Mills spent Thursday in this place.

We are glad to report that W B Jones' youngest daughter, Mary, is recovering from her recent illness.

"Peter" did not make his regular trip last week. Guess the roads were too muddy for him.

J R Jones is confined to the house by a severe cold.

Mrs J W DeLong, sr spent a day recently at W B Jones'.

A certain young lady of this place talked strongly of going to "Hamilton" last fall, but to judge by present appearances we are inclined to think that she is perfectly pleased with "Canada" now, without making any change.

Mr and Mrs James Tompkins were visiting at Wm Armstrong's one day last week.

Frank B Armstrong, who has been attending College at Sackville, N B, was calling on friends here, one day during his Easter vacation.

Fred L Crandlemere is suffering from a severe cold, and the girls are looking sad.

Ruth A Jones is convalescing.

Hello for now.

ROBIN KED BREAST.

Minard's Liniment Cures Colds, etc.

#### Biggar Ridge.

Hello, Biggar Ridge, how is everybody?

Spring is here again, and the recent rain storms in this locality, having raised the water to such an extent in some places as to overflow bridges, and therefore making them almost impassible.

Samuel Dow and Harvey Biggar are busily engaged in making sugar, but report that this is not a very favorable season.

Mrs Charlie Dewitt and Miss Howard were the guests of Mrs Harvey Biggar on Saturday last.

Miss Luella Biggar was the guest of Miss Iva Dow on Sunday last.

We are glad to hear of the safe return of Hazen Biggar who for the past two months has been visiting relatives and friends in Providence, R I.

A certain young man of this place makes frequent calls at the grey house. I wonder why?

Miss Edith Biggar, who has been staying with her sister, Mrs Brooker, has returned home.

Samuel Hoyt, Garfield Biggar and Hazen Biggar made a flying trip to Glassville on Friday last.

We are glad to hear that the church at Biggar Ridge is completed.

Chalmers Somerville who has been away for the past few days has returned home.

Many of the young men of this place expect to go stream driving this week. Boys we wish you good success.

Thanking you for your space, and hoping these may not find their way to the waste basket; I will write again.

#### Royalton.

Spring has at last arrived but the snow seems very loth to leave.

Many of the Normal students and school teachers of this place spent their Easter vacation at home.

The marriage of Burden Allen and Mrs Almeda Parks was solemnized by Rev Binney Freeman of Centreville, April 18th. Mr and Mrs Allen will reside in Centreville.

Miss Roxy White of B C spent last week with her friend Neva Simonds.

The truth of the old saying "absence makes the heart grow fonder" was proved by one of our young men Easter Monday. The deep water at the gate made no difference.

Mr and Mrs Ezra Cronkite have returned to their home in Royalton. They have been spending the winter with her parents in Presque Isle.

The young man who kept the Greenfield road open this winter must have worked very hard as he looks so white this spring.

Miss Shirley Peterson is still dealing out knowledge to the youngsters of Royalton.

Our popular young baker has decided that he cannot make a success of that business and is thinking some of going away to school.

Mrs Ellen Smith, who has been confined to the house for two years, seems to be improving as she was out visiting last week.

Chas A Simonds who has been quite ill is now recovering.

#### THE CALIFORNIAN.

Vancouver, B. C.

Misses A Maud and Ella B Burpee arrived here from Boston on the 10th ult. They are trained nurses, which profession they will follow in this city. Their home will be with their father, 646 Gore Ave.

Frank D Burpee of Upper Woodstock arrived here on the 20th of March and is employed at Letson & Burpee's.

Rev W B Wiggins, pastor of R B church, has resigned. Rev G B McDonald will succeed him.

Get

SCOTT'S

Emulsion

When you go to a drug store and ask for Scott's Emulsion you know what you want; the man knows you ought to have it. Don't be surprised, though, if you are offered something else. Wines, cordials, extracts, etc., of cod liver oil are plentiful but don't imagine you are getting cod liver oil when you take them. Every year for thirty years we've been increasing the sales of Scott's Emulsion. Why? Because it has always been better than any substitute for it.

## WELL KNOWN IN JARVIS, ONT.

Haldimand County Councillor tells how Psychine cured his Lung Troubles

"I contracted a series of colds from the changing weather," says Mr. Bryce Allen, a well-known resident of Jarvis, Ont., and a member of Haldimand County Council for his district, "and gradually my lungs became affected. I tried medicine and doctors prescribed for me, but got no relief. With lungs and stomach diseased, nervous, weak and wasted, I began to use Psychine. With two months' treatment I regained my health. To-day I am as sound as a bell, and give all the credit to Psychine."

There is a proof of what Psychine does. It not only cures Colds and kills the germs of LaGrippe, Pneumonia and Consumption, but it helps the stomach, makes pure, rich blood and spreads general health all over the body. You will never have Consumption if you use

SYNOPSIS OF CANADIAN NORTH-WEST

Homestead Regulations.

ANY even numbered section of Dominion Lands in Manitoba, Saskatchewan and Alberta, excepting 8 and 26, not reserved, may be homesteaded by any person who is the sole head of a family, or any male over 18 years of age, to the extent of one-quarter section of 160 acres, more or less.

Entry may be made personally at the local land office for the district in which the land is situated, or if the homesteader desires, he may, on application to the Minister of the Interior, Ottawa, the Commissioner of Immigration, Winnipeg, or the local agent receive authority for some one to make entry for him.

The homesteader is required to perform the conditions connected therewith under one of the following plans:

(1) At least six months' residence upon and cultivation of the land in each year for three years.

(2) If the father (or mother, if the father is deceased) of the homesteader resides upon a farm in the vicinity of the land entered for the homesteader as to residence may be satisfied by such person residing with the father or mother.

(3) If the settler has his permanent residence upon farming land owned by him in the vicinity of his homestead, the requirements as to residence may be satisfied by residence upon the said land.

Six months' notice in writing should be given to the Commissioner of Dominion Lands at Ottawa of intention to apply for patent.
