# "Coughs and Colds"

Colds are the most danger ous of all forms of disease. A neglected cold leads to Bronchitis, Consumption, Pneumonia. "Coughs" are the result of irritated bronchial tubes. "PSYCHINE" cures coughs by removing the irri-tating particles and healing the nflamed membrane. It is a germicide and destroys the tubercle germ. It is a tonic that strengthens the lungs, the liver, and tones up the system. It makes for better health in all conditions of humanity. Get strong and the cough will disappear. "PSYCHINE" makes weak people strong. It cures coughs of the most obdurate kind and breaks up a cold in a few hours.

DR. T. A. SLOCUM, Limited 178 King St. W. Toronto, Canada

John Graham, 106, of Maxwell, York County.

It is a very rare person who reaches the advanced age of 106. John Graham a highly esteemed resident of this place has the honor of having reached such an advanced age. What is more remarkable is that he is in full possession of all his faculties and as active and smart as many half his age. He attends to the farm stock and thinks nothing the robins singing. of walking two miles or more. Mr Graham was born in County Derry, Ireland, and came to Canada 65 years blood or constitutional disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally and being full of Irish wit. His memory is a storehouse of useful information, and an evening spent in his company passes away only too soon. His descendants include 7 children, 36 grandchildren, and 1 great grandchild in whom he takes great delight. Mr Graham has been a life long Orangeman and never fails to walk on the glorious twelfth. In politics he is a conservative, and by religion he is a good Presbyterian. We all feel proud of having one who has seen so much of life among us. May he see many more years of the joy and contentment which he now enjoys. Mr Graham has been a widower 7 years. His wife died very suddenly being found dead in bed in usual health .- (Com.)

Mr P Gorey of Johnville one of the | the estate. best known and most highly esteemed residents of that flourishing settlement, was in town on Saturday, and received the glad hand from his many friends here.

The most talked of event is the swell entertainment of the season by the ladies of the church of England | a few days visit to the country. in Burtt's Hall on Monday evening, hereafter. .

Clark Bros mill, Rockland, was burned to the ground on last Thursday evening. Hard on the boys who at heavy expense had put in a large amount of machinery and not more than two or three weeks in operation. A rotary saw, planer, new shingle machine, lath machine and roller grist mill among the ruins. They have the sympathy of the people far their loss.

The news of the death of Walter Scott Dickinson at Pitkin, Colorado, has reached friends here. He was born in Wakefield, Carleton County, April 29th, 1845, and left here in 1870. He spent some years in Pennsylvania where he was twice married; by his first wife he had three children and two by the second, all of whom are dead. His second wife survives him. Mr Dickinson was a prominent man in Pitkin; twice mayor of the city and a number of years town trustee. He followed merchandising for the last 16 years, made property and left his widow in good circumstances. Very many in Carleton will remember him. He was buried by the Odd Fellows and Rebekah Lodges of which he was a member and the

town council were the pall bearers. Had we not known different the 1st day of February might well have been taken for the first day of April, the sun shining, snow melting and

Catarrh Cannot be Cured Hall's Catarrh Cure is taken internal remedies. Hall's Catarrh Cure is taken internally and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quack medicine. It was prescribed y one of the best physicians in this country for years and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarrh. Send for testimonials free.

### The Struggle for Breath

IN ASTHMA AND BRONCHI-TIS IS PROMPTLY RELIEVED BY

Chase's Syrup of Linseed and Tur- doubt. We expect a little finesse pentine in relieving the terrible even in a murder plot but in this case paroxysms of asthma and the hard, it was conspicuous only by its abdry cough of bronchitis, and in sence. There are aspects of the case positively curing these ailments, is which form a sad commentary on the best proof that it is far more modern life. Sensational writers than a mere "cough mixture."

This well-known medicine is com posed of a number of simple yet daily chronicles of our times.

at a drug store.

Persons who have suffered from

asthma for years tell us that they never found anything to bring such prompt and lasting relief. Sufferers from bronchitis have a similar experience, and, while this medicine is not recommended as a cure for consumption, it does bring wonderful relief from the dreadful cough that so tortures the weakened patient. Mrs Richmond Withrow, Shuben-

acadie, Hants Co., N S-"I have used Dr Chase's Syrup of Linseed and Turpentine with good success. My second daughter was troubled with bronchitis from the age of three weeks. Oftentimes I thought she of much use, but the first dose of Dr | the surrounding country. Chase's Syrup of Linseed and Turmany times its cost."

The Extended Popularity of

Induces Speculators to Intro-duce Weak and Worthless Imitations.

DIAMOND DYES, true home help: ers and money-savers for mothers and wives, are dear to every woman's

Recently, speculators have gone into the package dye trade with the view of gaining a share of the immense and ever-increasing trade held by the manufacturers of the DIAMOND DYES, but all such efforts will, as in the past, result in failures.

The crude and worthless dyes brought out in opposition to the DIAMOND DYES, can never become popular, for the simple reason that they have not one good quality to boast of. The merchants of Canada who were induced to buy these adulterated package dyes now find them dead and worthless stock.

and dealers of Canada sell only the DIAMOND DYES, which have an established reputation of over twenty-five years. The modern the merchant has not the time or inclination to encourage the sale of worth-

less and deceptive goods. If our Canadian women desire full, brilliant and fast colors, they should at all times ask for the DIAMOND DYES, the only guaranteed package dyes in the world. When buying package dyes, see that the words DIAMOND PACKAGE DYES are on each packet handed out by your dealer. Wells & Richardson Co., LIMITED, MONTREL, P. Q., will send free to any address their New Dye Book, Card of Dyed Samples, and new book in verse entitled "The Longjohns' Trip to the Klondike." This little book is interesting thousands.

OUR LONDON LETTER.

(Special to "Sentinel")

London, Feb 8th-After the revelation at the Watt trials in London, which terminated with a sentence of five years penal servitude for one who was once a member of parliament, no one ought to question the probability of the most extravagent tranapontine drama. His Lordship Mr Justice Phillimore, described the case as the most remarkable of modern times, If the story is a true one, then the question of the sanity of the prisoners may very reasonably be raised. The plans for ridding himself of his wife were at some stages of the alleged plot so transparently clumsy and bungling that one cannot help thinking Mr Watt's The wonderful success of Dr mental state was a matter for grave need not cudgel their brains for plots. Romance and tragedy abound in the

powerful ingredients, which are of When Shakespeare propounded his proven value in the cure of diseases famous inquiry as to what was in a of the throat, bronchial tubes and name he doubtless did not include lungs. It is prepared by a long and kings in his catalogue. They have tedious process, that cannot be to make choice from a variety of carried out in filling a prescription names, and Albert Edward is not the first to have discarded his first name The ingredients are always fresh for a second, though his choice was and of the best quality obtainable, limited to the two. His son will for the reputation which Dr Chase's doubtless call himself; George V., Syrup of Linseed and Turpentine | though he might call himself Ernest has built up in years of success must or Albert. Had Prince Albert Victor be maintained by every bottle that lived he might have selected Edward VIII, to follow his father, though there were four to chose from. The present Prince of Wales' eldest son may make a choice from Edward, Albert, Christian, George, Andrew

Patrick and David. The late Queen discarded Alexandra in favor of Victoria, although

the present Queen retains it. John is the most unlucky name for a king, and the catalogue of misfortunes from which they have suffered would cause even Job to cheer up. Scarcely a sovereign of the name has enjoyed a peaceful reign.

The popularity of automobiling in this country is likely to lead to a revival of the gazebo. A gazebo is not a zoological freak, as the name would choke to death. The several | might indicate, but a variety of sumremedies we got did not seem to be mer house with an extensive view of

"When the tide of coaching traffic Sold in Woodstock by Geo. F. Smith John Graham pentine brought relief and further continually ebbed and flowed along treatment made a thorough cure. the great trunk roads," says that This trouble used to come back from | Car "no house was complete without ime to time but the cure is now its gazebo, to which residents resortpermanent. Dr Chase's Syrup of ed to watch the passing of coaches. Linseed and Turpentine has saved It was so situated that it commanded us many doctor's bills, and I would a view of the traffic in both direction. not be without it in the house for There are two or three such structures still remaining on the Bath Dr Chase's Syrup of Linseed and road, just beyond Brontford, while a Turpentine, 25 cts. a bottle, at all little further west, at Granford, is another specimen. For there ex-Insist on seeing the portrait and amples of the gazebo, but of a more substantial character, are by no means common, in some parts of Somerset.
