Mrs Tappan Adney appeared in Police Court on Monday making complaint against J N Chute in a charge of common assault. She discarded the lawyers, and conducted her case in person. Her story was to the effect that she and Chute both claim the right to a ten acre portion of the Sharp Nursery. Chute believes he bought, Mrs Adney claims otherwise. At any rate there was trouble over the fruit and a few days ago the rival claimants met on the disputed territory. Mrs Adney says Chute laid hands on her, trying to put her off the place. The defence called no witnesses. The magistrate sent the case up for trial in October. Mr Connell K C appeared for Chute.

MR. W. J. GAGE TELLS OF THE GROWTH OF THE CONSUMPTIVE HOSPITALS IN MUSKOKA

Accommodation at Free Hospital Increased by Twenty-five Beds

URGENT CALL FOR FUNDS TO MEET INCREASED BURDEN FOR MAINTENANCE

Dear Friend:—

Contributions from rich and poor, young and old, received by the Free Hospital for Consumptives, tell of the love and charity toward the great work carried on in Muskoka.

Thousands from all parts of Canada not only sent their "God bless the work" but their money also to help to answer their prayers.

The poor widow out of her hard-earned savings, telling how her own heart was made lonely through the dread scourge, as well as the rich insurance companies, have sent their gifts.

2,000 patients have been cared for since the opening of our Homes in Muskoka. 560 of these were treated in the Free Hospital. 150 patients in these two Homes to-day, show how this life-saving work has grown.

Premier Whitney, replying to a large deputation in the interests of the National Sanitarium Association, stated that "personally he thought \$100,000 would not be too much for the Government to set apart for this work."

Seventy-five patients to be cared for in the Muskoka Free Hospital for

Consumptives means a large weekly outlay. The Trustees accept this obligation, believing the needed money will be forthcoming.

The world is full of good and generous people ready to give. But they want to be sure that their money is wisely spent. In no other place can your money do so much good.

The growing knowledge of the contagious character of the disease has made the lot of the consumptive poor a hard one.

The Muskoka Free Hospital is to-day the only place where a sufferer in the early stages of consumption is admitted free.

Will you not help to save the life of a sick one to whom all other doors are closed?

What greater blessing could crown your giving, than the knowledge that it helps to snatch a fellow-being from the very jaws of death?

\$50,000 is wanted for the coming year. Will you join in this greatest of all charities?

Faithfully yours,

W. J. GAGE.

Toronto, Can.
