

News from the Country.

Central Newburg.

We are having some wet weather now but we hope it will be over with soon as it makes it bad for the farmers that are behind as some of our young men seem to be kind of dragish at hay making this year.

Mrs Alfred Culbert and little daughter Helena, Lowell, Mass, have come home to keep house for her father, Mr Michael Gallagher.

Mr John Montague is getting along nicely with the shed he is building to his barn.

Our school started 15 inst and is taught by Miss Wetmore, Lower Woodstock, and she is well liked by all the scholars.

The Misses Mary Malaney, Mary and Nellie McKeown and Louise Powers, Woodstock, Leo McCarron, Bruce Gallagher and Mr and Mrs Daniel Gallagher, Guy and Helen Gallagher, Danville were the guests of Mrs Patrick Montague, Sunday 19th inst.

The pie sale held at William Gallagher's, Aug 20th, came off very successful, amount to about \$28.00. The Newburg boys are the fellows.

Little Wilfred Gallagher the youngest son of William Gallagher got his feet badly burnt a few days ago we hope he will be all right in a few days.

One of our oldest friends, Mrs Mary A Johnson passed away in the evening of the 8th inst at the age of 87 years. May she rest in peace. Amen.

Fred Howels and Helen his little daughter visited Mr and Mrs Patrick Montague a few days ago.

Mr and Mrs Geo Gallagher, Newburgh, Jct visited friends in this section the 23inst.

Quite a few of the young ladies visited Miss Wetmore one evening last week at the home of Mr William Gallagher.

A MOTHER'S STORY.

She Tells How Dr Williams Pink Pills Saved Her Daughter.

Anaemia is the doctors name for bloodlessness. It is an ailment that effects almost every girl in her teens. Womanhood makes new demands upon her blood supply that she cannot meet. Month after month her strength, her very life, are being drained away. No food and no care can do her any good. No common medicine can save her. She needs new blood. New blood is the one thing—the only thing—that can make a healthy woman of her. Dr Williams Pink Pills actually make new blood. That is why they never fail to cure anaemia. That is how they save from an early grave scores of young girls whose health and strength depend upon their blood supply. Mrs Anson Clark, Arden, Ont, says:—"Dr Williams Pink Pills have been a great blessing in my family as two of my daughters have used them with marked success. When my eldest daughter was about seventeen she began to fail in health. Her blood seems to have turned to water. She was troubled with headaches and dizziness; the least exertion would cause her heart to palpitate violently and she could not walk up stairs without stopping to rest. She doctored for upwards of a year, and the doctor said she did not have as much blood in her body as an ordinarily healthy person would have in one arm. The doctor's treatment did not do her a particle of good. She seemed slowly fading away. Then she became afflicted with salt rheum and her hands were almost raw. About this time a neighbor advised the use of Dr Williams Pink Pills and she began taking them. After using the pills for a few weeks we could see an improvement, her appetite began to improve and a trace of color came to her cheeks. She continued taking the pills until she had used thirteen boxes when she was as well and strong as ever, every trace of both the anaemia and salt rheum had disappeared and she has since enjoyed the best of health. Later on my youngest daughter aged fifteen began to lose her health, but thanks to our experience with Dr Williams Pink Pills we knew where to look for a cure and after using four boxes of pills she was all right again. I have also used the pills myself for nervous troubles with complete success."

Rich red blood is the secret of health—Dr Williams Pink Pills is the secret of rich red blood. They actually make rich red blood, that is why they cure anaemia, headaches and backaches, indigestion, nervous prostration, heart palpitation, neuralgia, rheumatism, sciatica, St Vitus Dance and the ailments that make the lives of so many women and growing girls miserable. Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr Williams Medicine Co, Brookville Ont.

Minard's Liniment for sale everywhere.

Rev W J Fowler's Letter from N. S.

This summer the weather has been unusually hot for the sea side province. The heat still continues, yesterday being one of the hottest days in August. Owing to the cold and backward spring, haying began later than usual. While some of the farmers have finished haying, yet many of them have still more or less to gather in.

Last week the survey party, consisting of about fifteen men, engaged in surveying the proposed line of railway up the Musquodoboit Valley, left here and moved to the Upper part of the Valley. If this line should be built in the near future it will be a great boon to the Valley and will open up an important section of country to railroad facilities.

There is a large number of visitors here this summer. Many have come from the cities for a short visit, during the heat of the summer, to see relatives and friends. Rev Mr Cruikshank with part of his family is at present on a visit from Montreal to his old home. A few Sabbaths ago he occupied the Presbyterian pulpit here and who heard him were delighted with his earnest and eloquent exposition of the Word.

Disease takes no summer vacation.

If you need flesh and strength use

Scott's Emulsion

summer as in winter.

SCOTT & BOWNE, Chemists, Toronto, Ont.

50c. and \$1.00; all druggists.

Biggar Ridge.

Not seeing any items from this place for quite a while I thought I would try and scribble off a few.

We had a nice rain which we needed very badly.

M Welch has men to work putting up telephone poles from Foreston to the forks.

Prospects begin to look bright for telephones in this place.

Hazen Biggar made a flying trip to Woodstock last week.

Harvesting will soon be here by the look of the grain. Crops are reported quite good.

James Lawson died at the home of Samuel Dow on Sunday 19th, deceased has been sick for over a year with that dreaded disease consumption, he leaves a father, mother, wife and two children to mourn their loss.

Our school is progressing nicely under the management of Mr Wheeler as teacher.

Laura Biggar who has been spending some time with Mr Moody Brookier has returned to her home.

Myra Biggar who has been visiting relatives at Bristol has returned home.

We are glad to see our church so near finished.

Alma Biggar was the guest of her cousin Laura Biggar on Sunday last.

One young man of this place is constantly growing grey.

Mr and Mrs Daniel Jones was the guest of Mr and Mrs Harvey Biggar one day last week.

If this doesn't find its way to the waste basket I will write again.

JACK and JILL.

Brookville.

Nearly all about here are harvesting and taking advantage of the fine weather.

A number from this place enjoyed a pleasant trip to the blue-ry plain. All came back with lots of berries and report a good time.

Please don't talk so loud next Sunday night when you are getting home from camp meeting, as you break lots from their rest. That is a good advise to a new couple on their first trip.

Our school is vacant at present but will start Sept 3rd being taught by Miss L Myrtle Good from York Co.

That fellow with a brown horse is often seen wending his way towards Good Corner. "Look out for the wheat."

Miss Margaret Emery of Pioneer was calling on friends in Brookville on Monday last.

Our popular agent Frank B Black passed through this vicinity one day last week. John Graham accompanied him.

The only daughter of J R Jones has been on the sick list. We wish her a speedy recovery.

Fred L Crandlemire is engaged helping W B Jones get his harvest.

A grey horse makes his appearance to Brookville quite often. I wonder why?

Mrs John Cougle and Mrs W D Tompkins spent a few days in Tracy's Mills last week.

Robert Crandlemire has purchased a new rubber tire. All is lacking is the driver.

Rumor says that a number from here will attend Riverside camp meeting next Sunday. Looking forward to a good time.

Mr and Mrs Allan Watters passed through Brookville one day last week.

SWEET PEAS.

OUR CENTURY FLOUR

"No, Mr. Grocer; no other brand will do. I don't want something 'just as good.'"

Every woman has a reason for saying that to her grocer, because "Our Century" Flour never varies from the one standard.

Always absolutely uniform, it is just pure, nutritious flour—nothing else.

TILLSONS MAKE IT

Juvenile Smokers.

A committee of the house of lords has recommended the adoption of a bill which provides that any child under 16 who is found in the possession of cigarettes or found smoking tobacco in any form shall be fined not more than forty shillings for each offence. Persons selling tobacco or cigarettes to juveniles will be similarly punished. The committee is of opinion that the following additions should be made to the repressive clause—apparently with the object of insuring their being carried out to the uttermost.

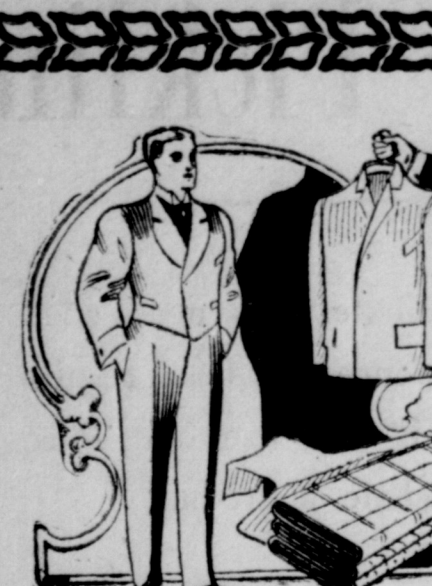

Police constables should be empowered to stop all youths apparently under sixteen seen smoking in any public place, and they should also be allowed to confiscate any tobacco found upon them.

Local authorities should be allowed to extend some of these powers to park keepers, schoolmasters, and others be means of by-laws, while similar powers might also be given to railway and dock companies on their own premises.

Some provision should exempt children who are genuinely employed by their fathers to fetch tobacco for them.

The act should apply to all children apparently under the age of sixteen.

If this bill becomes law it would form an excellent model for similar legislation in Canada.

The Changing Styles

Soon make your old suit look hopelessly out of date. But you need not worry about that, for this is a most excellent time for replenishing your wardrobe. We have some new fabrics that are sure to please the stylish dresser, and are showing many attractive models in Business Suits and Walking Suits, all the latest styles in Tuxedo and Evening Suits.
