

It's the Kidneys

Close the sewers of a city and an epidemic rages. The kidneys are the sewers of the body. Let these vital organs become diseased and the whole system is affected, dizziness, headache, dull, listless feeling, shooting pains in the back, tell that the kidneys are in trouble, and a

neglect of nature's warning means uric acid poisoning and dreaded Bright's disease.

GIN PILLS

make kidneys healthy. They instantly relieve all kidney troubles—clear, heal, purify, strengthen, but the kidneys in perfect condition to perform their work as nature intends. We have such implicit confidence in the virtues of Gin Pills that we authorize druggists to refund the money if they fail to cure. See a box, 6 boxes for \$3.50. Sample box free—mention this paper.

Permanent Cure for Bronchitis.

"My second daughter was troubled with bronchitis from the age of three weeks. Often-times I thought she would choke to death. Dr. Chase's Syrup of Linseed and Turpentine brought relief, and future treatment made a thorough cure. This trouble used to come back from time to time, but the cure is now permanent."—Mrs. RICHMOND WILKINSON, Shubenacadie, Hants Co., N. S.

"I have nothing but praise for our new minister." "So I noticed when the plate came round."

BE THERE A WILL, WISDOM POINTS THE WAY.—The sick man pines for relief, but he dislikes sending for the doctor, which means bottles of drugs never consumed. He has not the resolution to load his stomach with compounds which smell villainously and taste worse. But if he have the will to deal himself with his ailment, wisdom will direct his attention to Parmelee's Vegetable Pills, which, as a specific for indigestion and disorders of the digestive organs, have no equal.

Are you satisfied with the kind of oil you are getting, or do you want something better? If you want the best American oil just patronize the grocers who keep Electric Light Oil. This oil is not sold off of tank waggon.—tf-36.

How does a horse set an example of philanthropy to man? "He always stops at the sound of woe," and is willing to let you take the very bit out of his mouth.

IT RETAINS OLD AND MAKES NEW FRIENDS.—Time was when Dr. Thomas' Electric Oil had but a small field of distribution, but now its territory is widespread. Those who first recognized its curative qualities still value it as a specific, and while it retains its old friends it is ever making new. It is certain that whoever once uses it will not be without it.

The Tribune of Rome pays England this compliment: "Old England represents something more, something higher, and above all something more solid than all its political factions and the interested or idealistic theories which emanate therefrom. Men, including the great ones, pass, and their ashes are scattered by the wind; but England, although harboring those factions, retains its composite and magnificent individuality, its political and spiritual liberties, which are the outcome of centuries of uninterrupted traditions and thoughts of myriads of its men."

Facial Paralysis.

Mr. W. J. BERNAN, Western Hill, St. Catharines, Ont., writes:—"My face was all twisted out of shape with facial paralysis, and five doctors failed to cure or even relieve. By the persistent use of Dr. Chase's Nerve Food I have been entirely cured, and have returned to work strong and well. I have gained in weight and feel that I have a new lease of life."

The interest which the King of Denmark evinced in the progress of Christianity was emphasized by the message which he forwarded to the Bible Society in connection with its Centenary. On March 6th, 1904, he telegraphed from Copenhagen "God speed the Bible Society. His blessing for the work. Christian R." And in November, 1905, he sent the following in connection with the Bible Society's Great Thanksgiving, "My best wishes for the prosperity of your work, and God's blessing to the Society and its leaders. Christian R."

A CLEAR HEALTHY SKIN.—Eruptions of the skin and the blotches which blemish beauty are the result of impure blood caused by unhealthy action of the liver and kidneys. In correcting this unhealthy action and restoring the organs to their normal condition, Parmelee's Vegetable Pills, will at the same time cleanse the blood, and the blotches and eruptions will disappear without leaving any trace.

The Extended Popularity of Diamond Dyes

Induces Speculators to Introduce Weak and Worthless Imitations.

DIAMOND DYES, true home helpers and money-savers for mothers and wives, are dear to every woman's heart.

Recently, speculators have gone into the package dye trade with the view of gaining a share of the immense and ever-increasing trade held by the manufacturers of the DIAMOND DYES, but all such efforts will, as in the past, result in failures.

The crude and worthless dyes brought out in opposition to the DIAMOND DYES, can never become popular, for the simple reason that they have not one good quality to boast of. The manufacturers of Canada who were induced to buy these adulterated package dyes now find them weak and worthless a tuck.

The progressive and busy druggists and dealers of Canada sell only the DIAMOND DYES, which have an established reputation of over twenty-five years. The modern merchant has not the time or inclination to encourage the sale of worthless and deceptive goods.

If our Canadian women desire full, brilliant and fast colors, they should at all times ask for the DIAMOND DYES, the only guaranteed package dyes in the world. When buying package dyes, see that the words DIAMOND PACKAGE DYES are on each packet handed out by your dealer. WALLS & RICHARDSON CO., LIMITED, MONTREAL, P. Q., will send free to any address their New Dye Book, Card of Dyed Samples, and new book in verse entitled "The Longjohns' Trip to the Klondike."
