(Continued on eighth page)

CHILDHOOD DANGERS.

Diarrhoea, dysentery, cholera infantum and stomach troubles are alarmingly frequent during the hot weather months. Too often these troubles become acute and a precious little life is lost after only a few hours illness. During the hot weather season every wise mother should keep a box of Baby's Own Tablets in the house to check these ills if they come suddenly. Better still an occasional dose of this medicine will keep the stomach and bowels clear and prevent these dangerous ailments coming. Mrs John Lancaster, North Portal, Sask, says: "My baby was attacked with diarrhoea and severe vomiting. I at once gave Baby's Own Tablets and next day she was as well as ever. I find the Tablets are the only medicine a little one need."

Sold by all medicine dealers or by mail at 25 cents a box from The Dr Williams' Medicine Co., Brockville, Ont.

HENDERSON-HENDERSON.

At the residence of the bride's parents, Robert F and Matilda Henderson, Car Co, N B, on June 27th Frank and Cora F Henderson were united in the holy bonds of Matrimony by Rev C T Phillips.

The occasion was a most imposing affair. Those to be united appeared on the lawn accompanied by Mendelssohn's March rendered by the brides' sister Mrs Henry A Smith. The bride was attended by her Niece Wilhelmina Henderson. The ceremony being closed the happy couple were very cordially saluted by the guests after which a sumptuous repast was served of which 150 guests partook.

Then followed a very cheering serenade, when the groom with his bride on his arm responded to the serenaders in cordial style. Then the bride and groom left Windsor at half past seven for their future home in the suburbs of Upper Woodstock. The circle of young people will miss Frank and Cora, as they were among the society leaders. And I will say that Windsor will miss one of her fairest and most accomplished daughters in the person of Cora F Henderson.

The bride and groom were the recipients of numerous and valuable presents amounting to the sum of two hundred dollars. The groom's present to the bride was a handsome gold watch and chain.—Com

An Irishman being employed on some house-building operations, was one day asked by his employer to come a little earlier in the morning. He promised to do so, but next morning he was an hour late. When asked by the "boss" why he was late, he replied—"Sure, sir I would have been no good if I had come, as I was fast asleep."—Colville Lister Mart.
