By Endymion 2.23 1-4. Dam, Jessica 2.24 1-2.

SEASON OF 1906.

When breeding for speed or a roadway horse always breed to a horse which is a speed producer. Think of such horses as Lady Dufferin 2.19½, McDuff 2.20½, Ping Pong 2.20½, Roxy D. 2.20½, Jerry D. 2.21, Dora 2.21½, Helen G. 2.22½, Rainbow Blend 2.24½, Lady Sarah Wilson 2.28, Cassamire 2.28, Vena 2.32½, Earl Dufferin 2.32½, Mac Dufferin 2.33, Maud E. 2.34½, Dan Dufferin 2.34½, and many others with marks equally as low, and surely you will be convinced that DUFFERIN is a **SPEED PRODUCER.**

DUFFERIN will make the season as follows:

On **MONDAY** at Centreville; on **Tuesday** at Waterville; On **Wednesday** and **Thursday Morning** at Hartland; the remainder of the week he will stand at owner's stable.

All mares considered with foal unless proved otherwise.

A. D. McCAIN,
Florenceville.

The Centreville Roller Mill is again running successfully on all lines of work. The wheat department has reached a higher state of efficiency since the introduction of a new high grade scourer and smut-ter in addition to the scourers already in use, than it ever possessed before. Mr. Atchison, a thoroughly competent mill-wright of Brantford, Ont., has gone carefully over the entire plant, from basement to attic, during the past two weeks, sparing no pains to put all machinery in the very best possible condition.

Correction.

In the ad calling for Tenders for School Building at Broadway for 7th July read 27th of June.

Little Edith Grant, the pretty young daughter of Mr and Mrs H. L. Grant got hold of some matches Wednesday evening and set fire to her dress. Before the fact was discovered she was quite badly burned, but nothing serious is anticipated.

THE GLEANER AT IT TOO.

Ever since Mr Carvell so effectually took the measure of the member for York in the house of Commons the Gleaner has been doing its best to throw discredit upon our able representative, but without much success. In a letter from the capital discussing the vacancy as Solicitor General for Canada the Fredericton tory organ intimates pretty strongly its belief that our member is in line for something in the nature of promotion and goes on to make it appear that Mr Carvell is not such a man as should be rewarded on account of the manner in which he has been conducting the investigation into the affairs of the Arctic exploration made under the command of Capt Bernier. All we have to say is that it is no wonder the tory papers are not pleased with Mr Carvell for he has completely punctured their claim that there was corruption and jobbery in that famous case. He it was also who looked sharply into the facts of the case when the inquiry into the affairs of Mr Preston was going on. The result there too was that the opposition were left without a single leg to stand upon.

If Mr Carvell does his country no further service he will have gained the esteem of all fair-minded people for the manner in which he has attended to his sessional duties. Whenever he has had something of interest to put before the house that body has given him a most respectful hearing which goes to show that he is making his influence felt. Our county is proud of Mr Carvell.

The Vote on the New Court House.

The county fathers frowned upon the idea of erecting a new court house. It is evident that only time will bring about relief. Either the torch of the incendiary or the merciful interference of the elements would be welcome. It is plain as day that the council as at present constituted will do nothing. All honor is due representatives of the parish of Kent who stood up and manfully proved themselves on the side of right. Councillors Keenan and Kinney will have the thanks of all right thinking citizens. All honor is due them. We will assure our friends the councillors who voted to postpone or sidetrack the matter that we will keep up the agitation, and never rest until the majority shall vote in favor of putting up a building that is better than a barn.

Sudden Death of Miss Mabel Vanwart.

The community was startled Tuesday afternoon when it became known that Miss Mabel Vanwart had suddenly expired while out driving. For some time she had not been well, suffering from lung and heart trouble, but it was generally believed that she was on the road to recovery. Her sad decease brings sorrow to the hearts of many. She was a bright intelligent girl, and a general favorite with all. The parents and other relatives have the sincere sympathy of the community.

Williams-McIntyre.

A very pretty home wedding took place on Wednesday afternoon at three o'clock, June 13th, at the residence of Capt J W Williams of Long Settlement, when his eldest daughter Clara F was united in marriage to Mr Woodbury B McIntyre of Richmond by the Rev W Dunham, Rector of Centreville.

The ceremony took place on the lawn, in the presence of about one hundred and thirty guests. The bride looked charming dressed in white glorio, trimmed with silk lace and applique and carried a bouquet of cream roses and maiden hair fern. She was given away by her father and was attended by her sister Miss Alice Williams, who was dressed in cream mohair and carried a bouquet of white carnations also by her little sister Miss Mildred and her cousin, Miss Hazel Margison, both being dressed in white organdie. The groom was supported by Mr Wilcox Gray of Richmond. After a sumptuous repast, the happy couple drove to their respective home in Richmond, amid a shower of rice and the well wishes of their many friends.

The presents were both costly and numerous showing the high esteem by which the young couple are held. The groom's present to the bride was an elegant gold watch and chain; to the bridesmaid a handsome gold bracelet set with amethysts, and to Miss Mildred a pretty gold set brooch.

Last Sunday evening the Methodist church was crowded to hear Rev Egerton Brecken and Mr Ozawa, the latter a Japanese student at Victoria University, speak on the needs of the missionary field. Both are eloquent men. The Jap has been in this country only seven years but has a splendid command of English. In the fall he expects to return to his native land as a missionary, supported by the St Ste Marie (Ont) Conference.

In a recent letter to his father, Dr Thomas W Todd informed him that he has been unanimously chosen by the Y M & Y W C A of the Iowa State Normal School to be the Supervisor and Director of the Bible Study Work. This is the largest and most aggressive student work in America bringing the Director into touch with one hundred teachers and more than eight hundred students. To be chosen from among the seventy five instructors of the institution, all of whom are christians, is certainly a great compliment to so young a man.
