General News Items.

On the ocean of life it's the reckless man that proves to be a wreck.

Healthy and Vigorous.

MR. JOHN SHELTON, the well-known bridge builder, of 101 Sherwood st., Ottawa, states: "I have used Dr. Chase's Kidney-Liver Pills for kidney and liver derangements brought on by exposure, and find them better than any pill or medicine I ever used. They cleaned my system and made me feel healthy and vigorous, and better in every way."

Among the best stepping-stones to success are the mistakes of other people.

THEY DRIVE PIMPLES AWAY.—A face covered with pimples is unsightly. It tells of internal irregularities which should long since have been corrected. The liver and kidneys are not performing their functions in the healthy way they should and these pimples are to let you know that the blood protests. Par-melee's Vegetable Pills will drive them all away, and will leave the skin clear and clean. Try them, and there will be another witness to their excellence.

Congeniality is what we discover in people who keep still and let us talk about ourselves.

Clark's Ready Lunch Veal Loaf will give you an appetite if you haven't one all ready. It is ready to serve—appetizing and tasty.

A boy of fifteen thinks he is too old to run errands, but after he is twenty-five and married he begins again.

Are you a sufferer with corns? If you are, get a bottle of Holloway's Corn Cure. It has never been known to fail.

She—"Clarence, just think of it! Five weeks from to-day, and we shall be married." He—"Well let's be happy while we may!"

Holiday gifts in abundance at O M Sherwood's, Centreville.

Landlady—"Isn't this a good chicken?" Boarder—"It may have been a good chicken morally but physically it was a wreck."

It is easier to prevent than it is to cure. Inflammation of the lungs is the companion of neglected colds, and once it finds a lodgement in the system it is difficult to deal with. Treatment with Bickle's Anti-Consumptive Syrup will eradicate the cold and prevent inflammation from setting in. It costs little, and is as satisfactory as it is surprising in its results.

"Do you remember that purse you gave me, Uncle Ned?" "Yes Willie. What about it?" "Oh, nothing, uncle; but it's still empty."

Ladies and Children's boots, shoes and rubbers for sale at low prices, by Albert Simonson, at the Centreville Cloth Store.—tf-6.

Mother—"Willie, did the grocer tell you these eggs were fresh?" Willie—"He didn't say, but he told me to hurry home with them."

There can be a difference of opinion on most subjects, but there is only one opinion as to the reliability of Mother Graves' Worm Exterminator. It is safe, sure and effective.

He—"Marie, can you tear yourself away from your loving father's roof and go with me?" She—"Mercy—yes; this isn't his roof, we're just renters."

Picture framing done neatly and cheaply at Carr's, Hartland. Bring along your pictures, photos, marriage and other certificates. A new line of mouldings just received.

Hardluk—"My life reminds me of the career of a golf ball." Feltz—"Why? Hardluk—"Because I am helped out of one hole only to get into another."

IT LAYS A STILLING HAND ON PAIN.—For pains in the joints and limbs and for rheumatic pains, neuralgia and lumbago, Dr. Thomas' Electric Oil is without a peer. Will rubbed in the skin absorbs it and it quickly and permanently relieves the affected part. Its value lies in its magic property of removing pain from the body, and for that good quality it is prized.

"I am very sorry to hear Captain Salter, that your wife left you so unceremoniously." "My mistake, sir. I took her for a mate and she proved to be a skipper."

Twenty Years of Piles. "I suffered from itching piles for twenty years and cannot imagine any greater distress. Dr. Chase's Ointment gave me relief from the first application, and has now entirely freed me of this horrible disease."—MR. S. McLANE, Farmer and contractor, Tiverton, Ont.

Jock and Tam were standing having a talk, when the village postman handed Jock a letter. "What's the meaning of 'junior' at the end of your name, Jock?" asked Tam. "Oh," Jock replied, "that's the tale the folk ken I am no'sae auld as my father."

FOR INFLAMMATION OF THE EYES.—Among the many good qualities which Par-melee's Vegetable Pills possess, besides regulating the digestive organs, is their efficacy in reducing inflammation of the eyes. It has called forth many letters of recommendation from those who were afflicted with this complaint and found a cure in the pills. They affect the nerve centres and the blood in a surprisingly active way, and the result is almost immediately seen.

Mrs. Smith—"John, must keep that boy down." Smith—"What's the matter with him?" Mrs. Smith—"He's getting far too dictatorial. He wants to rule everything. Smith—"Oh well, let him enjoy himself while he may. He'll marry some time and that'll end it."

During a snowstorm in Aberdeen a number of lads were one day enjoying a snowball fight, when one of them was hit on the head. "Hey Jock," cried one of the other, "if that had been cannon balls your intellect wud have been in danger." "Weel, never mind," replied Jock. "The same couldn't be said about you."

MINARD'S LINIMENT CO., LIMITED.

Some time ago I had a bad attack of Quinzy which laid me up for two weeks and cost a lot of money.

Finding the lump again forming in my throat, I bathed freely with MINARD'S LINIMENT, and saturating a cloth with the liniment left it on all night.

Next morning the swelling was gone and I attributed the warding off of an attack of Quinzy to the free use of MINARD'S LINIMENT.
