

## Here's the Cure for Sick Kidneys

### TEST THEM FREE

Perhaps you are skeptical about GIN PILLS. So was Mr. Brown. He had tried so many things for his kidneys, without getting any better, that he had just about made up his mind that he couldn't get well.

When he first read about GIN PILLS, he laughed. The second time, he thought. The third time, he said "he would write for a sample just to see if there was any chance of getting well."

He was pretty nearly tickled to death over that box of GIN PILLS. They did him so much good that he would have paid \$5 a box for the second, if necessary. The dizziness, headaches and backaches stopped. Those shooting pains in hips and legs died away. Urine lost its high color. He slept through the night without being disturbed by bladder trouble. His appetite began to pick up and he felt better than he had been for years.

At John St., Hamilton, Ont., Being a sufferer from my Kidneys, and Dizziness in the Head, and could get nothing to help me, I saw in the papers what good GIN PILLS were doing. I got a sample box, and they did me so much good, I bought three boxes and am taking them. They have worked wonders for me. I can recommend them to any similar sufferer.

GEO. A. BROWN.

Don't be prejudiced. Give GIN PILLS a fair trial and they will cure you just as they cured Mr. Brown. Mention this paper and we will send you a free sample. The Bole Drug Co., Winnipeg, Man.

### Kincardine

The harvest in this part of the country is progressing slowly. There is still quite a little to cut. Yet with favorable weather another week would see us pretty well secured. We have had some severe frosts which have had the effect of spoiling the oats so that there is no need of waiting longer for them to ripen. We fear lots of grain will be light weight this season. Potatoes are rotting badly. We fear many fields will hardly pay the costs. We sometimes have things happen round here a little out of the common. Just last week Wm Duthie and Miss Jennie Cameron went off very quietly and got married. However things will leak out, so that after dark a goodly number of men, boys and girls turned out and as far as noise went made it quite lively for them for a short time until they appeared and treated the crowd. Then they wished them much joy and left them quietly. The young couple are quite popular and we tender them our very best wishes for a happy and prosperous journey through life. Perhaps I was wrong to say out of the common, as the same afternoon a couple from Maine came to the Manse here and got married.

### Not that Bad

An exchange says "Hon Mr Pugsley is After the World." We used to be aware of Opposition charges to the effect that he had scooped in about the whole of New Brunswick, and would not have been surprised if they had said now that the learned Minister was about to annex the entire Dominion. We were scarcely ready to believe that our new provincial leader had set his ambition quite so high, and were consequently greatly relieved upon ascertaining from the context that it is The Toronto World, a leading newspaper, and not this mundane sphere, of which the member for St John City and County is just now in pursuit.
