We understand that the "Tale Bearer" is a worse man than a drunkard, but then some people are not to be considered responsible, for when you look it over in the Bible you find that Joseph was a "tale bearer," and the Lord was so thoughtless as to prosper him.

O. A. HODGINS, Prin., Houlton, Maine. RECIPE MIXED OFTEN.

Druggists Hear Much Praise for This Simple Home-Made Mixture.

Some remarkable stories are being told about town and among the country people coming in of this simple home made mixture curing Rheumatism and Kidney trouble. Here is the recipe and directions for taking: Mix by shaking well in a bottle one-half ounce Fluid Extract Miss Bertha Drake spent Sunday Dandelion, one ounce Compound Kirgon, three ounces Compound Syrup Sarsaparilla. Take as a dose one teaspoonful after meals and at

No change need be made in your usual diet, but drink plenty of good

This mixture, writes one authority in a leading Philadelphia newspaper, has a peculiar tonic effect upon the kidneys: cleansing the clogged up pores of the eliminative tissues, Our bridge is very much improved, forcing the kidneys to sift and strain thanks to Messrs DeWitt and Black. from the blood the uric acid and other poisonous waste matter, overcoming Rheumatism, Bladder and

Urinary troubles in a short while. A New York druggist who has had hundreds of calls for these ingredients since the first announcement in the newspapers last October stated that the people who once try it "swear by it," especially those who have Urinary and Kidney trouble and suffer with Rheumatism.

The druggists in this neighborhood say they can sapply the ingredients, which are easily mixed at home. There is said to be no better blood cleansing agent or system tonic known, and certainly none more harmless or simple to use.

The Blunderbuss.

The Sentinel indignantly denies the Gleaner's charge that F B Carvell writes its editorials, and on the other hand claims that Mr Hubbard is an editorial writer for the Gleaner. and Press. Speaking for this paper, and we think for the Gleaner as well, we have not yet found it necessary to ask for or accept any editorial matter from Mr Hubbard to enable us to successfully cope with such small bore writers as are on the staffs

of the Sentinel and Herald .- Press. This may be very true, yet the statement is by no means a denial that Mr Hubbard is a prolific contributor to the opposition organs. The small bore writers referred to above will probably take comfort from the fact that all modern high-efficiency weapons have not the old-fashioned blunderbuss bore and flaring mouth characteristic of the Press and its ilk. Thanks for the compliment.

#### That \$25.000.

Hon Mr Pugsley, in the course of his speech in the Russell Theatre, Ottawa, last week, is reported as stating that he could prove the existence of a very large Conservative reptile fund in the last federal contest, and of this money about \$25,000 was sent into Carleton County in the vain effort to elect Mr Fred Hale. It is true that tory money flowed like water at every polling place in the county, but we scarcely thought they had so much. Little by little the details are coming out, however, and it is certainly miraculous that Carleton was redeemed in the face of such a determined effort to hold it for Mr Hale.

### "You Will Suffer all Your Life."

SAID ALL THE DOCTORS

Half a dozen of the best physicians old Mr. Baker that he had Chronic Rheumatism, and would have it as ong as he lived. One day Mr. Baker read in a paper of a man who had Rheumatism just like him—who had been told by doctors that his case was hopeless-and who had been completely cured by GIN PILLS. The two cases were so much alike

that Mr. Baker decided he would invest soc in a box of GIN PILLS and give them a trial. It was the best investment he ever

made. Before the first box was taken, he felt better all over, so he got another. He took that and bought a third, getting better all the time. Hinesville, May 8, 1906.

I have been greatly benefitted by your Gin Pills, and all who have used them in this Pills, and all who have used them in this neighborhood speak very highly of them.

One of my neighbors, Mr. X., who suffered for years with Rheumatism and who has spent hundreds of dollars with specialists without receiving the slightest benefit, was entirely cured by two boxes of Gin Pills. He is proclaiming their virtues from the "housetops."

Yours truly, D. L. BAKER. We don't even ask you to buy Gin

Pills-but to try them at our expense. Write us, mentioning this paper, and we will gladly send you a free sample of these wonderful Kidney Pills that cure Rheumatism. The Bole Drug Co., Winnipeg, Man.
