

Sick all the Time with Kidney Trouble

4 BOXES CURED HIM

Mr. Whellam was a mighty ill man this spring. He had been ailing for almost a year. Sharp pains in the back and through the hips. Dull headaches and dizzy spells. Appetite poor—nothing seemed to taste right.

Finally, an old friend told him about a friend who was in just that condition and who was cured by GIN PILLS.

Mr. Whellam tried them. And you would not know him for the same man now. That worried, strained look about the face is gone. His eyes are bright—his complexion rosy. He enjoys what he eats—has gained in weight—and sleeps like a top.

He had kidney trouble. GIN PILLS practically gave new kidneys—healed and strengthened these vital organs—soothed the bladder—and freed the system of uric acid that was poisoning him.

Broad Cove, C.B., July 6, 1906.
I received a sample of your GIN PILLS last fall. They did me a great deal of good. In fact, they are the best kidney medicine I know of. A neighbor of mine has tried them and they did him more good than all the Doctors' Medicine he took in three months. I will not forget during my lifetime the benefit your GIN PILLS have been to me. JOHN WHELLAM.

Are your kidneys sick? Do you feel just as Mr. Whellam did? Then take GIN PILLS on our positive guarantee that they will cure you. To have you give them a fair trial, we send a free sample if you mention this paper. Write to-day to Bole Drug Co., Winnipeg. 84

GIN PILLS are sold by dealers everywhere at 50c a box—or 6 boxes for \$2.50.

Indigestion

Stomach trouble is but a symptom of, and not in itself a true disease. We think of Dyspepsia, Heartburn, and indigestion as real diseases, yet they are symptoms only of a certain specific Nervous sickness—nothing else.

It was this fact that first correctly led Dr. Shoop in the creation of that now popular Stomach Restorative—Dr. Shoop's Restorative. Going direct to the stomach nerves, alone brought that success not favor to Dr. Shoop and his Restorative. With but that original and highly vital principle, no such lasting accomplishment was ever to be had. For stomach distress, bloating, biliousness, bad breath and sallow complexion, try Dr. Shoop's Restorative—Tablets or Liquid—both equally effective. See what it can and will do. We sell and cheerfully recommend.

SCORED ANOTHER WONDERFUL VICTORY

One More Added to the Long List of
Cures Effected by Psychine.

This young lady, who lives in Brownsville, near Woodstock, Ont., tells her own story in a few effective words of how she obtained deliverance from the terrible grip of weakness and disease.

I have to thank Psychine for my present health. Two years ago I was going into a decline. I could hardly drag myself across the floor. I could not even get the carpet.

If I went for a drive I had to be driven back. If I went for a mile on two on my wheel I was too weak to lift it through the gate-way, and last time I came in from having a spin I dropped utterly helpless from fatigue. My father would give me a ride until I procured Psychine, knowing it was excellent for decline or weakness. I must say the results are wonderful, and people remember my improvement. Instead of a little pale, hollow checked, listless, melancholy girl, I am to-day full of life, ready for a whole day's skating, or an evening party with anyone, and a few months ago I could not struggle to change a sock from my foot. I have never had the slightest cause to fear any return of the disease.

ELLA MURPHY, WOODSTOCK, Ont.

Thousands of women are using PSYCHINE, because they know from experience that in it they have a safe friend and deliverer. Psychine is a wonderful tonic, purifying the blood, driving out disease germs, giving a ravenous appetite, aids digestion and assimilation of food, and is a positive and absolute cure for disease of throat, chest, lungs, stomach and other organs. It quickly builds up the entire system, making sick people well and weak people strong.

Wants I. C. R. Extended to Woodstock.

Premier Pugsley Points out Relief for the St. John River Valley.

In the Legislature last week Mr. King introduced a bill respecting the Auto Road Company. He explained that the object of the bill was to enable the company to build and operate a steam railway if necessary, and to extend their road from Gagetown to Fredericton and from Rothesay to Gagetown.

Hon. Mr. Pugsley—I do not think that a charter to build a steam railway should be granted by this legislature under a bill to charter an auto road. If these people desire a charter for a steam railway, let them come to this house openly for that purpose, and submit to the rules that have been applied to such roads. One of these is that they must satisfy the government of their financial ability to carry out the work. Nothing would please me better than to see a steam railway built up the St. John River Valley from the mouth of the Nepesis to Woodstock or Centreville. If there is any section of country that is entitled to a railway it is that which extends down the river from Woodstock. But we should be careful not to charter any line that might interfere with such a railway. The people of that region will not be satisfied with an auto railway or a cheap railway. What is needed is a first class railway with steel bridges and seventy pound steel rails capable of carrying heavy locomotives and a large traffic. I think that the introduction of this bill should allow the second reading to stand for further consideration.

Mr. King—I am really surprised that the premier should object to the building of a railway. The promoters of this bill have no intention of evading any of the rules that apply to railway legislation. They wish to meet all the requirements that may be imposed upon them and if the committee should be of the opinion that it is not desirable that the bill should go any further, they are willing to withdraw it.

Hon. Mr. Pugsley—In view of the evidence that the Hon. member for Kings has given of his faith in this bill I am willing that it should proceed to a second reading.

Mr. Hazen—I quite agree with the member for Kings that it is only fair this bill should go before the committee. I think that any bill that calls attention to the great necessity which exists for a railway down the St. John River Valley, is worthy of a hearing. As things stand now one of the most fertile and prosperous districts in the province is left out in the cold for lack of railway facilities. It is not creditable to the governments of this province that people on the river from Fredericton to Westfield for five months in the year are left without access to a market.

I would like very much if some encouragement could be given for the building of a road that would serve them. If the legislature could prevail upon some company to undertake it, it would secure most desirable results.

Hon. Mr. Pugsley—All will agree that the building of a railway down the St. John River Valley is a matter of very great importance, but it is wrong to say that the government is to blame for this road not being built. Not only has the Dominion parliament but the Provincial government years ago voted a subsidy to assist in building it. This legislature voted \$3,000 a mile and the Dominion parliament \$3,200 a mile. A company of strong capitalists was organized and the work proceeded with. After the road had been graded from Fredericton to Springhill, the undertaking was abandoned because at that time the company could not secure the necessary capital.

If it is desirable to build this road, and I certainly think it is, some more effective means must be devised to secure this result. I would like the removal of the opposition to think this matter over seriously and I will welcome any practical suggestion that may make. My own view is that such a railway as we require cannot be built by means of Dominion and provincial subsidies. There is no use putting such offers on the statute book for this was done twenty years ago and the result has been nothing.

I am glad that this matter has come before the house at this time, especially in view of the fact that the surveys of the G. T. P. seem to show the central route best complied with the requirements of the statute. The I. C. R. now comes to Fredericton and the minister of railways has announced that it will be part of his policy to take over branch lines.

As the I. C. R. is now in Fredericton, I do not see why it should not be ex-

tended down the river to Westfield and up the valley of the St. John to Centreville. If an arrangement could be made for the construction of the road by a company and it could be leased to the I. C. R. at a rental that would cover the interest on any bonds that the province would guarantee so that any loss would be avoided, I would be willing to entertain the proposition.

SPRING ADVICE.

Do Not Dose With Purgatives
and Weakening Medicines—
What People Need at This
Season is a Tonic.

Not exactly sick—but not feeling quite well. That's the spring feeling. You are easily tired, appetite variable, sometimes headaches and a feeling of depression. Or perhaps pimples and eruptions appear on the face, or you have twinges of rheumatism or neuralgia. Any of these indicates that the blood is out of order, that the indoor life of winter has left its mark upon you and may easily develop into more serious trouble. Don't dose yourself with purgative medicines in the hope that you can put your blood right. Purgatives gallop through the system, and weaken instead of giving strength. What you need is a tonic medicine that will make new, rich, red blood, build up the weakened nerves and thus give you new health and strength. And the one medicine to do this speedily and surely is Dr. Williams' Pink Pills. Every dose of this medicine makes new, rich blood which makes weak, easily tired and ailing men and women feel bright, active and strong. If you need a medicine this spring try Dr. Williams' Pink Pills and you will never regret it. This medicine has cured thousands in every part of the world and what it has done for others it can easily do for you.

The headquarters for the genuine Dr. Williams' Pink Pills for Pale People in Canada is Brockville, Ont., so-called pink pills offered by companies located at other places in Canada are fraudulent imitations intended to deceive. If your dealer does not keep the genuine Dr. Williams' Pink Pills for Pale People send to Brockville, Ont., and The Dr. Williams' Medicine Co. will mail the pills to you at 50 cents a box or six boxes for \$2.50.

"Bought my life for 35 cents."

The skin rids the system of
more urea than the kidneys?

Nearly one fifth of the waste products of the body is eliminated by the skin. Suppose there is some unsuspected, unseen skin trouble—the pores are closed—the skin is unable to rid the system of its share of the waste.

Then the blood carries this waste product to the kidneys—immediately they are overworked—they strain to throw off the extra load. What the kidneys can't possibly eliminate, the blood takes up again and deposits on the nerves.

Then come the dull aches in back, hips and head—the nerves unstrung and irritated—the urine charged with impurities and highly colored—and you fear you have "Kidney Trouble."

Nonsense. Your kidneys are overworked—not diseased.

What you need is "FRUIT-A-TIVES" to act on the skin.

Fruit-a-tives

(or Fruit Liver Tablets)

open the clogged pores—start up healthy skin action—and let the skin perform its natural function. This instantly relieves the kidneys of overwork—the back-aches stop and the complexion is beautified. There is no excessive waste matter in the blood to bring dull headaches—the urine is cleared—the bowels are opened and regulated—and the kidneys strengthened.

"FRUIT-A-TIVES" act directly on the three great eliminating organs—Skin, Kidneys and Bowels—make them well and keep them well. That is why "FRUIT-A-TIVES" cure so many cases of apparent kidney disease that are really skin troubles.

"FRUIT-A-TIVES" are fruit juices—in which the natural medicinal action of fruit is many times increased by the secret process of making them. Valuable tonics and antiseptics are added and the whole made into tablets—the finest formula known to medicine.

Buy them—try them—and cure yourself at home. 50c. a box—6 boxes for \$2.50. At all druggists or sent on receipt of price.
