

Crippled With Rheumatism

CURED BY GIN PILLS

Mr. Derragh certainly did have a hard time of it, winter before last. Caught cold, and it settled in his kidneys. First thing he knew, he was in bed with Rheumatism. He nearly went mad, the pain was so intense. The doctors gave him the usual treatment—and pretty nearly burnt his legs off with liniments and blisters—but the Rheumatism went right on aching.

Then a friend stepped in and said, "Why don't you try GIN PILLS?" After a great deal of persuasion, Mr. Derragh did try GIN PILLS. You never such a happy man in your life, after he had taken two boxes. Pain all gone—stiffness and lameness completely left—that aches in back and hips disappeared—and he was in no time. That was two years ago and he has been in perfect health ever since.

Contracted a severe cold. Rheumatism followed and the sharp pains took me so often and were so severe that I had to take to bed. For several months I could get no relief, until I started to take "Gin Pills." In five days I was up and around the house. My pains are gone and I have not had a return of the old trouble since. I wish also to say that "Gin Pills" gave me the first painless passage of urine I have had in two years.

ROBT. DERRAGH, Winnipeg.

How about you? Haven't you suffered enough without getting all over it again this winter? Get Gin Pills now—and cure yourself at home. Mention this paper and we will send you a free sample to try. The Bole Drug Co., Winnipeg, Only 50c. a box—6 boxes for \$2.50. 87

Weak Women

To weak and ailing women, there is at least one way to help. But with that way, two treatments, must be combined. One is local, one is constitutional, but both are important, both essential. Dr. Shoop's Night Cure is the local.

The former—Dr. Shoop's Night Cure—is a topical mucous membrane suppository remedy, while Dr. Shoop's Restorative is wholly an internal treatment. The Restorative reaches throughout the entire system, seeking the repair of all nerve, all tissue, and all blood elements.

The "Night Cure," as its name implies, does its work while you sleep. It soothes sore and inflamed mucous surfaces, heals local weaknesses and discharges, while the Restorative, causes nervous excitement, gives renewed vigor and ambition, builds up wasted tissue, bringing about renewed strength, vigor, and energy. Take Dr. Shoop's Restorative—Tablets or Liquid—as a general tonic to the system. For positive local help, use as well.

A very sad affair indeed on Friday morning last while breakfast was being prepared, Mr Charles Hallett of Upper Brighton went out to the barn as was supposed to feed his stock and not having returned as soon as expected some member of the family went to call him and discovered he had cut his throat and was found to be dead. Some time ago Mr Hallett was struck with paralysis and although sufficiently recovered to attend to his business and do quite a lot of work still, it was observed that at times he exhibited symptoms of being demented. Afraid he would come to want and these things working upon his mind no doubt led to the fatal act. He was a man of 57 years. He leaves a widow and 6 children some of whom are full grown and married and all feel the affliction keenly.

Some persons have periodical attacks of Canadian cholera, dysentery or diarrhoea, and have to use great precautions to avoid the disease. Change of water, cooking and green fruit, is sure to bring on the attacks. To such persons we would recommend Dr J D Kellogg's Dysentery Cordial as being the best medicine in the market for all summer complaints. If a few drops are taken in water when the symptoms are noticed no further trouble will be experienced.

CHAPPED FROM FINGERS TO ELBOW

Henry Walker, of 14 Manufacturer Street, Montreal, works with his shirt sleeves rolled up above his elbow, and passing from a warm room to the biting cold as he is obliged to do, he got the worst case of chapped hands and arms. From his fingers to his elbows was one mass of raw flesh with bad cracks here and there.

He tried several kinds of salve, but nothing relieved him until he tried Zam-Buk. This took away the burning and smarting almost at once. The cracks began to heal and a few applications of the balm cured him. His hands and arms are now smooth and soft.
