

It Quiets the Cough

This is one reason why Ayer's Cherry Pectoral is so valuable in consumption. It stops the wear and tear of useless coughing. But it does more—it controls the inflammation, quiets the fever, soothes, heals. Ask your doctor about this.

C M Sherwood, Centreville, is do-
ing a fine little lumbering business
this winter. George J Cronkhite is
his foreman. He has some fifteen
teams hauling the logs to his new
mill a distance of about four miles.
He has two men and a team working
on the road all the time keeping it
clean with a snow plough, and icing
it all the way, from a large water
tank mounted on two sleds. The
teamsters have to use bunks seven
feet long on their sleds, as the road
is level nearly all the way, on the
stream, where they had heavy loads.
There is still room for eight or ten
more heavy teams. (17)

DAILY FADING AWAY.

The Story of a Woman Made
Well by Dr Williams' Pink Pills.

Bad blood means bad health. That
is why Dr Williams' Pink Pills mean
good health. They actually make
new, rich blood, which strengthens
every nerve and every organ in the
body. That is why people who use
Dr Williams' Pink Pills feel bright,
active and strong. Mrs Arthur
Hannigan, Marshville, Ont., is a
witness to the truth of these state-
ments. Mrs Hannigan says:—"For
nearly three years I suffered from
anaemia (bloodlessness) and during
that time consulted and took medi-
cine from several doctors without
beneficial results. My complexion
was of a waxy appearance, my lips
and gums seemed bloodless. I suffer-
ed from headaches, dizziness and pal-
pitation of the heart. My appetite
was so poor that I did not care
whether I ate or not and I grew so
weak, and was so much reduced in
flesh that my friends thought I was
in consumption. As I have said I
doctored without benefit, until the
last doctor whom I consulted advis-
ed me to try Dr Williams' Pink Pills.
I followed his advice, and less than
a dozen boxes have made me the
well woman I am to-day. All the
symptoms of my trouble have van-
ished and I enjoy the very best of
health. I know there are hundreds
of women who are drifting into the
same condition I was, and to all such
I would strongly urge the immediate
use of Dr Williams' Pink Pills."

Dr. Williams' Pink Pills do not act
upon the bowels; they do not tinker
with mere symptoms; they go right
to the root of the trouble in the
blood. That is why they cure com-
mon ailments like rheumatism, neu-
ralgia, kidney trouble, headaches and
backaches. St. Vitus dance and the
special ailments that afflict so many
women and growing girls. Sold by
all medicine dealers or by mail at
50c a box or six boxes for \$2.50 from

Death or lunacy seemed the only
alternative for a well-known and highly re-
spected lady of Wingham, Ont., who had
travelled over two continents in a vain
search for a cure for nervous debility and
dyspepsia. A friend recommended South
American Nervine. One bottle helped, six
bottles cured, and her own written testi-
mony closes with these words: "It has
saved my life."

1. To promote Temperance Re-
form in the interests of the Christian
Church and Christ's Kingdom.

The voice of one crying in the wil-
derness, Prepare ye the way of the Lord.
Make his paths straight.—John 1: 23.

2. To arouse the Christian Church
to adopt a more uncompromising
and aggressive attitude against the
Liquor Traffic.

For Christ loved the Church and
gave himself for it, that he might pre-
sent it to himself a glorious church,
not having spot or wrinkle, or any
such thing; but that it should be holy
and without blemish.—Eph. v: 25, 27.

3. To save the drunkard by means
of the Gospel and the Pledge.

The Son of Man has come to give
that which was lost.—Matt. xviii: 11.

4. To prevent others from falling
by inducing them to become Total
Abstainers.

Look not thou upon the wine when
it is red. . . At the last it biteth like a
serpent and stingeth like an adder.—
Prov. xxiii: 32.

5. To agitate for the destruction
of the Liquor Traffic.

The Son of God was manifested
that he might destroy the works of the
devil.—1 John iii: 8.

Externally or Internally, it is Good.—
When applied externally, by brisk rubbing,
Dr Thomas' Electric Oil opens the pores
and penetrates the tissue as few liniments
do, touching the seat of the trouble and
immediately affording relief. Administered
internally, it will still the irritation in the
throat which induces coughing and will cure
affections of the bronchial tubes and res-
piratory organs, try it and be convinced.
