

There are 265,000 people in Canada today, who really **KNOW "Fruit-a-tives"** to be a splendid remedy.

Four years ago, "Fruit-a-tives" were an unsolved problem in the brain of one of Canada's leading physicians.

Today, over a quarter of a million of Canadians know them for what they are—a positive cure for Stomach, Liver, Kidney, Bowel and Skin Troubles.

"Fruit-a-tives" have cured stubborn cases of Constipation—Chronic Rheumatism—Skin Eruption—that defied ordinary remedies. The cures of Biliousness, Indigestion, Headaches, Pain in the Back, Nervousness and Irregularity of the Bowels—are numbered by the thousands. "Fruit-a-tives" move the bowels just as fruit moves them and leaves them healthy.

"Fruit-a-tives" are fruit juices and tonics in tablet form—with the increased medicinal action made possible by the chemical change which takes place when the juices are combined.

His Worship Mayor Munro has received the following letter from G L Cronkhite which accompanied the generous donation of \$100 made to the Woodstock Hospital:—

My Dear Sir:—With the warm feeling in my heart for the residents of the town of Woodstock and the residents of the whole country and their representatives whom they sent to the County Council who so often placed me in the warden's chair to assist them to do our duties as county councillors, I feel like giving the people of this noble county some tangible proof of my respect for them by making a small donation to the hospital in the town or help pay for keeping the same running, which I think is such a blessing to the people of the surrounding country. I take the liberty to inclose and send to you one hundred dollars, believing you will take the trouble to hand the same to the proper parties. Hoping to see you soon I remain

Respectfully yours,
 G L CRONKHITE.

Sermonette.

BY ENGLISH ROSE.

As thou hast sent me into the world, even so have I also sent them into the world. John 17: 18.

These words were spoken by our Saviour to God in Heaven above. We all know what Jesus mission on earth was, to save sinners, to redeem a fallen world by his own precious blood. There we find Jesus telling his father in Heaven that as God had sent him into the world so had he sent his disciples into the world on the same mission, namely to seek and to save the lost. Jesus commanded his followers to go into the world and preach the gospel unto every creature. Jesus made no distinction between race, creed or color but unto every creature, that includes the whole world. Are we Christians of to-day obeying that commandment. Are we doing all in our power to bring others to Jesus. Are we following wholly in Jesus footsteps. What would Jesus do if he were in your place or in my place. Would he go to church on Sunday and think he had done his duty. Would he join some particular church and say I am a Baptist, Presbyterian or some other certain sect, and I do not want anything to do with other churches. I believe decidedly no. I believe it is well for everyone to have their church home, but it is very unchristlike to hold aloof from other Christians. If Jesus were in my place I know that he would smile upon and help every christian brother. I believe he would talk to every unsaved soul and pray earnestly for them, I believe

Heve he would proclaim the gospel wherever he was. Yea the meek and lowly Jesus would stand on the street corners and proclaim the gospel of love to all sinners. We read how he worked while here on earth, ought not we who profess to follow in his footsteps to do the same as Jesus did while on earth. It is not our duty to do everything in our power for God's Kingdom, and endure faithful unto death. May the God of love help us to do his whole will, if he wants us to go on the street corner why let us go, if he wants us to go among the heathen let us go, if he wants us to speak or preach for him let us do it. Let us help our christian brothers whether Presbyterian, Baptist, Salvation Army or whatever creed. No creed or form can stand the storm, only the blood can save. Yes only the blood can save, no creed will save us. It is sad that some of our christian people and churches are so opposed to each other.

If we have the love of Christ in our hearts, we shall love every creature and our lives will shine out pure and bright, our churches will be one, our land will prosper and we shall have heaven right here. God has sent us all into this world for some special mission. Let us all do our work well whatever it may be. My prayer to God is that he will give me strength to do his will whatever it may be. May this be the prayer of every child of God.
