OBITUARIES.

It is with the deepest sorrow that we learn of the death of Thompson K. Graham at his home in Maxwell on Dec 17th. Mr. Graham had been in poor health for some time, and was operated on for ear trouble 4 weeks before his death.

He was not considered to be in much danger, and his death was a shock to us all. He is survived by his wife 4 sons and 3 daughters, and an aged father besides many other relatives. The funeral services were largely attended, over 60 teams being present; he was buried under the Orange Order of which he was a member for forty years, Rev K. Mc Kay and J. E. Polley attended the funeral. The text was Revelations 21, verse 4. Mr. Graham was 59 years and 7 months, (a mistake being made in the age, by other papers.) He was a member of the Presbyterian church, and a school trustee.

The death of Mr. Graham is a deep loss to the community; he was everyone's friend, and was loved and respected by all. The deepest heartfelt sympathy goes to the bereaved family, it being the second death in the family in less than a year.—Com

RUNNING THE ROAD.

"Where's the president of this railroad?" asked the man who called at the general offices.

"He's down in Washington attending in the sessions of some kind of an investigating committee," replied the office boy.

"Where's the general manager?"

"He's appearing before the Interstate Commerce Commission."

"Well, where's the general superintendent?"

"He's at the meeting of the Legislature, fighting some new law."

"Where's the head of the legal department?"

"He's in court trying a suit."

"Then where is the general passenger agent?"

"He's explaining to the commercial travellers why he can't reduce the fare."

"Where is the general freight agent?"

"He's gone out in the country to attend a meeting of the grange and tell the farmers why we ain't got no freight cars."

"Who's running the blame railroad, anyway?"

"The newspapers."

It's a pleasure to tell our readers about a Cough Cure like Dr. Shoop's. For years Dr. Shoop has fought against the use of Opium, Chloroform, or other unsafe ingredients commonly found in cough remedies. Dr. Shoop, it seems, has welcomed the Pure Food and Drug Law recently enacted for he has worked along similar lines many years. For nearly 20 years Dr. Shoop's Cough Cure containers have had a warning printed on them against Opium and other narcotic poisons. He has thus made it possible for mothers to protect their children by simply insisting on having Dr. Shoop's Cough Cure. Sold by GARDEN BROS.

The Modesty of Women

Naturally makes them shrink from the delicate questions, the delicate examinations, which some physicians consider essential in the treatment of diseases of women. Yet, if help can be had, it is better to submit to this ordeal than let the disease grow and spread. The trouble is that so often the woman undergoes all the annoyance and shame for nothing. Thousands of women who have been cured by Dr. Pierce's Favorite Prescription write in appreciation of the cure which dispenses with the examinations and local treatments. There is no other medicine so sure and safe for delicate women as "Favorite Prescription." It cures debilitating drains, irregularity and female weakness. It always helps. It is almost always cures. It is strictly non-alcoholic, non-secret, all its ingredients being printed on its bottle wrapper: contains no deleterious or habit-forming drugs, and every native medicinal root entering into its composition has the full endorsement of those most eminent in the several schools of medical practice. Some of these numerous and strongest of professional endorsements of its ingredients, will be found in a pamphlet wrapped around the bottle, also in a booklet mailed free on request, by Dr. R. V. Pierce, of Buffalo, N. Y. These professional endorsements should have far more weight than any amount of the ordinary lay, or non-professional testimonials.

The most intelligent women now-a-days insist on knowing what they take as medicine instead of opening their mouths like a lot of young birds and gulping down whatever is offered them. "Favorite Prescription" is of known composition. It makes weak women strong and sick women well.

Dr. Pierce's Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send to Dr. R. V. Pierce, Buffalo, N. Y., 31 one-cent stamps for paper-covered, or 50 stamps for cloth-bound.

If sick consult the Doctor, free of charge by letter. All such communications are held sacredly confidential.

Dr. Pierce's Pleasant Pellets invigorate and regulate stomach, liver and bowels.

At Florenceville it is reported that two of the Consolidated District Trustees have sent in their resignations, dissatisfied with certain matters in connection with settling up the contractor's bill. A special meeting will be held at an early date to fill the vacancies.

Does Coffee disagree with you? Probably it does! Then try Dr. Shoop's Health Coffee.

"Health Coffee" is a clever combination of parched cereals and nuts. Not a grain of real coffee; remember, in Dr. Shoop's Health Coffee, yet its flavor and taste matches closely old Java and Mocha Coffee. If your stomach, heart, or kidneys can't stand Coffee drinking, try Health Coffee. It is whole, some, nourishing, and satisfying. It's safe even for the youngest child. Sold by STEVENS & HAYDEN.

A Sermonette.

And thou shalt call his name Jesus for he shall save his people from their sins. Matt 1: 21.

Sin is the deadliest foe we have; it casts our first parents out of Paradise; it defaced God's image in man; it brought pain, sickness and death into the world, and a spiritual death into the soul; it causes a distance from God and a dislike to his Holy ways; it gives Satan an interest in, and a power over mankind; it once drowned the world and will destroy it at last; it exposes body and soul to the just judgment of a Holy God, and will send every unpardoned offender into everlasting destruction. How is this deadly foe to be conquered? How is this fretting leprosy of the soul to be cleansed? Reader, be careful in this matter, and seek after a remedy that will be lasting and efficacious—duties, prayer, tears, sacrifices, morality and partial formation. Avail nothing in this case; all below Christ Jesus will prove physicians of no value, Jesus is the only Saviour. God the father sent him into the world to save sinners; His name declares the same, He is "called Jesus, for he shall save his people from their sins." His blood is the only atonement for sin; this sprinkled upon the heart by the spirit and apprehended by faith, removes the guilt and curse of sin, and speaks pardon and peace. His grace breaks the power of sin, and turns our former love to it into an utter hatred of it; thus is Holiness secured in the heart and walk, as well as peace in the conscience. He will save from the very being of sin, after the conflict between flesh and spirit is over. His people are all that believe in him, and depend upon him for pardon, peace and everlasting Salvation. In that happy number reader may you and I be found. May we be enabled to look to him to receive him as our Lord Jesus. Able and willing to save to the very uttermost and may we walk as the redeemed of the Lord in righteousness and true holiness all the days of our life.—Amen.

The people of Florenceville and vicinity are looking forward to another treat from the Florenceville Amateur Dramatic Club on Saturday Evening the 19th inst when they will play the 3 Act Comedy Drama "The Mystery of Fate"—Proceeds for benefit of Roman Catholic Church.

Do not delay in getting relief for the fit-folks. Mother Graves' Worm Exterminator is a pleasant and sure cure. If you love your child why do you let it suffer when a remedy is so near at hand.

If John Turnham's pretty daughter Mildred, of Millville, N. B., had not eloped with Gilbert Whiting her father might have sneezed himself to death.

The Turnham family live between Millville, N. B. and Woodstock Road and are considered prosperous. Whiting is a substantial chap, but Mr. Turnham objected on the ground that the young people were too young to know their own minds. He told them to "wait awhile," but love was too strong and they got married quietly.

Miss Turnham went to Fredericton to visit a girl friend a couple of weeks ago, and six days later her father was taken with a violent fit of sneezing. He recently became addicted to snuff, and when he caught cold he kept right on sniffing it. The stuff irritated the membranes of his nose so that he couldn't stop sneezing and sent for a physician. The doctor did all that he could for his patient, but he wheezed, coughed, ketchooed and sneezed until the very bones in his body seemed to rattle. The more medicine he took the worse he became, and finally it was seen that he was in a serious condition. Fearing the worst, but hoping for the best, the family sent for Miss Mildred.

Word came back that she had left her friend a week before, just about the time her father took to sneezing, and it was supposed she was home. Mrs. Turnham was greatly frightened and was wondering what to do when the girl and Whiting walked into the house and confessed that they had been married.

"For heaven's sake don't tell your father," exclaimed Mrs. Turnham, "the shock will kill him."

"More likely it will cure him," said the doctor. "Blurt it out to him."

The bride confessed to her father so suddenly that he jumped right out of bed. He gave one final sneeze and stopped. He thought a second kerehoo was coming, but it didn't, and he hasn't sneezed since.

A reconciliation has taken place between the Duke and Duchess of Marlborough, and on Boxing Day (the day after Xmas) they came together again. King Edward has extended the area of his influence and has been chiefly instrumental in effecting the reunion.

There were faults on both sides, but sins of omissions and commission have been mutually forgiven.

A despatch to the Herald from Newport, R. I., says:

"Though none of the few acquaintance of the Duke and Duchess of Marlborough, who are still here have heard anything definite regarding their reconciliation, they say they have every reason to believe the rumor is well founded."

SCORED ANOTHER WONDERFUL VICTORY

One More Added to the Long List of Cures Effected by Psychine.

This young lady, who lives in Brownsville, near Woodstock, Ont., tells her own story in a few effective words of how she obtained deliverance from the terrible grip of weakness and disease.

I have to thank Psychine for my present health. Two years ago I was going into a decline. I could hardly drag myself across the floor. I could not sweep the carpet.

If I went for a drive I had to lie down when I came back. If I went for a mile on two or my wheel I was too weak to lift it through the gateway, and last time I came in from having a spin I dropped utterly helpless from fatigue. My father would give me no peace until I procured Psychine, knowing it was excellent for decline or weakness. I must say the results are wonderful, and people remarked my improvement.

Instead of a little, pale, hollow checked, listless, melancholy girl, I am to-day full of life, ready for a slight ride, a skating match, or an evening party with anyone, and a few months ago I could not struggle to church, 40 rods from my home. I have never had the slightest cause to fear any return of the disease.

ELLA MURIEL WOOD, Brownsville, Ont.

Thousands of women are using PSYCHINE, because they know from experience that in it they have a safe friend and deliverer. Psychine is a wonderful tonic, purifying the blood, driving out disease germs, gives a ravenous appetite, aids digestion and assimilation of food, and is a positive and absolute cure for disease of throat, chest, lungs, stomach and other organs. It quickly builds up the entire system, making sick people well and weak people strong.
