

## A Rheumatic Wreck.

After Hospital Treatment Failed  
Dr. Williams' Pink Pills  
Cured Him.

"I suffered the greatest agony from rheumatism. Leading physicians prescribed many medicines, but with unsatisfactory results. I was compelled to go to a hospital, but even the treatment there failed. Then I took Dr. Williams' Pink Pills and to-day I am a well man."

These words were spoken by Clifford L. Forbes when interviewed at his home in Port Maitland, N.S. Mr. Forbes is a fisherman and had always been very healthy, until some three years ago while fishing off Newfoundland he was seized with a very severe attack of rheumatism. In his own words he says: "I was fishing on the Grand Banks in the spring of 1903 when I was stricken with rheumatism. I could not work or sleep, and the pain was almost unbearable. My case became so serious that I had to be landed and for weeks I lay in a Cape Breton hospital as helpless as a cripple. The hospital doctors prescribed different remedies, but they did not cure me. I then left the hospital and was taken home with rheumatism apparently completely fastened upon me. Day and night I suffered. Nothing I did for the trouble seemed to help me and I became despondent and downhearted. Then a friend advised me to try Dr. Williams' Pink Pills. I was skeptical, but my friend praised the pills so highly that I determined to try them. With the result you see to-day. I am fully cured and have not since had even a twinge of that dreaded affliction. I cannot say too much in favor of Dr. Williams' Pink Pills and I urge all rheumatic sufferers to try them."

Dr. Williams' Pink Pills cured Mr. Forbes because they struck straight at the root and cause of his crippling rheumatism. They don't act on the mere symptoms like ordinary medicine. They don't act on the bowels. They do on y one thing, but they do it well—they actually make new blood. In that way they root out all common blood diseases like anaemia, headaches and backaches, rheumatism, sciatica, neuralgia and the secret ailments of girls and women who suffer unspeakably when the richness and regularity of their blood becomes disturbed. Dr. Williams' Pink Pills are sold by all dealers in medicine, or sent by mail at 50 cents a box or six boxes for \$2.50 by writing The Dr. Williams' Medicine Co., Brockville, Ont.

## A Boy Hanged for Stealing.

Many a man in the olden days was hanged for a very slight infraction of the laws. Even in New Brunswick there is a tradition that a colored boy was once strung up for stealing a loaf of bread. Probably the poor fellow needed the food, and the punishment was certainly far too great, but if they hanged people for stealing bread, what must have been the punishment in those days for neglecting to remit promptly in settlement of newspaper subscription?

Let me mail you free, to prove merit, samples of my Dr. Shoop's Restorative, and my Book on either Dyspepsia, The Heart, or The Kidneys. Address me, Dr. Shoop, Racine, Wis. Troubles of the Stomach, Heart or Kidneys, are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak Stomach nerves—the inside nerves—means Stomach weakness always. And the Heart, and Kidneys as well, have their controlling or inside nerves. Weaken these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves." Also for bloating, biliousness, bad breath, or constipation, use Dr. Shoop's Restorative. Write for my free Book now Dr. Shoop's Restorative. ## Gallagher Bros O. K.

J. Douglas Black, undoubtedly the leading sporting writer in the Maritime Provinces, makes the following reference in the Gleaner to the local track and its proprietors:—

From all appearances, it seems that Dominion Day races at Woodstock are mostly for local and Maine horses. There will also be racing during Carnival week, it is said, and that coming in August will make it convenient for the horses racing on the Maritime Circuit to visit the Carleton County town.

The Gallagher Bros. are genuine sportsmen and they have my best wishes for a successful season with their track. The Woodstock track will receive a generous patronage from this city this year.

## Hartland.

We are informed that Bro Stockford who has recently resigned from the Coldstream Circuit has received a call to the South Wayne Free Baptist Church. It seems too bad that all our young men cannot be persuaded or induced to stay in this province. Nevertheless we wish deeply to regret these facts over this province. We also wish to say that should Mr. Stockford leave us we lose a promising young man from the ranks of its Christian Ministry and our prayers and best wishes are for him.

## ONE INTERESTED.

## Will Vote Next Week.

If everything goes as has been planned, the ratepayers will, on Friday of next week, decide whether the Town is to guarantee the bonds of the Dunbar Co to the extent of \$50,000. The proposition is not at all similar to a direct bonus, such as was handed on a silver platter to the local meat factory. It is one involving no direct, and very likely no indirect, outlay,—simply endorsing for the company. We advise all citizens who have the welfare of the town at heart to vote for the proposition.

The Chapman Concert Friday evening drew a small but select audience. The chief interest centred in the appearance of Hans Kronold, the 'cello artist, who is truly a great performer. Miss Aline Grass, the contralto, was suffering from a cold, and consequently was heard at a great disadvantage. Mr. Thomas Henderson, tenor, was fairly well received, and acceptably sang several old favorites. Mr. Chapman accompanied the artists, using a Stanley piano, furnished by Mr. H. H. Lockwood. The great director spoke quite favorably of the instrument.

Madame Calve will be heard at the Bangor Festival in October. This great prima donna receives \$6000 a performance, which is a rather large fee, still thousands gladly pay a couple of dollars to hear her.

Call at our store, please, for a free sample of Dr. Shoop's "Health Coffee." If real coffee disturbs your Stomach, your Heart, or Kidneys, then try this Coffee. Dr. Shoop's Health Coffee is made from pure toasted grains or cereals, with Malt Nuts, etc. You surely like Health Coffee. Sold by ALL DEALERS.

## Thomas Loane.

Word was received here on Monday announcing the death of Thomas Loane at Bathurst, Gloucester Co. The deceased was a brother to John and William Loane, the well-known carriage builders of this town.

Common Sense and Modern Medical Science have reversed the almost universal belief that Rheumatism cannot be cured. The great South American Rheumatic Cure has turned the tables and has given to sufferers a tried, safe, simple and permanent cure. Thousands have testified that it has cured them in three days.—122.

Bad Heart—Could not Lie Down for Eighteen Months.—"I was unable to lie down in my bed for eighteen months, owing to smothering spells caused by Heart Disease. One bottle of Dr. Agnew's Cure for the Heart removed the trouble, and to-day I am as well as ever I was."—L. W. Law, Toronto Junction.—123

## Burglarized.

Last Friday night the Post Office at Upper Woodstock was entered by thieves, and some \$30 stolen. There is no clue to the robbers.

Thomas Hoskins' Nerves.—Mr. Hoskins, a resident of Durham, Ont., for a score of years, was a martyr to stomach and nerve disorders. Schooled to prejudice against "patent medicines," he started using South American Nerve as, he says, "a last resort," but six bottles of this great remedy proved to be his salvation physically. It can be yours.—124

## A Bold Step.

To overcome the well-grounded and reasonable objections of the more intelligent to the use of secret, medicinal compounds, Dr. R. V. Pierce, of Buffalo, N. Y., some time ago, decided to make a bold departure from the usual course pursued by the makers of put-up medicines for domestic use, and so has published broadcast and openly to the whole world, a full and complete list of all the ingredients entering into the composition of his widely celebrated medicines. Thus he has taken his numerous patrons and patients into his full confidence. Thus too he has removed his medicines from among secret nostrums of doubtful merits, and made them remedies of known composition.

By this bold step Dr. Pierce has shown that his formulas are of such excellence that he is not afraid to subject them to the public scrutiny.

Not only does the wrapper of every bottle of Dr. Pierce's Golden Medical Discovery, the famous medicine for weak stomach, torpid liver or biliousness and all catarrhal diseases wherever located, have printed upon it, in plain English, a full and complete list of all the ingredients composing it, but a small book has been compiled from numerous standard medical works, in fact one of the strongest possible terms, each and every ingredient contained in Dr. Pierce's medicines. One of these little books will be mailed free to any one sending address on postal card or by letter to Dr. R. V. Pierce, Buffalo, N. Y., and requesting the same. From this little book it will be learned that Dr. Pierce's medicines contain no alcohol, narcotics, mineral agents or other poisonous or injurious agents and that they are made from native, medicinal plants of great value. In fact, one of the most valuable medicinal plants entering into the composition of Dr. Pierce's Favorite Prescription was known to the Indians as "Squaw-Weed." Our knowledge of the uses of a lot of our most valuable native medicinal plants was gained from the Indians. As made up by improved and exact processes, the "Favorite Prescription" is a most efficient remedy for regulating all the womanly functions, correcting displacements, as prolapsus, anteversion and retroversion, overcoming painful periods, toning up the nerves and bringing about a perfect state of health. Sold by all dealers in medicines.

"THE TOYMAKERS," the latest comic opera to achieve marked success, is decidedly different from all other musical pieces. It is built along original lines, has an original plot and develops laughter at an original rate of speed and in original quantities.

Its author, Charles Felton Pidgin, who is responsible for "the best New England story ever written," Quincy Adams Sawyer, has fairly outdone himself in "THE TOYMAKERS" in providing clean, wholesome fun. Just as "Quincy Adams Sawyer" is the "greatest New England play ever written," so "THE TOYMAKERS" gives promise of being the greatest musical absurdity ever produced. It is scheduled to come to the Opera House, Woodstock, N. B. on Saturday May 25th, 1907 for One Night only and will be produced by "THE JOLLITIES," the company of clever actors, singers and fun-makers.

The company carries all its own scenery and costumes and gives a production, which is far above the average of those usually seen in this town. The music for "THE JOLLITIES" is written by Charles D. Blake and John A. Bennett and there are twenty-six musical numbers, every one of which is a veritable gem. The story takes place in an old English toy-shop, where by means of electricity, a mechanical doll, invented by "John Senior Stubbs," is brought to life. Fun, produced by such a combination of circumstances, is better imagined than described. Sufficient to say that the entertainment never fails to keep its audience laughing from start to finish.

"THE TOYMAKERS" was taken from the book of the same name, written by Mr. Pidgin and those who see the play would do well to read the book.
