WALKER-STEVENSON.

A very pretty wedding took place at the residence of Dr and Mrs N R Colter, Charlotte street, at 4 o'clock this afternoon, when Miss Louise Knight Stevenson, daughter of the late Mr Robert Stevenson, of Woodstock, was married to Mr Charles Gray Walker, son of Mr John Walker, and himself formerly of Woodstock. The ceremony was performed by Rev James Ross in the presence of a number of the intimate friends of the bride and groom. The parlors in which the wedding took place were prettily decorated in green and white, cut flowers and potted plants being used most effectively. As the bride, who was given away by Dr Colter, entered the room Mendelssohn's wedding march was played by Miss Faye V Camber, of Woodstock. The bride, who was unattended, was becomingly attired in a gown of white silk with trimmings of chiffon and baby Irish lace. She wore a veil and orange blossoms. She carried a beautiful shower bouquet of white roses. At the conclusion of the ceremony luncheon was served in the dining room, which was decorated in pink and white.

Mr and Mrs Walker will leave on the 6 o'clock train for a trip to Maritime Province points. After the honeymoon they will take up their residence in Amherst, where Mr Walker is the accountant of the Bank of Nova Scotia. The bride's going away gown was of navy blue chiffon broadcloth. Her hat was of white and old rose, while she wore handsome jet black lynx fur, the gift of the groom. Mrs Walker received very beautiful gifts from her many friends here and elsewhere.

Pathos, mystery, surprise, comedy are blended harmoniously in an evening of enjoyment that is pleasing alike to old, middle-aged and young.

The Vitaphone Co is the recognized leader in the conception and production of feature pictures and with their own positive hits, combined with the best of European novelties and sensations, a program of exceptional merit is assured. The monotony of continuous pictures is avoided by the interpolation of high grade songs beautifully illustrated. Don't miss the great Vitaphone exhibitions. Prices 15 25 35.

Sullivan Bros grand new Rollaway up-stairs in the Young Building is filled with skaters every night. The Liberals of Northampton will meet in Grafton Hall Saturday evening Feb 2nd to elect delegates to the Convention. A full attendance is requested.

The American Vitaphone Co and their world-famous moving pictures will be the attraction for Thursday Jan 31st, in the Opera House. The program to be presented on this occasion will embrace the latest of Vitaphone hits and the best of European novelties and sensations. Included in their all feature program will be a late Vitaphone sensation, "The Jail Bird." The scene opens with a chain gang, shows the revolt and escape, and a fierce encounter in the railroad. It is a chase of freight engine and final escape of the culprit. The finish of this picture showing an old gentleman mistaken for a convict for the fugitive is ludicrous in the extreme. 50 Additional features. New Illustrated Songs.
