The Elmwood lath mill has not been going for over a week and we miss the whistle very much. This mill was in operation about two months and cut up a good deal of lumber in that time. It has created quite a stir in our hitherto quiet neighborhood. In the early part of the winter a good deal of lumbering was done in the place but since the snow got deep, all have quit except the crew of mill-owners themselves. This consists of four or five men chopping and two teams hauling the most of the time.

HOUSE OF ASSEMBLY.

Fredericton, Mar 6th. Hon William Pugsley is now premier of New Branswick, and has succeeded in forming what is destined to prove one of the strongest, most progressive and business-like administrations the province has enjoyed since Confederation.

The premier and four of his colleagues were sworn into office in the executive council chamber at twelve o'clock today by Lieutenant Governor Tweedie, and signed the roll in the following order:

Premier and Attorney General-

Hen William Pugsley. Chief Commissioner of the Board of Public Works-Hon C H LaBil-

Commissioner of Agriculture—Hon LP Farris. Surveyor General-Hon Francis

Solicitor General-Hon Wendell P

When the legislature met at three o'clock Premier Pagsley arose in his place and amidst hearty applause An interesting thing in connection from the government benches announced the personnel of his cabinet as given above.

The Premier also stated that Hon CW Robinson, speaker, would enter the government without portfolio and at the close of the session would become provincial secretary.

Honorable C W Robinson then formally tendered his resignation as speaker, a position he has filled in an eminently satisfactory manner for the past six years. He at once retired from the chamber but returning a moment later took the seat vacated by the late premier in

Premier Pugsley in a graceful speech nominated Mr Charles J Osman, the senior member for Albert, for the office of speaker. In doing so he paid a high tribute to the

worth of that gentleman. The motion was seconded by Mr LaBillois and carried unanimously. Mr Osman returned thanks in a neat speech and was escorted to the chair by Hon, Messrs Pugsley and LaBillois. Standing on the first step

of the dais he said: "It is my pleasure to express my grateful acknowledgement for the high honor conferred on me by the house in electing me to be their speaker. Conscious as I am of my comparative inexperience of parliamentary procedure I should have

The members of the house, led by Premier Pugsley then left their seats and each heartily congratulated the new speaker.
