Bernie Grant a Great Bowler.

Everybody remembers Bernie Grant, who used to be a resident of Woodstock, but is now winning fame and fortune in Canada's metropolis. Bernie is getting to be a great bowler and has distinguished himself by winning three gold spoons this winter in the competitions. In the Independent League of Montreal he was fortunate enough to come out with the very top score, and average of 539 for nine games of three strings each, which is travelling quite a clip. His best single was 256, and the record for three, 610. He was the star of the Y M C A team, and his work was so good that the Victoria Rifles Senior Team got him to help them finish out the season, taking part in three matches already, one of which was in Ottawa against the redoubtable aggregation from the Capital, and in which young Grant came off with flying colors. Last week we announced Mr Grant's coming marriage to one of Montreal's most charming daughters, Miss Florence Broadhurst of Shuter St, which is to take place on Wednesday, 3rd April.

Colic, indigestion, diarrhoea, worms, constipation and other little ills are speedily cured by this medicine. It is absolutely safe—always does good—cannot possibly do harm, and you have the guarantee of a government analyst that the Tablets contain no opiate or poisonous soothing stuff.

If you do not want an Acme Vegetable Strainer for your own use, do not miss the chance to order one for some friend who might not have the opportunity.

How To Cleanse the System.—Parmelee's Vegetable Pills are the result of scientific study of the effects of extracts of certain roots and herbs upon the digestive organs. Their use has demonstrated in many instances that they regulate the action of the liver and the kidneys, purify the blood, and carry off all morbid accumulations from the system. They are easy to take, and their action is mild and beneficial.

Every Housekeeper in Woodstock should avail herself of the opportunity of ordering an Acme Vegetable Strainer from A R Rigby, who will call on you in a few days, with a sample, soliciting orders.

A CAREFULLY PREPARED PILL.—Much time and attention were expended in the experimenting with the ingredients that enter into the composition of Parmelee's Vegetable Pills before they were brought to the state in which they were first offered to the public. Whatever other pills may be, Parmelee's Vegetable Pills are the result of much expert study, and all persons suffering from dyspepsia or disordered liver and kidneys may confidently accept them as being what they are represented to be.

The Musicals in the Methodist Church last Friday evening was a great success—the receipts were about \$40.

A MEDICINE CHEST IN ITSELF.—Only the well-to-do can afford to possess a medicine chest, but Dr Thomas' Eclectic Oil, which is a medicine chest in itself being a remedy for rheumatism, lumbago, sore throat, colds, coughs, catarrh, asthma and a potent healer for wounds, cuts, bruises, sprains, etc., is within the reach of the poorest, owing to its cheapness. It should be in every house.

Mr and Mrs H Paxton Baird returned last week from Toronto.

Cholera morbus, cramps and kindred complaints annually make their appearance at the same time as the hot weather, green fruit, cucumbers, melons, etc., and many persons are debilitated from eating these tempting things, but they need not abstain if they have Dr J D Kellogg's Dysentery Cordial and take a few drops in water. It cures the cramps and cholera in a remarkable manner and is sure to check every disturbance of the bowels.

Bowel Troubles

Liver pills, cathartics, mineral waters, often make Constipation worse. They merely irritate the bowels and force them to move—stop taking purgatives and the bowels become "tight" again.

"Fruit-a-tives" are the one certain cure for Constipation

because their action is upon the liver, "Fruit-a-tives" are a liver tonic. They stimulate the secretions of bile by the liver, this bile causes the bowels to move in the natural, regular way and completely cures Constipation.

"Fruit-a-tives are fruit juices with tonics and antiseptics added. In "Fruit-a-tives" one atom of bitter replaces one atom of sweet in the fruit juices, forming a new compound which is many times more active, medicinally, than the fruit juices could possibly be. 50c. a box—\$2.50 for 6 boxes. At all dealers."
