the following plans:

**Avondale Rifle Range.**  
The first shoot over the Little  
Presque Isle Range was held on the  
24th of May.  
Shooting over the four ranges, 200  
300 500 and 600 yards, resulted as  
follows:  
Capt S G Barter.....1st  
Russell Boyer.....2nd  
Jas A Barter.....3rd  
Walter R Cokwell.....4th  
Jonathan Jones.....5th  
There was a small attendance at the  
butts as it was good farming  
weather and almost the total mem-  
bership of this club are farmers.  
The next regular shoot is June 15th  
and it is expected a large number  
will be present.  
James A Barter, the 3rd on the list,  
is the President of the Car Co Liberal  
Association and while sixty five  
years old, is as full of the shooting  
spirit as any boy.

this week.  
Miss Jessie L Daires returned on  
Tuesday from Fredericton.  
Roy Cameron was in town Victoria  
Day the guest of Roy McLaughlan.

from Houlton were here for the 24th.

went to Edmundston on Monday.

turn to Canada about the first of  
August.

on Wednesday and Thursday, June  
12th and 13th. Ministerial sessions  
on Wednesday, general session on  
Thursday.  
The farewell services in the pres-  
ent Methodist Church will be held  
on Sunday. On the following day  
a gang of workmen under the Sup-  
erintendence of Wm Ralston will  
commence the dismantling of the  
structure.  
For years Carleton County was  
given little prominence through its  
representative at Ottawa. Since Mr  
Carvell captured the seat, the change  
is very marked. One can scarcely  
find a leading Ontario paper to-day  
which in discussing the political  
situation fails to speak in eulogistic  
terms of our member. Even his  
opponents credit Mr Carvell with  
energy and ability.  
Mayor Fitzgerald of Boston wants  
to invite every Canadian Mayor to  
come to the Hub during the Old  
Home Week from July 28th to Aug  
3rd. The Canadian Club will assist  
in entertaining the visiting Mayors.  
Dr Robert H Upham, well known  
here, is one of a special committee  
making arrangements. No doubt  
our worthy Mayor will attend the  
festivities, as the event will be a  
memorable one.

**Mann & McKenzie's Agents**  
Here.  
Monday night Assistant Chief En-  
gineer Stewart of Mann & McKenzie's  
staff, accompanied by Gerard G Ruel,  
of the legal branch of the service,  
arrived in town, having come from  
St John via Fredericton, along the  
Valley. Tuesday was spent here,  
and on Wednesday the distinguished  
visitors were driven to Centreville  
by Hon W P Jones and F B Carvell  
M P. The object of their visit is to  
look over the Valley with an eye to  
the railway traffic possibilities, and  
to give the concern an idea of the  
engineering prospects. We under-  
stand the gentlemen were most fav-  
orably impressed with the country,  
and that Mr Stewart is quite of the  
opinion that the new road must come  
by way of Centreville. Hon Mr  
Jones and Mr Carvell strongly urged  
the great advantages of the Centre-  
ville route, and as the company in-  
tend to utilize the best route, there  
is no shadow of doubt that Centre-  
ville will be on the line. The enter-  
prising up country town, once given  
railway communication, will speedily  
become one of the most thriving  
towns in the province. Mr Carvell  
and Hon Mr Jones feel satisfied that  
the road will become a certainty in  
the very near future.

**A New Opera.**  
Woodstock is to have a new  
theatre. Geo W Gibson and J A Hay-  
den have decided to utilize the  
second storey of their new buildings  
for this purpose. It will be the larg-  
est in this section of the country,  
and will have the additional benefit  
of a 25 ft ceiling on the stage. The  
main entrance is to be on Regent  
Street.

**Slander.**  
The Press, when invited to name  
its authority for slandering the  
veteran Archie Scott, took to the  
woods and said nothing. Of course  
it was only a trumped up charge,  
and the Press can't deny that it  
knows Mr Scott never said that the  
present Liberal ticket is a weak one.

**Notice to Rifleman.**  
The first match in the League  
Series will be shot at the 200, 300 and  
500 ranges on Saturday. It is hoped  
that a large number may take part.

In the course of his sermon here  
Sunday night Rev E C Turner said  
Andrew Carnegie would have done  
more good by presenting each  
farmer with a light express wagon  
than has been accomplished by the  
chain of libraries. The reverend  
gentleman ascribes a great deal of  
the falling off in church attendance  
to the introduction of the modern  
two seated carriage. In the olden  
days when express wagons and  
even farm wagons were the common  
means of conveyance, whole families  
drove to church. Now only two or  
three may go from each household.

Pasadena, Cal., News, Friday,  
May 17: Pentecost, the feast of the  
descent of the Holy Spirit upon the  
Apostles, will be celebrated at St  
Andrew's church Sunday. At the  
high mass at 10.30 a m the sermon  
will be preached by the Very Rev  
Wm G Chapman, V. G. Monsignor  
Chapman is vicar-general, or next in  
authority to the Bishop of the di-  
ocese of St John, New Brunswick. He  
is a native of Canada, a pioneer mis-  
sionary of his native country and a  
prominent prelate of the North  
Atlantic coast.

We received this week from the  
management a bunch of complimen-  
tary admission tickets to the James-  
town, Va., Exposition. As the passes  
were unaccompanied by transporta-  
tion we presume the show people feel  
that in a pinch they could get along  
fairly well without our presence.  
At any rate Jamestown is a long way  
off, and while the walking may be as  
good as ever, we are not overly  
anxious to try it. For these simple  
reasons we trust the good Virginia  
folk will not feel unduly offended at  
our failure to patronize their show.  
They have our moral support.
