George Horsman, who struck these parts a few days ago, was doing a snug pocket wine and spirit business, but the eagle eye of Inspector Lindsay became fastened on the culprit, and Wednesday morning four convictions were chalked up against him, who with commendable haste, Horsman had got out of harm's way.

If You Read This

It will be to learn that the leading medical writers and teachers of all the several schools of practice recommend, in the strongest terms possible, each and every ingredient entering into the composition of Dr. Pierce's Golden Medical Discovery for the cure of weak stomach, dyspepsia, catarrh of stomach, liver complaint, torpid liver, or biliousness, chronic bowel affections, and all catarrhal diseases of whatever region, name or nature. It is also a specific remedy for all such chronic or long standing cases of catarrhal affections and their resultant, as bronchial, throat and lung disease (except consumption) accompanied with severe coughs. It is not so good for acute colds and coughs, but for lingering or chronic cases it is especially efficacious in producing perfect cures. It contains Black Cherry bark, Golden Seal root, Bloodroot, Stone root, Mandrake root and Queen's root—all of which are highly praised as remedies for all the above mentioned affections by such eminent medical writers and teachers as Prof. Bartholow, of Jefferson Med. Coll. of Pa.; Prof. Hare, of the Univ. of Pa.; Prof. Finley, of the Univ. of Pa.; Prof. Benedict, of Chicago; Prof. King, M. D., of Cincinnati; Prof. John M. Scudder, M. D., of Cincinnati; Prof. Edwin M. Harte, M. D., of Hahnemann Med. College, Chicago, and scores of others equally eminent in their several schools of practice.

The "Golden Medical Discovery" is the only medicine put up for sale through druggists for like purposes that has any such professional endorsement—worth more than any number of ordinary testimonials. Open publicity of its formula is the best possible guaranty of its merit. A glance at this published formula will show that "Golden Medical Discovery" contains no poisonous, harmful or habit-forming drugs and no alcohol—chemically pure, triple-refined glycerine being used instead. Glycerine is entirely unobjectionable and besides is a most useful agent in the cure of all stomach as well as bronchial, throat and lung affections. There is the highest medical authority for its use in all such cases. The "Discovery" is a concentrated glycerine extract of native medicinal roots and is safe and reliable. A booklet of extracts from eminent medical authorities, endorsing its ingredients mailed free on request. Address Dr. R. V. Pierce, Buffalo, N. Y.

A Serious Charge.

A man named Havelock Sherwood from Avondale was arrested on Tuesday, charged with having carnal knowledge of a young English girl living at his place. The information was laid by Supt Gerow of the Middlemore Home.

After hearing the girl's evidence, Magistrate Dibblee sent the man up for trial at the County Court in December. Next day Judge Carleton with the consent of the Crown, admitted Sherwood to bail in the sum of \$2000.

The Railway.

Wm Downie, general superintendent of the Atlantic Division, C P R, made a tour of inspection over part of the Northern Division last week. He arrived in town on Thursday, and was waited upon by President Dibblee of the Board of Trade, F B Carvell M P, Mayor Munro, Geo E Balmaln and others. In the course of the interview he took occasion to state that the station at Newburg Junction is to be practically cut out, the weigh scales transferred to Woodstock, and a great deal of money expended here next year, probably including the erection of a new depot. He further intimated that the Company will give serious consideration to the suggestion whereby it is proposed to have a parlor buffet car placed on the express running north from McAdam. Mr Downie was extremely cordial, and impressed his visitors most favorably.

There is one thing we should like to see urged by the Board of Trade. We refer to a motor car service between Woodstock and Bath. This would be a splendid thing for the people, and could be operated at small expense. The Fredericton merchants are asking for such a service between their city and Millville. Why not get a move on here and get after the railway people? Here is work for our Board of Trade.

Byron Raymond of Caribou is home on a short vacation.

A young man from the Upper Settlement was seen wending his way down the road, Sunday afternoon in all that rain. We hope he did not get lost at night in the darkness on his return home.

Rev Mr Burt, preached his fare well sermon here Sunday morning. He will be leaving the community this week.

While one young man was paying his last respects to a friend in Hartland, Saturday night before departing for the woods, his horse got tired and sleepy, (no wonder) and fell into an old cellar. When he came to find it in the "wee small hours," he was somewhat surprised to find his horse and carriage in such a mix-up.

The home of Coun Wm C Rideout was the scene of a very happy event at 6 o'clock, Wednesday evening, Nov 6th when his third daughter, Della Elizabeth, was united in marriage to Murry Robinson Cliff of Lower Queensbury, York County.

The ceremony was performed by Rev Mr Daggett assisted by Rev Mr Burt, in the presence of about one hundred guests. Miss Mina Rideout, sister of the bride acted as bridesmaid and Mr Owen Manuel Abby supported the groom. Mrs Ellen Bishop, aunt of the bride played the wedding march. The bride's dress was of white silk, made princess style, trimmed with white chiffon overlace, and passmentrie. She wore a veil. The bridesmaid was dressed in light blue with white tulle and ribbon trimmings.

After the ceremony the guests were seated while refreshments consisting of fowl, salad, cake, coffee and fruit, were served. The presents were numerous and costly, showing the high esteem in which the young couple are held.

The groom's gift to the bride was a gold watch and chain. Mr and Mrs Cliff will leave for their future home in Queensbury next week.—CAPELA.
