

Fight dust—make the
house cleaner
with

Floorglaze

Surface any floor in a few minutes with Floorglaze (500 square feet to the gallon) and that room will get rid of most of the dangers that lurk in dust. Practically, a Floorglazed floor is one seamless and germ-armoured sheet of beautiful color (ten charming shades of Floorglaze—anyone can put it on right)—and it just CAN'T wear off. This is the floor finish that dries hard over-night, with a brilliant gloss which lasts. It is so durable that it does perfectly for floors exposed to the weather (verandas, summer houses, etc.). Nothing else is so well worth the money. Your dealer surely has Floorglaze. But, if he hasn't, we will see your dealer filled. Tell us the dealer's name, and allow us to send you a Free Book you'd care to read.

CHILDHOOD DANGERS.

No symptom that indicates any of the ailments of childhood should be allowed to pass without prompt attention. The little ailments may soon become a serious one, and perhaps a little life passes out. If Baby's Own Tablets are kept in the house minor troubles can be promptly cured and serious ailments thus averted. And the Tablets can be given with equal safety to the new born babe or the well grown child.

Mrs H Gendron, Martineville, Que, says:—"I have used Baby's Own Tablets and have found them in every way satisfactory. I always feel safe when I have them at hand." Sold by medicine dealers or by mail at 25c a box from The Dr Williams Medicine Co, Brockville, Ont.

Cures Woman's Weaknesses.

We refer to that boon to weak, nervous, suffering women known as Dr. Pierce's Favorite Prescription.

Dr. John Fyfe one of the Editorial Staff of THE ECLECTIC MEDICAL REVIEW says of Unicorn root (Helonias Dioica) which is one of the chief ingredients of the "Favorite Prescription":

"A remedy which invariably acts as a uterine invigorator." "It makes for normal activity of the entire reproductive system." He continues "In Helonias we have a medicinal which more fully answers the above purposes than any other drug with which I am acquainted. In the treatment of diseases peculiar to women it is seldom that a case is seen which does not present some indication for this remedial agent." Dr. Fyfe further says: "The following are among the leading indications for Helonias (Unicorn root). Pain or aching in the back, with leucorrhoea; atonic (weak) conditions of the reproductive organs of women, mental depression and irritability, associated with chronic diseases of the reproductive organs of women; constant sensation of heat in the region of the kidneys; menorrhagia (flooding), due to a weakened condition of the reproductive system; amenorrhoea (suppression) or absent monthly periods; abnormal or accompanying an abnormal condition of the digestive organs and systemic (thin blood) habits; dragging sensations in the extreme lower part of the abdomen."

If more or less of the above symptoms are present, no invalid woman can do better than take Dr. Pierce's Favorite Prescription, one of the leading ingredients of which is Unicorn root, or Helonias, and the medicinal properties of which it most faithfully represents.

Of Golden Seal root, another prominent ingredient of "Favorite Prescription," Prof. Finley Ellingwood, M. D., of Bennett Medical College, Chicago, says:

"It is an important remedy in disorders of the womb. In all catarrhal conditions and general enfeeblement, it is useful."

Prof. John M. Scudder, M. D., late of Cincinnati, says of Golden Seal root:

"In relation to its general effects on the system, there is no medicine in use about which there is such general unanimity of opinion. It is universally regarded as the tonic useful in all debilitated states."

Prof. R. Bartholow, M. D., of Jefferson Medical College, says of Golden Seal:

"Valuable in uterine hemorrhage, menorrhagia (flooding) and congestive dysmenorrhoea (painful menstruation)."

Dr. Pierce's Favorite Prescription faithfully represents all the above named ingredients and cures the diseases for which they are recommended.

Mrs Lydia Savage has returned to her home, Lakeville.

In Memoriam.

Mrs Hannah Cross Wiggins, relict of the late Stephen S Wiggins, died at her home Meductic, Carleton Co, May 10, 1908 after a brief illness from apoplexy aged seventy-two and one half years.

The deceased was married to the late Stephen S Wiggins a prominent Orangemen in 1870, and lived for years at Lakeville Car Co, where her husband was engaged in the milling business.

After the death of Mr Wiggins Dec 5, 1891 she removed to Meductic with her son S Camp Wiggins, who owned and operated mills there, and here she lived with her children the remaining twelve years of her life.

Mrs Wiggins was beloved by all for her kindly motherly nature, she was a faithful member of the Episcopal church and was always delighted to make those she came in contact with happier and better.

She left to mourn her sad loss a son, S Camp Wiggins, three daughters Mrs Hazen Scott, Mrs John Marsten, Meductic, Mrs Stanley Britton, Lowell, Mass, and an adopted daughter Mrs Geo Simms, who were all present at time of her death.

Rev J E Flewelling for many years a friend and pastor, attended the funeral services at the home after which the remains were driven to Centreville and interred in the family lot of the Episcopal cemetery. Com.

Pimples and Boils.

HEALED BY ZAM-BUK.

Mr Joseph Arsault resides at Cas-cumpec, P E I, and says:—"About five months ago sores broke out on my body. They came in the form of small pimples which discharged. These sores would grow until they got as large as a nickel. I used Carbolic Salves without effect. I saw Zam-Buk advertised in the papers and secured some, and daily applications of this healing balm for one week effected a permanent cure. Since then I have recommended Zam-Buk to my brother for boils on his knee, and also used it again myself for a poisoned finger, in both cases with marvellous results. I cannot recommend Zam-Buk too highly."

Zam-Buk, the great skin healer, can be obtained at any drug or general store for 50 cents a box, or post-paid from the Zam-Buk Co., Toronto.
