Mr Crockett of York.

The young member for York, who up to the month of July 1896 was a pronounced Liberal and underwent conversion in a day, has for four years been a making great show of himself in the Commons. An itching for notoriety may not be such a very bad thing, but when the undesirable kind is attained as has been the case with the self-opinionated member for York, the effect upon one's constituency is not beneficial so far as the member is concerned. Through his personal puffery department Mr Crockett has been making himself doubly ridiculous, and the only conclusion we can reach is that the County of York will be well rid of his services as representative. Certainly as between him and Mr Whitehead no reasonable man need err in making a choice.

Heat prostrates the nerves. In the summer one needs a tonic to offset the customary hot weather Nerve and Strength depression. You will feel better within 48 hours after beginning to take such a remedy as Dr Shoop's Restorative. Its prompt action in restoring the weakened nerves is surprising. Of course, you won't get entirely strong in a few days, but each day you can actually feel the improvement. That tired, lifeless, spiritless, feeling will quickly depart when using the Restorative. Dr Shoop's Restorative will sharpen a failing appetite; it aids digestion; it will strengthen the weakened Kidneys and Heart by simply rebuilding the worn-out nerves that these organs depend upon. Test it a few days and be convinced. Sold by ALL DEALERS.

To be up to date buy a Brass or Iron Enamelled bed. The A Henderson Furniture Co have the greatest variety to select from.

Pain will depart in exactly 20 minutes if one of Dr Shoop's Pink P. in Tablets is taken. Pain anywhere. Remember! Pain always means congestion, blood pressure—nothing else. Sold by ALL DEALERS.

Even the Courier can't stand the ignorant pomposity of Mr Kidd Fleming, the new provincial secretary. Editor Clarke says his recent letters to Hon Mr Pugsley, which have been made public, are "undignified." This is scarcely the word. They are impertinent, and exhibit a narrowness and ignorance out of keeping with Mr Fleming's official position. Mr Hazen should insist upon receiving a "revised proof" of his colleague's letters before they are given to the public. Bro Clarke ought to be thankful that he was not given a place in this cabinet of amateurs.—Beacon.

MINARD'S LINIMENT CO., LIMITED.

GENTLEMEN,—Last August my horse was badly cut in eleven places by a barbed wire fence. Three of the cuts, (small ones) healed soon, but the others became foul and rotten, and though I tried many kinds of medicine they had no beneficial result. At last a doctor advised me to use MINARD'S LINIMENT and in four weeks' time every sore was healed and the hair has grown over each one in fine condition. The Liniment is certainly wonderful in its working.

What Kind of a Cabinet?

Just for the purpose of argument let us suppose that the people of Canada will be so utterly blind to their own interests as to send a Conservative majority in the next parliament. What sort of men would Mr Borden be compelled to call to his counsels? George E Foster undoubtedly for one, Herbert B Ames another, and so on down through the whole list embracing Bennett, Fowler and all the high muckamucks of the scandal brigade. What a nice assortment,—how proud we should be of our rulers! The people, however, are not to be fooled. Sir Mackenzie Bowell, an ex-Conservative premier, is on record as publicly stating from his place in the Senate that so long as such men as George E Foster are retained high in the counsels of his party so long will public confidence be withheld from the party. We are inclined to agree with Sir Mackenzie's opinion, and we feel that at least sixty per cent of the electorate will vote accordingly.
