Nearly every malignant disease finds dust its best messenger and thus Floorglaze floor finish, in any of its seven pleasing shades, deprives dust of its chief stronghold—the floor. Floorglaze costs little—a gallon covers 500 square feet. Any one can apply it right. It just CAN'T wear off—tho' it does dry hard in a single night. Floorglaze is so durable, and stands hard wear so well, that it serves perfectly for floors exposed to the weather—balconies, summer houses, verandas, etc. Floorglaze sold only by W F Dibblee & Son.

The proceedings on Tuesday at the Court House were of the quietest nature. Only half a dozen men put in an appearance, including sheriff, clerk, agent, crier and caretaker. Hon Mr Flemming was in town, but did not go to the Court House. At two o'clock Sheriff Hayward, by a show of hands, declared the new Provincial Secretary duly elected.
