

AMERICAN OFFICERS OF HIGH RANK AND OTHERS ENDORSE PE-RU-NA.

Prominent People Recommend the Remedy,
Pe-ru-na.

Dr. Hartman's World Renowned Catarrh Medicine.

A Remedy for the Grip.

Gen. W. H. Parsons, 925 H St., N. W., Washington, D. C., writes as follows:
"Upon the recommendation of personal friends and many strong testimonials to the efficacy of Peruna in the treatment of the numerous symptoms of the grip with which I have been afflicted for four months past, I have been induced to undergo a treatment of this justly celebrated formula.

"I feel a decided change for the better by its use for one week only, especially in toning up the stomach, and a consequent decided effect upon my appetite.

"I therefore feel much encouraged that I am on the road to complete restoration.

"My numerous friends in Texas, where I have had the honor to command a brigade of her veteran cavalry in a four-year war, may accept this voluntary testimonial to the merit of Peruna from a sense of obligation for its wonderful efficacy."

Pe-ru-na a Good Tonic.

Gen. M. C. Butler, of South Carolina, writes from Washington, D. C., as follows:

"I can recommend Peruna for dyspepsia and stomach trouble.

"I have been using your medicine for a short period and I feel very much relieved.

"It is indeed a wonderful medicine, and besides a good tonic."

Colds in the Head and Throat.

Chas. W. Bowman, 1st Lieut., and Adj. 4th M. S. M. Cav. Vols., writes from Lanham, Md., as follows:

"Though somewhat averse to patent medicines, and still more averse to becoming a professional affidavit man, it seems only a plain duty in the present instance to add my experience to the columns already written concerning the curative powers of Peruna.

"I have been particularly benefited by its use for colds in the head and throat.

"I have been able to fully cure myself of a most severe attack in forty-eight hours by its use according to directions.

"I use it as a preventive whenever threatened with an attack.

"Members of my family also use it for like ailments.

"We are recommending it to our friends."

GEN. L. KIRBY

Gen. A. M. Legg

GEN. L. YODER

Used Pe-ru-na—Satisfied as to Its Merits—
—Recommends It to All Sufferers.

Gen. S. S. Yoder, 203 Md. Ave., N. E., Washington, D. C., writes:
"I desire to say that I have found Peruna to be a wonderful remedy. I only used it for a short time and am thoroughly satisfied as to its merits. I shall gladly recommend it to all sufferers."

Recommends Pe-ru-na to the Afflicted.

Brig. Gen. D. T. Kirby, Washington, D. C., writes concerning Peruna, as follows:

"Friends of mine having used your Peruna catarrh cure with good results, I am impressed with its curative qualities, and can recommend it to those who are afflicted."

Usefulness of Pe-ru-na.

Peruna brings to the home the combined knowledge of several schools of medicine in the treatment of catarrhal diseases, the scientific skill and knowledge of the pharmacist, and the vast and varied experience of Dr. Hartman himself in the use of catarrhal remedies.

For Catarrh of the Stomach.

Gen. W. W. Duffield, Washington, D. C., writes:

"I have used Peruna in my family and have found it a valuable medicine and take pleasure in recommending it to all who suffer from catarrh of the stomach or who require a tonic of prompt efficacy."

DEAFNESS CAUSED BY CATARRH— RELIEVED BY PE-RU-NA.

Gen. A. M. Legg writes from the Savings Bank Building, Washington, D. C., as follows:

"I take pleasure in endorsing the many recommendations I have heard and read of Peruna, because of having had knowledge of the truth of so many of them.

"We always tell our sick and ailing friends of the remedies that we have learned, from experience, were good for us when ailing in the same way, and we do it as a duty we feel that we owe them.

"Why is it any the less our duty to advise all the people we can when we know of a good and comparatively inexpensive remedy that makes many cures, and benefits in almost all cases?"

"My own little personal experience of being relieved of deafness, caused by a siege of catarrh, warrants me in advising all the afflicted to just try Peruna."

For Kidney Trouble, Coughs, Colds and Catarrh.

Gen. A. F. Hawley, 1336 25th St., N. W., Washington, D. C., writes:
"I have used Peruna and find it very beneficial for kidney trouble, and especially good for coughs, colds and catarrhal trouble."

Indigestion and Nervousness.

Gen. George B. Williams, whose Washington address is 2121 Bancroft Place, writes: "I have been for many years a great friend of Peruna. It has always helped me wonderfully. I can recommend it for indigestion and nervousness without any qualifications. I am always in possession of a supply of this medicine, and, when required, free to use it."

When Other Remedies Failed Pe-ru-na Proved Efficacious.

Hon. Geo. W. Honey, National Chaplain, U. V. U., Ex-Chaplain 4th Wisconsin Cavalry, Ex-Treas. State of Wisconsin and Ex-Quartermaster General State of Texas G. A. R., writes from 1700 First street, N. E., Washington, D. C., as follows:

"I cannot too highly recommend your preparation for the relief of catarrhal troubles in their various forms.

"Some members of our own family have used it with most gratifying results.

"When other remedies failed, Peruna proved most efficacious and I cheerfully certify to its curative excellence."

Pe-ru-na a Standard Treatment for Catarrhal Diseases.

Mr. John C. Nelson, Dayton, T. nn., geologist and mining engineer, while a Captain in the Federal Army during the Civil War, contracted a case of rheumatism. This malady was constant and persistent, inducing the development of other ailments, which also became chronic. After taking a course of Peruna, Captain Nelson writes:

"Having been painfully afflicted with chronic rheumatism and the adjunctive complications for many years, and after having received many general and special treatments with only temporary relief, I read your scientific treatise on catarrhal diseases.

"At my request you prescribed a special course of the Peruna remedies, which I closely followed, and am happy to report that my rheumatism and complicated ailments are subdued, and I feel young again at the age of 69 years.

"Reason will accept your classification of catarrhal diseases as scientific and true, and the Peruna remedies as a standard treatment for them. I thank you heartily for your skilled and logical advice."

Regained Health and Strength.

Mr. Fred P. Allen, Special Agent for Fidelity & Casualty Co., 309 Hibernia Bank Building, New Orleans, La., writes:

"About two years ago I was troubled with bronchitic asthma, and was treated by the best physicians in our city, but receiving no benefit from them, I began to despair lest I should not recover.

"I wrote to Dr. Hartman and he prescribed for me. By faithfully following his directions, in six months I was cured of the asthma and the cough had disappeared entirely. I regained my health and strength, and the twenty-five pounds which I had lost, and am thankful to say that I am as well as ever."

The Liberal Convention.

The federal government in its desire to expedite the business of parliament has curtailed the Easter holidays for members of the Commons and in so doing has compelled a change in the plans for the Convention of New Brunswick Liberals, arranged for next week. Contrary to custom, the House will take recess only over Easter Sunday and Monday and will resume session on Tuesday, April 22nd, thus making it impossible for all the Liberal members to attend the Convention arranged and advertised to meet in St John on Wednesday, April 22nd. This unexpected change has forced those who have had in charge the preparation for the Convention to choose whether to allow it to proceed in spite of the probable absence of some of the members or to postpone it.

They have done wisely to follow the latter course. It is inconvenient, of course, to make a change at this late date; it involves some extra expense, and it is somewhat embarrassing also in that it gives opponents opportunity to misrepresent the reasons. But these objections are very trivial in comparison with the disadvantage of holding a Convention not fully and fairly representative of the whole Liberal party in New Brunswick.

This Convention will mark a very important epoch in provincial Liberal history, and upon its success depends largely the welfare of the party in the immediate future. In the presence of a representative convention of Liberals earnestly and intelligently desirous to serve the party's interests in the most effective way, all present difficulties would easily disappear.

It is particularly necessary that the men who represent New Brunswick Liberalism in parliament should be present. They are the leaders of Liberal opinion; the men to whom the party looks for inspiration and energetic assistance. It is of urgent importance that they should take the lead in the reorganization which is needed; that they should be unitedly prepared to take upon themselves the heaviest burden of the work which lies between the party and victory. A convention without their attendance would start its effort under a great handicap. Postponement until such a time when all of them could come was the only wise course in the circumstances.

It is apparently impossible at this time to fix a new date for the Convention. The provincial legislature meets April 30th and will probably sit for little over a month. By the time the legislature prorogues it will probably be known when parliament will end its session and by then the leaders should be able to select a date for the meeting satisfactory to all. Meanwhile every Liberal concerned in the welfare of his party can do much in the way of friendly conference and personal effort and planning to make the Convention, what it comes, such a success as it must be if the party is to win elections and prosper.—The Sun.
