SCALDED BY BOILING FAT

COULDN'T USE HAND FOR A MONTH

Zam-Buk Gave Instant Relief

An accident in a Toronto home might have had very serious consequences had it not been for Zam-Buk. Miss Martha Green, of 9 Claremont St., in taking a pan of boiling fat from the oven split it over her right hand. "The boiling fat ran into the palm of my hand," she says, "and over all my fingers. I was almost wild with the pain. The hand became swollen, and large blisters formed all over the palm and along the fingers. For over a month I was unable to use the hand at all. I tried several kinds of salves and liniments but the would seemed apparently no better. It was altogether too severe for these preparations to heal."

About this time I was advised to try Zam-Buk. I stopped using all other preparations and applied it instead. The very first application soothed my hand and seemed to draw out the fire and inflammation, and as I kept on using Zam-Buk the blisters gradually dried up and disappeared. In a very short time the scald was healed completely."

This is but one instance of the use to which Zam-Buk can be so advantageously applied. It is equally effective for burns, cuts, bruises, abrasions, sprains and stiffness. It also cures eczema, ulcers, sores, blood poisoning, ringworm, scalp sores, chronic wounds, blackheads, pimples, cold sores, chapped hands, and all skin diseases and injuries. Rubbed well on to the chest, in cases of cold, it relieves the aching and tightness, and as a lie on an embrocation it cures rheumatism, sciatica, neuralgia, etc. All druggists and stores sell at 50c a box, or post free from Zam-Buk Co., Toronto, for receipt of price. 3 boxes for \$1.25.

Andover.

The roller rink opened Friday eve. to the public and was very well attended under the auspices of the Andover Brass Band which furnished excellent music. It will be open every Monday and Friday evening with two chapbooks each evening, one from Perth and one from Andover.

Mr. and Mrs. T. J. Carter entertained very pleasantly at "Whist" on Tuesday evening last. It was the first social event of the fall season. Those present were Mr. and Mrs. S. P. After playing a dainty collation was served then all joined in singing "God save the King" My Country 'tis of thee" For he's a folly good fellow" and Auld Lang Syne."

Mr. and Mrs. C. J. Allan left on Friday for their home in Bangor Me.

Mrs. Judson Manzer is critically ill with a relapse of typhoid.

The customs officials it is reported are very active in looking after any goods that are being illegally imported.

Trinity church members are putting on a play "Bar Haven" to take place early in December.

F. B. Carvell passed through Friday enroute Grand Falls and visited his brother who holds a position on the G. T. R. near Grand Falls. He returned Monday.

The home of C. F. Grant of Perth has been gladdened by the addition of twin boys.

Canterbury.

As it has been some time since I have seen any news from this thriving little place, I make a bold effort to write a little.

Election passed off very quietly for something new, as it always is a very exciting tide, but owing to the new government, it was like the weather this fall very mild.

Burns Ritchie spent Sunday with friends in Houlton. It is rumored he intends spending the most of his life in Uncle Sam's domain, as school teacher's wages are better over there.

Mrs. Jarvis Law is very low at her home and her daughter Bella of New York is nursing her. Mrs. John Jarvis continues very low.

Mr. Leslie Drysdale and Mr. Glew of Woodstock attended the roller rink at Houlton recently and report a very fine time indeed.

All the girls from this place have gone to that little place called Houlton and no wonder the boys all look blue and have gone to the woods.

Hugh Adam has returned from the lumber woods and reports a very fine winter and not much snow.

It was with very much regret we heard of the death of Burt Keith, as he was very much thought of and had many friends here.

Mr. and Mrs. Tom Derrick are receiving congratulations upon the arrival of a young son the 9th inst.

Miss Mary Jamieson has got some nice new costumes made by Miss Bryner. I suppose she is going to Houlton to spend the winter.

Murry Darling took a three days vacation and returned looking very happy, but as though he had more than him self to care for. Congratulations Murry. I would have liked to get her myself. We walk up and get a few cigars for him.

Miss Alma Glew is away with friends in St. Stephen.

Tom McMullin has returned home to get a moose.

The well known Commercial Traveller, Mr. Polly has been around and it is said O. P. gave him a large order for cigars and candy. He must be going to start up a confectionary store. Success Charles.

The people of this town intended having electric lights in their homes, but fortunately a new diamond ring strayed to town and now the reflection of that is all that is required.

J. J. Fraser, St. John, is learning the shoe-making trade with Mr. Scott & Son.

It looks very lonesome on Sunday without Mike's smiling face. No attraction in N. B. now, is there Mike old boy? It is too late for haying as harvesting is done and two sheaths bound by U. S. Binder.

Miss Ethel Jamieson intends spending a few days this week in Houlton with her sister, Elizabeth Jamieson. I suppose she thinks she won't use her adopted name for a while.

Scott Ritchie has returned from potato digging and reports hard times.

Allen Moran is doing a thriving business which he deserves and may it still continue.

Rev. Mr. McDonald, Meductic, N. B. is holding revival meetings at Back Lane and is doing good work. The praying band certainly deserves credit for their noble work.

I think we deserve a new doctor in this town as he and Mr. Stork are bringing a lot of boys and leaving them around here. As war is over I think a lot of cooks would be more appropriate, as cooks and school teachers are nearly a thing of the past in Canterbury.

George Scott has taken a contract to keep the California Sett road open from Friday night to Monday morning for the winter months.

The Episcopal Church is completed and look very nice. Mr. Flewelling will hold service Sunday evening.

I hear that Winnie and May are trying to secure a position in Depow's store at Grant's Crossing for the winter. They also have some very nice valentines ready, so boys patronize the girls.

As there is no one around here now, I think this is enough and if this don't go to the waste basket I will call again.—News Bag.
