A SUCCESSFUL MEDICINE.—Everyone wishes to be successful in any undertaking in which he may engage. It is therefore, extremely gratifying to the proprietors of Parmelee's Vegetable Pills to know that their efforts to compound a medicine which would prove a blessing to mankind have been successful beyond their expectations. The endorsement of these Pills by the public is a guarantee that a pill has been produced which will fulfill everything claimed for it.

A CURE FOR CONSTIPATION.—Constipation comes from the refusal in the excretory organs to perform their duties regularly from contributing causes usually disordered digestion. Parmelee's Vegetable Pills, prepared on scientific principle, are so compounded that certain ingredients in them pass through the stomach and act upon the bowels so as to remove their contents and arouse them to proper action. Many thousands are prepared to be a testimony to their power in this respect.

To be up to date buy a Brass or Iron Enameled bed. The A Henderson Furniture Co have the greatest variety to select from.

CHEAPEST OF ALL MEDICINES.—Considering the curative qualities of Dr Thomas' Electric Oil it is the cheapest medicine now offered to the public. The dose required in any ailment is small and a bottle contains many doses. If it were valued at the benefit it confers it could not be purchased for many times the price asked for it, but increased consumption has simplified and cheapened its manufacture.

Carpets form one of our specialties. We have them to suit any purse. Call and see them at The A Henderson Furniture Co's store.—tf

No one need fear cholera if they have a bottle of this medicine convenient.

Halifax, N.S.—

Dear Chum:

I am enjoying my visit with grandpa and grandma hugely. Yesterday grandpa took me down to the docks to see the ocean liners. Gee! they're whoppers! I bought me my third box of Moir's Chocolates. They are the sweetest candies ever. The chocolate outsidies are awfully smooth and rich, and in the inside are cream, jellies and nuts. Those called Moir's Chocolate Chips taste like honey dipped in chocolate. Another kind called Moir's Nougatines are so good that I stayed to the docks into promising me another box tomorrow! Not a bit homesick.

Your old chum,
Tommy.
