They Repair Waggon

Small & Fisher, Ltd. make a specialty of Repairing Waggon. —tf-13

Hon Byron Boyd of Augusta is chairman of the Maine Republican Executive Committee having charge of the campaign for the election of Hon Bert M. Fernald as governor. The Democratic nominee is Hon Obediah Gardiner. Were it other than a presidential year we would be inclined to the view that even with such an astute gentleman as Byron Boyd for his political master of ceremonies there would be little hope of Fernald's election, but coming as it does right on the eve of the big struggle, Maine's contest next month will doubtless be chalked up another victory for the G. O. P. The Pine Tree state may go Democratic sometime, but we have just about given up all hope of it coming in the present generation.

Very many persons die annually from cholera and kindred summer complaints, who might have been saved if proper remedies had been used. If attached do not delay in getting a bottle of Dr J. D. Kellogg's Dysentery Cordial, the medicine that never fails to effect a cure. Those who have used it say it acts promptly, and thoroughly subdues the pain and disease.

Miss Marguerite M. Smith, daughter of ex-Ald W. N. Duppa Smith, in the list of teachers of the first class this year stood seventh out of a class of 99. This bright young lady has been appointed to the town staff.

Is Nature's Storehouse There Are Cures. —Medical experiments have shown conclusively that there are medical virtues in even ordinary plants growing up around us which give them a value that cannot be estimated. It is held by some that Nature provides a cure for every disease which neglects and ignorance have visited upon man. However, this may be, it is well known that Farnes's Vegetable Pills, distilled from roots and herbs are a sovereign remedy in curing all disorders of the digestion.

A jolly party composed of Mr and Mrs O. A. Townsend, the Misses Ada Boyer, Carrie Boyer, Maud Allan, M. McWha, Lucy McLean, Alice Denison, Carrie Hull, Mary Street, and Mrs Frank Hull, and Will Dalling, B. V. Lingley, Arch Cole, Josh Corkery, Fred McLean, Arch McLean, Ken McLean, Perley Hartley, Gordon Munro, and Walter Cogger, camped out at Jackson Falls from Saturday to Monday of last week.

THE DEMON DYSPESIA. —In olden times it was a popular belief that demons invisibly through the ambient air, seeking to enter into men and trouble them. At the present day the Demon, dyspepsia, is at large in the same way seeking situation in those who by careless of unwise living invite him. Although he enters a man it is difficult to dislodge him. He that finds himself so possessed should know that a valiant friend to do battle for him with the unseen foe is Farnes's Vegetable Pills, which are ever ready for the trial.

Clara M. McLellan, Annie L. Gray, R. Espy Craig, Mary I. Cochrane, Ethel M. Wakem, Mabel A. Ebbett, Helen E. Harper, O. Belle Simonson, Sadie Sharp, and Laura H. Page, all of this County, have made over 70 per cent on Second class final examinations.

TRIAL PROVES ITS EXCELLENCE. —The best testimonial one can have of the virtue of Dr Thomas' Electric Oil in the treatment of the respiratory organs, is a trial of it. If not found the sovereign remedy it is reputed to be, then it may be rejected as useless, and all that has been said in its praise denounced as untruthful.

Varda M. Burt, Jennie L. Danks, M. Edith Weade, and Pearl E. Raymond, all bright Carleton County girls, has just been awarded first class teachers licenses.

There can be a difference of opinion on most subjects, but there is only one opinion as to the reliability of Mother Graves' Worm Expeller. It is safe and effective.

H. Birmingham vs Geo Porter of Weston, arising out of a \$42 note of the old Woodstock Carriage Co, was tried on Thursday last before the Police Magistrate. Mr Porter denied signing the note, and the jury, composed of Hugh Dalling, Randolph McLean and John Brown, decided in his favor. T. M. Jones for plaintiff; W. M. Connell L.L.B. for defendant.

Are you a sufferer with corns? If you are get a bottle of Holloway's Corn Cure. It has never been known to fail.

August time, tells on the nerves. But that's a tiresome no ambition feeling can be easily and quickly altered by taking what is known by druggists everywhere as Dr Shoop's Restorative. Use within 48 hours after beginning to use the Restorative, improvement will be noticed. Of course, full health will not immediately return. The gain, however, will surely follow. And best of all, you will realize and feel your strength and ambition as it is returning. Outside influences depress first the "inside nerves" then the stomach, heart, and kidneys will usually fail. Strengthen these failing nerves with Dr Shoop's Restorative and see how quickly health will be yours again. Sold by ALL DEALERS.

The footprints of Dyspepsia have been directly traced to the Stomach nerves. When these "inside nerves" fail, indigestion and stomach distress must surely result. For this druggists everywhere are supplying a prescription known as Dr Shoop's Restorative. First, these tiny inside Stomach, Heart, and Kidney nerves fail. Then gas belching, Heart palpitation or failing Kidneys follow. Don't drug the Stomach, or stimulate the Heart or Kidneys. That is wrong. Strengthen these failing nerves with Dr Shoop's Restorative. It is the nerves, not the organs that are calling for help. Within 48 hours after starting the Restorative treatment, you will realize the gain. A test will tell. Sold by ALL DEALERS.
