#### ONCE MORE WELL "FRUIT-A-TIVES" ALONE GURED HIM

Clarence J. Placey is a farmer of Ulverton, Que., known as a man of integrity and good judgment. He writes in no uncertain terms of the great benefit he derived from taking "Fruita-tives" for a long standing kidney

Ulverton, Que.

I suffered for many years with kidney trouble, with bad pain in the back and all symptoms of disease of the kidneys. I took every known kidney remedy and kidney pill but nothing gave me relief and I was getting discouraged. I was advised to try "Fruit-a-tives" and I did so—and this medicine cured me when every other remedy failed. I used altogether fifteen boxes of "Fruit-a-tives" and from the outset they give me relief and I am now practically well again, no pain in the back, no distress, and all the symptoms of severe kidney disease have entirely left me. I am very thankful to be once more well and I freely make this statement for the sake of others who may suffer as I suffered and to them I say "Try "Fruit-a-tives." 151 (Sgd) CLARENCE J. PLACEY.

"Fruit-a-tives" - or "Fruit Liver Tablets" are sold by dealers at 50c a box -6 for \$2.50-or will be sent on receipt of price. Fruit-a-tives Limited, Ottawa.

The base ball game played at Florenceville, the 12th inst between the Glassville Athletic Club and the Florenceville Tartar Team, was won (2) by the Tartars. The Glassville Team fought nobly and well, but not having received a very cordial welcome to the town, were somewhat disheartened. The honr decided on for the game was 3 decided on for the game was 3 o'clock, but on arriving at Florence-ville the Glassville team found that the Tartars had postponed the game until 6 30 for the convenience of some members who were imported from Centerville and Hartland for

Supper was served on the grounds for the Glassville team, but their lady friends were significantly over-looked by the entertaining committee, which does not speak very well for Florenceville deportment. The game commenced at 7.30 between Glassville and Florenceville, the latter team composed of seven

First inning, Glassville brought in 3 scores, Florenceville 1. Glassville 2nd inning, a man on every base. Mc Intosh at the bat knocked a fly which brought in all four men; the lorenceville to a former member.

which brought in all four men; the umpire — a former member of the Florenceville team — kindly pronounced this grand fly a foul ball and brought them back to their former position. Two men out, and Mc Intosh being rather tired after the long home run was easily fanned. This ended Glassville 2nd inning Florenceville failed to score until the 6th inning while Glassville score came up to 6. making the score 6 to 1. At the 2nd inning Hartland men retired, succeeded by the Centreville Battery, West and White. Neither side scored until Florenceville 6th inning, when they (the Tartars) brought forward 12 scores, and this was only accomplished through the most dire dishonesty, their position most dire dishonesty, their position being exactly the same as Glassville 2nd inning, the man at the bat knocking a fly in the very same place;

The next 4 scores were run in by an over throw made by the man on third, the ball going still further by the assistance of a Florenceville man who is early displaying his capacities for meanness in baseball. Three more scores were run in for Florenceville before the 6th inning was ended; score 13 to 6. The umpiresatisfied-called the game off, claming his authority from the rule that the 5th inning for any plausible

Our local M P P., to smooth the matter over, treated the G A C to ice cream, which was received in the same spirit it was given.

Dr Williams' Pink Pills Are Bringing Health to Weak, Despondent People.

There is not a nook or corner in Canada, in the cities, towns, villages and farms where Dr Williams Pink Pills have not been used, and from one end of the country to the other they have brought back to breadwinners, their wives and families the splendid treasure of new health and new strength. You have only to ask your neighbors and they can tell you of some nerve-shattered man, suffering women, ailing youth, or unhappy anaemia [girl who owe present health and strength to Dr Williams' Pink Pills. Their wonderful success is due to the fact that Dr Williams' Pink Pills go right to the root of the disease in the blood, and by making the vital fluid rich and red, strengthen every organ and every nerve, thus driving out disease and pain.

Mr Joseph Lacombe, Quebec City, says:-"To-day I weigh about forty pounds more than I did a year ago, and am in every way in much sounder health. For upwards of two years I had been studying hard to pass my examinations and my health had completely given way under the strain, I lost flesh rapidly, my appetite was gone and my nerves were greatly weakened. I was obliged to abondon my studies and was in a state of complete exhaustion. I consulted a physician, but as I was daily growing weaker I decided to try Dr Williams' Pink Pills, which I had often heard very highly spoken of. The beneficial effects were indeed remarkable for I had not used more than a couple of boxes when I could feel an improvement, and hope returned. I continued using the pills for some weeks longer, with the result that my strength increased daily SYNOPSIS OF CANADIAN NORTH-WEST and I was soon able to take over my studies and work with as much energy as I had ever done. To-day I am in perfect health and I attribute my recovery solely to Dr Williams' Pink Pills."

Nature undoubtedly has a vegetable remedy to relieve every ailment known to man, if physicians can but find Nature's way to health. And this is strikingly true with regard to Constipation.

The bark of a certain tree in California—Cascara Sagrada—offers a most excellent aid to this end. But, combined with Egyptian Senna, Slippery Elm Bark, Solid Extract of Prunes, etc., this same Cascara bark is given its greatest possible power to correct constipation. A toothsome Candy Tablet, called Lax-ets, is now made at the Dr. Shoop Laboratories, from this ingenuous and most effective prescription. Its effect on Constipation, Biliousness, Sour Stomach, Bad Breath, Sallow Complexion, etc., is indeed prompt and satisfying.

No griping, no unpleasant after effects are experienced, and Lax-ets are put up in beautiful lithographed metal boxes at 5 cents and 25 cents per box.
