Beware of Ointments for Catarrh that Contain Mercury.

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

DEATH COMES TO ALL.—But it need not come prematurely if proper precaution are taken. "An ounce of prevention is worth a pound of cure," and to have prevention at hand and allow a disease to work its will is wickedness. Dr Thomas' Electric Oil not only allays pains when applied externally, but will prevent lung troubles resulting from colds and coughs. Try it and be convinced.

FOR INFLAMMATION OF THE EYES.—Among the many good qualities which Paramelee's Vegetable Pills possess, besides regulating the digestive organs, is their efficacy in reducing inflammation of the eyes. It has called forth many letters of recommendation from those who were afflicted with this complaint and found a cure in the pills. They affect the nerve centers and the blood in a surprisingly active way, and the result is almost immediately seen.

A CLEAR HEALTHY SKIN.—Eruption of the skin and the blotches which blemish beauty are the result of impure blood caused by unhealthy action of the liver and kidneys. In correcting this unhealthy action and restoring the organs to their normal condition, Paramelee's Vegetable Pills will at the same time cleanse the blood, and the blotches and eruptions will disappear without leaving any trace.

If one feels dull and spiritless, in the spring or early summer, they call it "Spring Fever." But there is no fever—usually. It is the after effect of our winter habit. The nerves are mostly at fault. Tired, worn out nerves leave us languid, lifeless, and without spirit or ambition. A few doses of Dr Shoop's Restorative will absolutely and quickly change all of these depressing symptoms.

The Restorative of course won't bring you back to full health in a day or two, but it will do enough in 48 hours to satisfy you that the remedy is reaching the "diseased spot".

Druggists everywhere are advertising its use as a splendid and prompt general tonic. It gives more vim and more spirit to the spoonful than any other known nerve or constitutional tonic. It sharpens a falling appetite, aids digestion, frees sluggish livers and kidneys, and brings new life, strength and ambition.

Test it a few days and be convinced.

Major Hoggins, who made the sensational charges against the Trans-Continental Railway Commissioners, completely blew up before the Committee of Investigation last week at Ottawa. He retracted everything, much to the disgust of the Tories who had been patting him on the back previously. This is but a sample of the "scandals." When carefully analyzed, ninety-nine out of a hundred vanish.

WOULD-YOU-LIKE-TO-READ-THE-STORY OF-THE FURNACE?

Just write on a post-card. "Send Booklet A," and mail to nearest branch. The rest we'll gladly attend to.

The story is briefly told in a little booklet called "Furnace Facts." It's not an advertisement. No furnace name is mentioned, and you can read the whole story in 5 minutes.

To the party contemplating purchasing a furnace it points out the snags and pitfalls, and shows exactly what to demand of an architect, contractor or dealer, in furnace construction and installation.
