THE CONVENTION.

The Liberals of Carleton County are requested to meet at Woodstock on Saturday August Eighth, at half past two in the afternoon, in the new Hayden-Gibson Theatre, for the purpose of selecting a candidate for the House of Commons.

In issuing this call I am moved thereto by the fact that the life of the present parliament is rather far spent. It was in 1904 that the last appeal was made, in which I feel proud to say Carleton swung in line with Liberalism and with the Dominion, and it would be no great surprise should our gifted leader, Sir Wilfrid Laurier, in his wisdom once more call on his cohorts to rally round the standard at no distant day. I therefore in my capacity as President of the Association have seen fit to call the party together for the purpose of choosing a captain for this Carleton Co Company of the Liberal host, in preparation for the battle of the ballots. It is my wish that every parish and every school district shall be fully represented, and that every Liberal who can at all be present shall do so. For the convenience of the up-river sections arrangements will be made for a special train going north and leaving Woodstock after the Convention.

In conclusion let me impress this fact: Every Liberal, every person who intends to support the party, is invited to attend and participate, no special delegates having been chosen.

Yours very truly,
JAMES A. BARTER,
President Carleton Liberal Association.

Grand Officer Coming. C.O.C.F.

W. F. Campbell the Grand Organizer for the Canadian Order of Chosen Friends from Hamilton, Ont., will tour New Brunswick, visiting the Councils here. This is an order 22 years old and a very strong order in Ontario and Quebec and has been going forward rapidly here in New Brunswick under the management of Organizer S. G. Barter. It will be a regular treat to listen to Grand Organizer Campbell who has charge of the whole Dominion of Canada for the Organization work of the Chosen Friends and therefore has a good knowledge of conditions of Fraternal Insurance Societies here in Canada, having toured almost every Province of Canada. We expect that Woodstock will be visited during first week of August.

Tortured with Skin Rash

Zam-Buk Brought Relief

At this time of the year children are liable to all kinds of torturing rashes and eruptions, and the advice of Mrs. F. Rowe of 1 Oxford St., London, (Ont.) is timely. She says:—"A horrid rash broke out on my little boy's body. The child suffered acutely with the burning and itching and grew quite restless. A friend advised me to try Zam-Buk. I did so, and was surprised to see how quickly it cleared away the rash. The very first application seemed to cool and ease the burning and itching, making the child rest easier. In several days he was completely cured, not a mark remaining on the skin to show where the trouble had been. Zam-Buk is the best healing balm yet used." All druggists and stores, 50 cents box or Zam-Buk Co., Toronto for price.

Well, an Indian is an Indian. That's all.

Wire Wounds.

My mare, a very valuable one, was badly bruised and cut by being caught in a wire fence. Some of the wounds would not heal, although I tried many different medicines. Dr. Bell advised me to use MINARD'S LINIMENT, diluted at first, then stronger as the sores began to look better, until after three weeks, the sores have healed and best of all the hair is growing well, and is NOT WHITE as it most always the case in horse wounds.

No Use for H. A. Powell.

The Toronto Orange Sentinel, a paper with strong Conservative proclivities, says:—

Information comes to us from the city of St. John, N. B., that Mr. H. A. Powell, formerly member of Parliament for Westmoreland, is seeking a nomination in that city. His opponent is Mr. A. W. McKee. So far as the Orange section of the Conservative party is concerned we cannot see how there can be any difference of opinion as to which of these men should be selected. Mr. Powell has had experience in Parliament, and as a supporter of the Remedial Bill he has proved that he is not fit to represent the Orangemen of any constituency in Canada. Those who remember Mr. Powell's career in the Dominion Parliament will recall the vigor of his support of a measure that roused the Orangemen of Canada from one end of the Dominion to the other. He was one of the opponents of the late N. C. Wallace. Instead of expressing regret for the course that he took upon that question, Mr. Powell seems to be entirely satisfied. His public utterances convey no idea that if he were elected he would not repeat the same thing. We trust that the members of the Orange Association in St. John will not allow themselves to be hoodwinked into supporting a man of this kind.

In the face of this deliberate slap at the great Central Railway Inquirer we wonder if the machine will persist in naming him as the candidate? It looks as if there is a sharp knife being kept in good condition for the great and only H. A. P.

Heading off a Risk

Gas is liable to puff out of the front door of any furnace unprovided for gas escape.

"Sunshine" Furnace has Automatic Gas Damper directly connected with smoke-pipe. Gas pressure sways damper sufficiently for it to escape up chimney (see illustration), but heat doesn't escape.

What does "Sunshine" Gas Damper mean to "Sunshine" Furnace? Means protection to the furnace parts against evil effects of gas.

What does "Sunshine" Gas Damper mean to "Sunshine" household? Means furnace can be operated without fear as to "puffing" gas; furnace can be left without doubt as to whereabouts of gas.

What does "Sunshine" Gas Damper mean to "Sunshine" coal account? It means, instead of owner with "ordinary furnace" fear having to keep check-draft indefinitely closed to "let off" gas—when there's two-thirds parts of heat-energy to one part of gas passing up chimney—draft can with all safety be opened, and coal saved for another day's duty.
