The Opposition Cry is for "Good Government." They really mean good fat jobs.

Charlotte Liberals will name their ticket Monday night, who will prove to be winners.

Mr Flemming has been to Moneton. What of Mr Smith? Why doesn't he get an invitation te speak somewhere?

Premier Robinson, speaking the other night, said the Opposition is not certain to win a single seat. It's true, too.

Bets are being freely offered in St John, with few takers, that Hazen will not have fifteen supporters in the Assembly.

"Save Flemming at any cost" is the Conservative slogan. Smith and Munro are to be abandoned as so much deadweight.

Mr Hazen, poor man, is suffering from the hallucination that he is to be premier, but after March 3rd he'll probably come to his senses.

Even the more reasonable Opposi tion workers concede the election of the Solicitor General. On all sides Munro's defeat is acknowledged. * * *

Charlotte Liberals are organizing for a strenuous campaign, determined to relegate the three Opposition members to private life. Charlotte is ripe for a change.

Electors, do not be deceived. Remember the Fable of the Dog and the Shadow. What have Smith, Flemming or Munro ever done to merit seats in the Assembly?

From all over the county very cheering reports are coming. The friends of the government are sanguine of electing all three candidates. The fight is as good as won

The Liberal Candidates in their tour up-river this week received much encouragement. Many who opposed the government in 1903 are to day zealously supporting it. Vic-

They have a Conservative government in Manitoba which has just announced its intention of doubling the salary paid to each cabinet minister. Very likely a Hazen cabinet in our province would at once follow suit.

The Liberal meetings this week at Bath, Johnville, and Summerfield. the three from which we have heard, | tion. Deceased was born at Kings--proved eminently satisfactory. The candidates all gave highly creditable addresses, and made splendid impressions.

The city of St John will witness : battle royal. The tories have been boasting a great deal there, but now that the invincible Mayor Sears is likely to head the Liberal ticket, are taking back-water. Saint John will send a solid four to strengthen. the hands of Hon Wm Pugsley, the federal member for the Winter Port.

E H Allen of Fredericton, son of the late Chief Justice Sir John C Allen, has been appointed Provincial Secretary, and will head the York County Liberal ticket. His acceptance spells sure defeat for the Pinder -McLeod laughing stock combina tion foisted upon the York Conservatives by the little coterie with headquarters in the Gleaner building.

Curless and Manzer, the Victoria Opposition ticket, are merely stopgaps. The former lost his deposit five years ago, in spite of the fact tinues to be satisfactory. Once it was the Story of the Two-Priced Bridges. What has become of that piece of literature? Now it's the Highway Act. The Bridge Cry, like all other Oppositions boomerangs, did duty for one campaign, was pitched aside, and a new tale of woe concocted. They're all alike.

Owing to the elevation of his partner, Hon A S White, to the bench, Ora PKing MPP will be unable to contest Kings. Dr Mc-Allister, the most popular man in the County, is to take his place on the ticket. Mr King says he will do his utmost to elect the government nominees.

British Columbia, Manitoba and Ontario are ruled by Conservative governments. In each of the three provinces the taxes are steadily growing. The first two are in addition plunging headlong in debt. Let Mr Eazen as a federal member us be careful in New Brunswick.

> In all the sixteen New Brunswick constituencies there is not a single seat which may safely be set down waska, with nineteen members in all, will surely send a solid Government delegation. Mr Hazen's party in the next Assembly will not number a baker's dozen.

At his home, Jacksonville, about midnight on Wednesday, John Harper passed away, in his 82nd year, after an illness of some weeks duraclear, but early in life came with his parents to Jacksonville, and has resided ever since on the Harper homestead. He married a Miss Harrison, sister to the Rev George and the late Rev Fred Harrison, who pre-deceased him but a few months. A family of four,—two sons and two daughters, survive. W Fred lives at West Superior, Stanley and Bessie are at home, while the fourth is the wife of B Kilburn of Victoria County.

The late Mr Harper was known and respected by everyone. For a great many years he very acceptably filled the position as President of the Carleton County Liberal Association. He was one of Nature's gentlemen,a kind, loving husband and father, a conscientious christian, one whom to know was to honor and esteem.' For a number of years he was a County
