"Gentlemen,—I have pleasure in stating that I have used \$18.00 worth of Psychine, and as a result was cured of very serious throat and lung trouble.

My case was a most difficult one, and the doctors had practically said that I could not get well. I tried Psychine, and it did me so much good that I continued its use until I had taken \$18.00 worth with the result that I am now a "man" physically. I have gained thirty-five pounds.

"It is with the greatest confidence that I recommend Psychine to all who are afflicted with throat or lung trouble.

Yours truly, C. A. PINKHAM.

Bath.

The meeting called in the interest of the Liberal Candidates held here on Monday evening was well attended taking into account the inclement weather that evening. The Candidates Hon W P Jones, Harry P Carvell and George W Upham were present.

C F Gallagher who was the chairman in a few well chosen words introduced as first speaker. Mr Upham who was very pleased at being present and was well received by the audience. Mr Carvell rising also received loud applause and explained in brief words the changes in the highway law contemplated. Mr Carvell for being a stranger made a good impression as a solid headed business man.

The Hon Solicitor General was then called and made a speech well up to the ability of the Solicitor and was closely watched and followed for over two hours. He dealt some heavy blows against the opposition arguments and made a good impression. One feature of the meeting in evidence was the close attention paid to the speakers and the good order that prevailed.

J R Tracy is not improving as his friends desire and little hope is expressed of his recovery.

A very heavy rain storm visited this section and has the effect of making trade not as brisk as usual.

Mrs M A Tompkins is confined to the house from recent illness.

Orangemen in County Session.

On Tuesday last Woodstock was visited by delegation of representative Orangemen from all sections of the jurisdiction, called here by order to meet in annual session to arrange the business of the society, and elect officers for the ensuing year. Considerable business of minor importance occupied the time in the morning session and at the afternoon meeting among the many questions that came up was a proposition to adopt a special day to be observed as an "Orange Decoration Day," the day eventually selected being the last Saturday in June each year.

During the afternoon G M Fulton and P G M Hipwell entered the hall, and remained till the close, G M Fulton conducting the election and P G M Hipwell the installation. This is a duty that affords Bro Hipwell immense satisfaction as he claims to be the "God father" of the youngest Orangemen who are moving up the line. The newly elected officers for 1908 are as follows:—

J Henry Hay, No 109, W C M; A E Plummer, No 95, D C M; Sam Hemphill, No 87, C Chap; Charlie M Shaw, No 81, Res Sec; A F Lockhart, No 38, C F Sec; T H McKinney, No 35, Co Treas; J S Montgomery, No 109, C D C; H G Olliver, No 81, Co Sect; —DEP C. LECT.

Just before the close an offering was asked in support of the L I Blue Orphan's Home at Picton, Ontario, and the generous response speaks well for those who were privileged to contribute and go to show that this institution is well thought of among Carleton County Orangemen.

NOTES.

Jan 28th 1908 saw one of the best County sessions in several years. This tells the whole story.

Only two lodges out of a total of nine without returns, and all but three lodges represented by good delegations.

Quite a treat to have P G M Hipwell among us again. Bro Dave is licenced to be perfectly at home under an Orange Roof especially if he can discover a "True Blue Room" He is a stalwart supporter of the N B Home and never fails to make his point in this connection, and this is as it should be.

The G Master's visit to an Orange meeting in Carleton Co, was rather out of the usual too, but appreciated.

The presence of these officers of a higher lodge contributed largely to make this a pleasant and successful meeting. Thanks.

Co. Masher Hay will make his mark on the Orange records during his year or we miss our guess.

A E Plumer, County Treas for several years was promoted to the Deputy Chair, an honor well deserved and one that will be productive of good results.
