

Mother's Helper

"Black Knight" Stove Polish is entirely new. Nothing like it—nothing so good—has ever been offered housekeepers before.

"Black Knight"

Stove Polish

makes a quick, lasting shine that stands the hottest fire you can build in the stove. Equally good for Grates, Stovepipes, or other ironwork you want to keep polished. Insist on having "Black Knight".

Avondale.

Well as it has been quite a while since we have seen any items from this place, I thought that perhaps the "Outlaw" must have left these parts and the "Talebearer" must be taleless, or "Sindy Corey" must have departed this troublesome life.

As it has been so long since news has come from this place, I will be forced to go back quite a space.

Burpee & Wilson have started up the factory again under the management of Jas Falkner.

It looks now as if our Sunday school would pull through the remaining cold weather.

On Monday before Lent the young people of St Thomas, Deerville and a few from Woodstock and White Glen, met with the young folks here and enjoyed a very pleasant dance in DeLong's Hall.

Miss Dora Sherwood is visiting her sister, Mrs Fred Smith of Woodstock.

Marshall Donnelly is working with Burpee & Wilson again.

J A Barter is attending court in Woodstock this week.

J O Barter is back from Moncton where he has been working for the Petrie Mfg Co.

It does one good to see the large amount of logs coming in to G F Burpee's mill, now that the roads are in such a good condition.

S A Sherwood was in Woodstock one day this week.

S G Barter is home for a few days, but expects to go away soon.

Checker playing is now indulged in by our chief board generals with honors about even.

Our grist mill still keep very busy.

DANGEROUS

PURGATIVES.

Many People Ruin Their Health
Using Purgatives in Spring.

A spring medicine is an actual necessity. Nature demands it as an aid to carrying off the impurities that have accumulated in the blood during the winter months. Thousands of people recognizing the necessity of a spring medicine dose themselves with harsh, gripping purgatives. This is a serious mistake. Ask any doctor and he will tell you that the use of purgative medicine weakens the system, but does not cure disease. In the spring the system needs building up—purgatives weaken. The blood should be made rich, red and pure—purgatives cannot do this. What is needed in the spring is a tonic, and the best tonic medical science has yet devised is Dr Williams' Pink Pills. Every dose of this medicine actually makes new rich red blood. This new blood strengthens every organ, every nerve, every part of the body. That is why Dr Williams' Pink Pills banish pimples and unsightly skin eruptions. That is why they cure headaches, backaches, rheumatism, neuralgia, general weakness and a host of other troubles that come from poor, watery blood. That is why men and women who use Dr Williams' Pink Pills eat well, sleep well, and feel bright, active and strong. Mrs Joseph Lepage, St Jerome, Que., says: "My daughter suffered from headaches and dizziness. Her appetite was poor. She was thin and pale as a sheet. A neighbor advised the use of Dr Williams' Pink Pills, and after taking a couple of boxes we could see an improvement in her condition. She used the pills for some weeks longer when they fully restored her health, and she is now enjoying the best health she ever did." Try Dr Williams' Pink Pills this spring if you want to be healthy and strong. Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr Williams' Medicine Co., Brockville, Ont.

Sudden Death.

The death took place at Upper Woodstock, on Friday last, of Annie, beloved wife of Stephen Thibideau, of heart disease. The deceased was born in Woodstock 71 years ago. She leaves besides a sorrowing husband, one brother James residing in Woodstock, and one sister Mrs Thos Cunningham of Ballard, Wash., with a large circle of friends and relatives to mourn their sad loss.

The funeral took place on Monday morning at nine o'clock, a requiem mass being celebrated by Rev Fr. McMurray. The remains were interred in the new Catholic Cemetery.

Liberal Convention.

It has been decided to call a convention of New Brunswick Liberals to meet at St John, April 21, to talk over plans for the thorough organization of the party throughout the province.

The general election cannot be very far in the distance, and all members of the party who feel that their presence at the Convention might aid in forwarding the object for which it is called, should make it a point to be present.

New Brunswick has every reason to desire a continuance of the Liberal government in authority at Ottawa and the prosperous times the county has experienced since Laurier's advent to power. The province is Liberal to the core, and notwithstanding that noisy and ill-informed Conservatives assert that the recent reverse of the local government was due to a revolution against Liberalism, we have Mr Hazen's admission that his victory was due to the Liberal support which he and his fellow Conservatives know will be exerted for the federal government when the time for action arrives.—Herald.

Heart Strength

Heart Strength, or Heart Weakness, means Nerve Strength, or Nerve Weakness—nothing more. Positively, not one weak heart in a hundred is, in itself, actually diseased. It is almost always a hidden tiny little nerve that really is all at fault. This obscure nerve—the Cardiac, or Heart Nerve—simply needs, and must have, more power, more stability, more controlling, more governing strength. Without that the Heart must continue to fail, and the stomach and kidneys also have these same controlling nerves.

This clearly explains why, as a medicine, Dr. Shoop's Restorative has in the past done so much for weak and ailing hearts. Dr. Shoop first sought the cause of all this painful, palpitating, suffocating heart distress. Dr. Shoop's Restorative—this popular prescription—is alone directed to these weak and wasting nerve centers. It builds; it strengthens; it offers real, genuine heart help. If you would have strong hearts, strong digestion, strengthen these nerves—re-establish them as needed, with
