

Nothing Did Good

Until She Tried "Fruit-a-lives"

Madame Rioux is the wife of M. Jos. Rioux, a wealthy manufacturer of lumber in St. Moise. Madame Rioux is greatly esteemed in her home town and her testimonial in favor of "Fruit-a-lives" carries conviction with it, as it is entirely unsolicited.

St. Moise, Quebec.

I have much pleasure in testifying to the marvelous good which I have received from the use of the famous tablets "Fruit-a-lives". I was a great sufferer for many years with serious liver disease and severe constipation. I had constant pain in the right side and in the back and these pains were severe and distressing. My digestion was very bad, with frequent headaches, and I became greatly run down in health. I took many kinds of liver pills and liver medicine without any benefit, and I was treated by several doctors but nothing did me any good, bloating continued. As soon as I began to take "Fruit-a-lives" I began to feel better, the dreadful pains in the right side and back were easier and when I had taken three boxes I was practically well.

(Sgd) MADAME JOSEPH RIOUX.

"Fruit-a-lives" — or "Fruit Liver Tablets" are sold by dealers at 50c a box — 6 for \$2.50 — or will be sent on receipt of price. Fruit-a-lives Limited, Ottawa.

Spent Eighteen Dollars

"Gentlemen, I have pleasure in stating that I have used \$18.00 worth of Psychine, and as a result was cured of very serious throat and lung trouble."

My case was a most difficult one, and the doctors had practically said that I could not get well. I tried Psychine, and it did me so much good that I continued its use until I had taken \$18.00 worth, with the result that I am now a new man physically. I have gained thirty-five pounds.

"It is with the greatest confidence that I recommend Psychine to all who are afflicted with throat or lung trouble."

Yours truly, C. A. PINKHAM.

Greenfield.

The angel of death again swept over our community on March 9th, 1908 and claimed for its victim Jennie M. Kilpatrick, age 17 years. Jennie was a favourite of all, and will be much missed. She leaves to mourn their sad loss a mother, four sisters and two brothers. They have the heartfelt sympathy of all.

We have laid her away among the jewels of his, Folded close in death's icy embrace. We have pressed the last kiss, we have dropped the last tear.

On the dead and the beautiful face. Oh soft be her slumbers, the young and the fair, Whose life sands so gently have run, Though the night dew now cling to her bright flowing hair, There's a morn for our beautiful one.

"Every One Thought I Had Consumption."

Pe-ru-na Saved Me."

"I THANK
DR. HARTMAN
FOR PE-RU-NA."

MRS. MOIE PARIZEAU.

"I hardly know how to thank you for the good Peruna has done me."

"I suffered five years with pain in the stomach. About a year ago it became so bad I could hardly bear it. I coughed day and night and grew weaker and weaker. The pain extended through my body and I also had difficulty in breathing, which made me cough. Everyone thought I had consumption."

"My husband heard of Peruna and bought five bottles. This treatment virtually cured me and now I recommend Peruna to every one who is suffering."

"I thank Dr. Hartman for this excellent remedy."
Ste. Julie de Vercheres, P. Q., Canada.

---Mrs. Moie Parizeau.

A NEGLECTED cold is generally the first cause of catarrh.

Women are especially liable to colds. These colds occur more frequently during the wet, sloppy weather of winter and spring than any other time of the year. Often they are not considered serious and are allowed to run on, or they are treated in such a way as to only palliate the symptoms, while the cold becomes more deep-seated and the patient finally awakens to the fact that she has a well-developed case of catarrh.

By reason of their delicate structure, the lungs are frequently the seat of a cold, especially if there is the slightest weakness of these organs. The treatment of catarrh of the lungs is also more difficult and discouraging than catarrh of any other organ of the body. It would be wise therefore, to guard against it by every precaution possible.

Peruna has been found the most reliable of all remedies for coughs, colds and catarrh, by reason of the fact that it goes at once to the very seat of the trouble.

It searches out every crevice, every duct of the body. It quickens and equalizes the circulation of the blood, thus relieving the congested mucous membranes. It exercises a healing and soothing effect upon the mucous membranes, no matter whether they are the more exposed membranes of the head and throat, or whether they line the remotest cells of the lungs.

Mrs. Jaschob, 1681 Hicks St., Toledo, Ohio, writes:

"When I wrote to you for advice, I had been sick for three years. I had trouble with my throat. Often I could not breathe through my nose. I also had pains in my chest and a cough. I took Peruna according to directions and it has cured me."
