DON'T SUFFER ALL WINTER.

Read This Evidence and Begin To day to Cure Yourself With Dr Williams' Pink Pills.

Sciatica is neuralgia of the sciatic nerve. Its origin is generally rheumatism and is the direct result of taking cold. For this reason the disease is commonly known as "sciatic rheumatism."

There is only one thing more painful than sciatica and that is the treatment of it, as practiced. The sickening burning of the flesh is only one of the forms of cruelty employed by the old school doctors, and all too often this is entirely vain for the relief gained is but temporary.

It is a scientific fact that the majority of sciatica cases result from exposure to cold when the patient is in an anaemic or bloodless condition, in which the nerve is literally starved. It needs no argument to show any reasonable person that a starved nerve cannot be fed by the application of a hot iron to the outer flesh. It may deaden the sciatic pain for a time but it will not cure sciatica.

Absolute rest is the best aid to proper medical treatment. Rest and Dr Williams' Pink Pills, which actually make new blood and thus feed the starved nerve, will cure most cases.

Mr H W Awalt is one of the leading merchants of Hemford, N. S. A few years ago he was a great sufferer from this excruciating trouble. He says:—"The attack was so severe that I had been off work for some time. The cords of my legs were all drawn up and I could only limp along with the aid of a stick. The pain I suffered was terrible. I was in misery both day and night. Every movement caused me such pain as only those who have been tortured with sciatica know. I was treated by several doctors, but they did not help me a bit. In fact I almost began to think my condition was hopeless, when Dr Williams' Pink Pills were brought to my notice. I got a half dozen boxes. I had used the entire quantity before I found any benefit. But I was encouraged and got a second half dozen boxes, and before these were all gone every vestige of the trouble had disappeared. Not only this, but I was improved in health in every way, as it will be readily understood that the long siege of pain I had suffered had left me badly run down. I can't speak too highly of Dr Williams' Pink Pills. I can't commend them too strongly to other sufferers."

Sciatic is stubborn in resisting treatment and the patient often suffers for years. Dr Williams' Pink Pills do not simply relieve the pain, they cure the disease caused by poor watery blood. They actually make new blood and have therefore a direct and powerful curative effect on such diseases as rheumatism, anaemia, general debility and after effects of the grip. As the nerves depend upon the blood for nourishment, Dr Williams' Pink Pills are unequalled for the treatment of even the most severe nervous disorders, such as neuralgia, partial paralysis, St Vitus dance and locomotor ataxia. As a tonic for the blood and nerves they are used everywhere with the greatest success, building up wasted bodies and bringing the glow of health to pale and sallow cheeks. Sold by all medicine dealers or by mail at 50c a box or six boxes for \$2.50 from The Dr Williams' Medicine Co., Brockville, Ont.

A Prized Cough Cure

"I have not been without a bottle of Coltsfoot Expectant in the house for over nine years. At that time I procured it for a bad cold I had. It worked such wonders then that it has been a household remedy ever since, and we will have no other for coughs and colds—it is so pleasant to take, and all of my children look for it as soon as they get a cold at all. Nearly all of them have been subject to croup, and that's when I find Coltsfoot Expectant useful. You are welcome to use this testimonial as you wish."

MRS. LEWIS NIGH.
