Cucumbers and melons are "forbidden

fruit" to many persons so constituted that

the least indulgence is followed by attacks

of cholera, dysentery, griping, etc. These

persons are not aware that they can indulge

to their heart's content if they have on

hand a bottle of Dr J D Kellogg's Dysen-

tery Cordial, a medicine that will give im-

mediate relief, and is a sure cure for all

summer complaints.

The second Adventist Christian

Conference of New Brunswick will

SOMETHING THAT SHOULD BE RUBBED IN.

Whenever pain is felt in the limbs or back,

take Dr Thomas Electric Oil; pour a little

in the hand, and applying it to the surface

beneath which the pain lies, rub briskly.

If the first application does not afford re-

lief which is not usually the case, keep

rubbing. The Oil will gradually penetrate

to the affected part and relief will come.

There will be Sabbath School in

the Advent Church Sunday after-

noon at two, when Elder Strout o

St Marys will give one of his pleas-

ing chalk talks for children.

Much distress and sickness in children is

caused by worms. Mother Graves' Worm

extirminator gives relief by removing the

cause. Give it a trial and be convinced.
