A Few Prominent Men Who Are Now Supporting the Government.

In con trast with these unsupported claims of changes, it may be well to name just a few who in this fight are for the government, heart and soul, but four years ago were fighting for Hazen. Here is a partial list :-Edward Sears, Mayor of St John. In 1903 an active campaign for Hazen, but now heading the government ticket in St John.

W S Loggie M P, of Northumberland. In 1903 elected as a Hazen supporter to the Legislature. Resigned a year later, ashamed of his company, elected to Ottawa, and now working might and main for the gov ernment ticket.

Michael McDade, chief organizer and a valued campaigner for Hazen in 1903. Now doing his best to drive Hazen out of public life.

Pinkham's Vegetable Compound cured her after everything else had failed.

Mrs. W. Barrett, 602 Moreau St., Montreal, writes to Mrs. Pinkham: "For years I was a great sufferer from female weakness, and despite every remedy given me by doctors for this trouble, I grew worse instead of better. I was fast failing in health,

and I was completely discouraged. "One day a friend advised me to try Lydia E. Pinkham's Vegetable Com-pound. I did so, and am thankful to say that it cured the female weakness making me strong and well. "Every woman who suffers from fe-

male troubles should try Lydia E. Pinkham's Vegetable Compound."

For thirty years Lydia E. Pink-ham's Vegetable Compound, made standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, dizzinessor nervous prostration. Why don't you try it? Mrs. Pinkham invites all sick

women to write her for advice. She has guided thousands to health. Address, Lynn. Mass.
